How to Use this Catalog

The Southern States University Catalog is a comprehensive guide to SSU programs, course offerings, services, tuition, faculty, academic policies, and other information of general importance to SSU students in California. Names and contact numbers for other University publications and offices, which may offer additional information about specific areas of interest, are included.

The Catalog is divided into five major sections:

- Information About Southern States University;
- Academic Policies and Procedures;
- Academic Programs of Study;
- Course Descriptions; and
- Lists of administrators and faculty.

Students admitted to a university program should keep this Catalog accessible as a source of general information. A familiarity with catalog contents should aid student progress toward graduation.

A MESSAGE FROM THE CHANCELLOR

Southern States University was first established over 30 years ago in Orange County, California and in 2005 was acquired by Tepper Technologies, Inc, an education-focused corporation, which also owns the International Academy of English. Since then, SSU has grown from less than 10 students in one location to close to 300 students studying in Degree and Certificate Programs at three campuses: in San Diego and Irvine, California and in Las Vegas, Nevada.

Our mission is to educate the leaders of tomorrow, while preparing you to develop and achieve your personal and professional goals. Our Degree and Certificate Programs have been designed to train you to succeed in the world of business and information technology, and to develop tomorrow's industry leaders.

Please spend a few minutes reviewing this catalog, the purpose of which is to accurately detail everything our students need to know about being a registered student at SSU. In addition to providing a listing and description of all the classes offered at the University, this catalog provides answers to most of the questions you may have regarding items such as pricing, schedules, policies, and procedures. If you don't find all of the answers here, our faculty and staff are always available and glad to help you with any questions you might have.

Please let us know if there is anything that we can do to serve you better. Everyone in our administration values your feedback, and I am always personally interested in hearing from students, as we strive to provide each of you with the highest quality educational experience.

I would like to warmly welcome you to our community of scholars at Southern States University. I sincerely hope and expect that you will have a wonderful experience with us!

Sincerely,

Claudia Araiza

Claudia Araiza, PhD
Chancellor

About Southern States University

Southern States University (SSU) was first established over 30 years ago in Orange County, California and in 2005 was acquired by Tepper Technologies, Inc, an education-focused corporation, which also owns the International Academy of English. SSU has three campuses: in San Diego and Irvine, California and in Las Vegas, Nevada. The university offers degree and certificate programs in business and information technology.

Mission Statement

Southern States University empowers a diverse community of students to expand their career opportunities with acquired skills and knowledge, lead fulfilling internal and external lives, and become contributing, edifying members of global communities. Our student-centric approach to education is formulated based on collaborative learning that focuses on promoting critical thinking skills. We expand access to education by creating high-quality, affordable, and innovative pathways that meet the unique needs of each student. Our success is defined by our learners' success.

SSU Vision

The University will bring together a diverse community of students to study in a modern collaborative learning environment to promote critical thinking, ethical academic and business behavior, information literacy, technological proficiency, communication skills, and intercultural engagement with a global perspective.

Educational Objectives

The University has the following objectives:

- Offer a value-driven, focused set of programs to educate students in the fields of Business, and Information Technology Studies.
- Promote tolerance among staff and students of all races, cultures, religions, ethnicities, genders and sexual orientations.
- Promote critical thinking, decision-making skills and intellectual inquiry.
- Inspire leadership and teamwork.
- Create a learning environment that encourages students to develop the highest standards of ethical and professional behavior.
- Integrate formal academic learning with practical experience by employing real-world case studies.
- Deliver instruction through classroom and distance learning methodologies.
- Serve students with diverse socio-economic backgrounds.
- Demonstrate continued commitment to student success.

Institutional Learning Outcomes

Graduate-Level Programs

By graduation, students enrolled in a graduate-level program will be able to:

1. Critical thinking skills: Evaluate data from multiple sources to interpret and draw inferences in an organized fashion. (ILO-1)
2. Ethics: Demonstrate ethical standards, integrity, and social responsibility in academic, social, and professional environments. (ILO-2)
3. Information literacy: Utilize well-designed and emerging research strategies to gather, analyze, and present information. (ILO-3)

4. Technology: Analyze appropriate technology to solve problems and present resolutions to the issues. (ILO-4)
5. Communication: Communicate ideas professionally and appropriately through listening, speaking, reading, writing, and other modes of interpersonal expression. (ILO-5)
6. Cross-cultural awareness: Employ cross-cultural awareness of differing values, politics, communication styles, beliefs, and practices. (ILO-6)

Undergraduate-Level Programs

By graduation, students enrolled in an undergraduate-level program will be able to:

1. Critical thinking skills: Apply analytical skills to identify and solve problems, synthesize and evaluate ideas, and transform existing ideas into new forms. (ILO-1)
2. Ethics: Demonstrate ethical standards, integrity, and social responsibility in academic, social, and professional environments. (ILO-2)
3. Information literacy: Recognize, identify, and evaluate information to effectively and responsibly use and share in a manner that is appropriate to the disciplinary context. (ILO-3)
4. Technology: Apply appropriate technology to solve problems and present resolutions to the issues. (ILO-4)
5. Communication: Voice and exchange ideas professionally and appropriately through listening, speaking, reading, writing, and other modes of interpersonal expression. (ILO-5)

Non-Discrimination Policy

Southern States University, in accordance with applicable federal and state laws and university policies, does not discriminate against any student, or applicant for admission, employee, or employee applicant on the basis of race, color, national or ethnic origin, religion, sex, gender identity, gender expression, pregnancy (including pregnancy, childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, medical condition (cancer related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or service in the uniformed services (including membership, application for membership, performance of service, application for service, or obligation for service in the uniformed services) in the administration of its educational and operational policies and procedures. Specifically, the University does not discriminate in admission, financial aid, employment, or entry or exit from educational courses and programs. The university also prohibits harassment on any of these bases, including sexual harassment, as well as sexual assault, domestic violence, dating violence, and stalking.

Accreditation and Authorizations

Accreditation

SSU is not an accredited institution. SSU held national accreditation from August 16, 2010 to March 1, 2024 from the Accrediting Council for Independent Colleges and Schools (ACICS). ACICS closed its business on March 1, 2024. All SSU coursework and degrees/certificates issued during that time are considered accredited.

State Authorization

Southern States University is a private institution that is approved to operate by the California Bureau for Private Postsecondary Education (BPPE). Approval to operate means compliance with state standards as set forth in the law for approved educational institutions. All degree programs at SSU are provisionally approved by BPPE; this is pursuant to the requirements set forth by BPPE for those institutions that are seeking accreditation. A student needs to be aware that a degree program that is unaccredited or a degree from an unaccredited institution is not recognized for some employment positions, including, but not limited to, positions with the State of California. In addition, a student enrolled in an unaccredited institution is not eligible for federal financial aid programs.

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd. Ste 225, Sacramento, CA 95834, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll-free at (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet Web site at www.bppe.ca.gov.

In April 2023, the California Senate passed Bill 1433 Changes to the Private Postsecondary Education Act of 2009, Catalog Notice about Office of Student Assistance and Relief. Pursuant to this bill, institution catalogs must include the following notice: "The Office of Student Assistance and Relief is available to support prospective students, current students, or past students of private postsecondary educational institutions in making informed decisions, understanding their rights, and navigating available services and relief options. The office may be reached by calling (888) 370-7589, option #5, or by visiting osar.bppe.ca.gov."

Other Authorizations

This school is authorized under U.S. federal law to enroll international students on an F1 visa.

SSU does not participate in the Title IV program with the U.S. Department of Education or with any state-based student financial aid program. This means that SSU students are not eligible for U.S. student loans and grants.

Corporate Structure & Statement of Legal Control

Southern States University (SSU) was first established over 30 years ago in Orange County, California as a for-profit corporation registered in the State of California. In 2005, SSU was acquired by Tepper Technologies, Inc, an education-focused corporation, which also owns the International Academy of English. Except as otherwise provided in the Articles of Incorporation or Bylaws of SSU, the powers of SSU shall be exercised, its property controlled, and its affairs managed by its Board of Directors. The Board may delegate to such committees, councils or other groups as it shall create, any of its powers that it may deem judicious, keeping in mind that it has the ultimate responsibility for SSU, and that it must ensure proper accountability by each of these groups.

The Chancellor (CEO) shall, under the direction of the Board and its Chairperson, be responsible for overall planning and budgeting, and for the general management of the day-to-day operations of SSU.

In accordance with the requirements of Ed. Code §94909(a)(12), SSU hereby states that it currently has no pending petition in bankruptcy and is not operating as a debtor in possession, has not filed a petition within the preceding five years, or has had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

School Agreements

Admissions Agreement

Southern States University and the International Academy of English have executed an agreement in which successful completion of the Advanced English Level or the TOEFL Program at the International Academy of English (IAE) will satisfy the English Language Proficiency requirement of a prospective student seeking admissions into a degree or certificate program at SSU.

Facilities Descriptions

Overview of Facilities

SSU operates three facilities. The Main Campus is in San Diego with additional locations in Irvine, CA and Las Vegas, NV.

All campuses are staffed with instructors and administrators who can assist students with all their needs.

Prospective and enrolled students are invited to stop by and visit all of SSU's campus locations. Regular office hours are 9:00 am – 6:00 pm., Pacific Standard Time, Monday through Friday.

Main Campus – San Diego, CA

The University's primary administrative and academic offices are located on its San Diego Campus. This campus occupies several rooms of a three-story building, which includes classrooms, administrative offices, a student lounge, a conference room, a computer laboratory, and a library.

SSU – San Diego Main Campus
1729 5th Avenue
San Diego, CA, 92101
Phone: (619) 298-1829

Free parking is available on the surrounding streets. Trolley and bus services are also conveniently located relative to this facility.

Additional Location – Irvine, CA

The Irvine campus is located close to the John Wayne Airport, providing easy access from all points of Orange, San Diego and Los Angeles Counties. This Campus includes administrative offices, a library, a conference room, a student lounge, and classrooms.

SSU – Irvine Campus
2855 Michelle Drive
Suite 380
Irvine, CA 92606
Phone: (949) 833-8868

The Equipment and Materials Used for Curriculum Delivery

Computer - Projector - TV/Monitor - Projector Screen - Speakers - Computer Software and Books –
Chairs and Desks – Whiteboards - Podiums- Wi-Fi Internet – DVDs

Instructional Learning Environments

Southern States University's programs are offered through two instructional learning environments:

- On-campus instruction (in-person)
- Online distance learning

All courses are conducted in English only.

On-Campus Instruction

On-campus courses are offered in traditional classroom settings within Southern States University campus locations. These in-person courses are supplemented with online course activities. Instructors may employ learning activities including lectures, case studies, research projects and examinations, as well as require interaction with the instructor and the other students during scheduled class times. Students are encouraged to use SSU's on-campus and virtual libraries, local public libraries, and other community resources to research the information they need as they progress through their individual programs of study.

All courses that take place on campuses employ a hybrid delivery platform in which students will attend on-campus classroom activities at regularly scheduled times as well as complete some learning activities and assessments via the student online distance learning platform over the internet.

Online Distance Learning

For online instruction, students access SSU's online courses via the internet, utilizing a web-based eLearning and course management platform. Students interact and collaborate with their instructor and classmates in the online platform anytime at their convenience. In this learning environment, courses require that students complete at least an equivalent amount of work as required for a traditionally delivered on-campus course so that the acquired levels of knowledge, skills, and/or competencies are at least equivalent to those acquired in a traditional format. Instructors may employ the same types of learning activities found in traditional on-campus courses, such as case studies, research projects, and examinations, as well as require interaction with the instructor and the other students via chat sessions and online discussion boards. Typically, interaction occurs throughout the week with assigned due dates throughout the term. Assignments will be returned within 7 calendar days.

To participate in distance learning instruction, students must be able to use a computer and have internet access.

Special Considerations for Online Education at SSU

All online courses and the online portion of on-campus courses are administered by the San Diego Campus (main campus).

100% online programs are available only to students residing in California and Nevada and to international Students residing outside of the United States. All 100% online programs are administered by the San Diego Campus and prospective students in a 100% online program will need to register through the San Diego campus.

Distance Education and International Students with F-1 Visas

International students with F-1 Visas in the U.S. may only enroll in online courses if they are simultaneously taking the required minimum number of on-campus (in-person) courses at SSU every term:

- undergraduate degree program (2 on-campus courses minimum),
- graduate degree program (1 on-campus course minimum),
- undergraduate-level certificate (2 on-campus courses minimum), and
- graduate-level certificates (1 on-campus course minimum).

**Please also see the section about Enrollment Status for F1 students.*

International students residing outside the USA can enroll in any program courses while completing their courses on a 100% online basis.

SSU offers a distance educational program where the instruction is not offered in real time. SSU shall transmit the first lesson and any materials to any student within seven (7) days after the institution accepts the student for admission (5 CCR §71716(a)). Additionally, approximately seven (7) days will elapse between the institution's receipt of student lessons, projects, or dissertations and the institution's mailing of its response or evaluation back to the student (5 CCR §71810 (b)(11)).

Additionally, in accordance with state law, SSU shall transmit all lessons and materials to the student if the student has fully paid for the educational program and, after having received the first lesson and initial materials, requests in writing that all of the material be sent. If SSU transmits the balance of the material as the student requests, SSU shall remain obligated to provide the other educational services it agreed to provide, but shall not be obligated to pay any refund after all of the lessons and material are transmitted (5 CCR §71716(c)(1)(2)).

Minimum Computer Configuration Requirements

To participate in distance learning instruction, students must be able to use a computer and have internet access. Students must have a computer with the following minimum configuration:

- Windows 10 or later or Mac OS 10.12 or above
- 2 GB RAM or greater is recommended
- 2.0 GHz Intel or AMD processor or greater
- Internet access with a minimum speed of 3 Mbps, higher speed is recommended
- Sound Card and Speakers and/or headphones
- Firefox or Internet Explorer 11 or higher. SSU recommends Google Chrome.
- Microsoft Office (Word, Excel and PowerPoint) or equivalent.

Graduation Ceremony 	June 29, 2025
Holiday (no classes)	Memorial Day: May 26, 2025

Note: Should courses begin and end outside of the standard quarter start and end dates, such courses will be categorized as Spring, Summer, Fall, or Winter based on the course start date.

Course Length

Each regular course has been designed to be completed in 10 weeks.

Credit Hour Policy

Southern States University uses a quarter credit system with four (4) terms per year: Summer, Fall, Winter, and Spring. The Academic Calendar runs from July 1st through June 30th of the following year. Each term is 10 weeks in length. A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. One (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out of class student work each week for ten weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, practica, studio work, and other academic work leading to the award of credit hours.

For nontraditionally delivered courses, each unit of awarded credit is determined to ensure that at least an equivalent amount of work to that in a traditionally delivered course is required, so that the acquired levels of knowledge, skills, and/or competencies is at least equivalent to those acquired in a traditional format.

Course Credit Equivalency

Following best practices in higher education as outlined in “A Guide to Best Practices: Awarding Transfer and Prior Learning Credit” published by the **American Association of Collegiate Registrars and Admissions Officers (AACRAO)**, 1 quarter credit in each course is equivalent to 0.67 semester credits. This is by following the common practice of taking 1 quarter credit and dividing it by 1.5 semester credits. The following are the course credit equivalencies:

- 1.0 quarter credit = 0.67 semester credits
- 2.0 quarter credits = 1.33 semester credits
- 3.0 quarter credits = 2.0 semester credits
- 4.0 quarter credits = 2.67 semester credits
- 4.5 quarter credits = 3.0 semester credits
- 6.0 quarter credits = 4.0 semester credits

Student Course Schedule

Each student's course schedule will vary. On-campus courses may be scheduled in the morning, afternoon, or evening times Monday through Saturday. On-campus courses employ a hybrid modality of teaching and include mandatory online course components that will supplement and enhance the on-campus sessions.

Class offerings by campus may vary every quarter based on the number of students registered; this means that students should expect to attend a different SSU campus location when there are class cancellations or there are no available classes at their home campus.

Online courses and the online portion of on-campus courses are based on a weekly schedule beginning on Monday and ending on Sunday. All online instruction is delivered through the student portal hosted through Moodle.

Familiarity with University Regulations, Policies, and Procedures

Through submission of the enrollment agreement, students acknowledge receipt of the Catalog and agree to abide by the policies, rules, and regulations of the University. Upon acceptance of the enrollment agreement, by signature either in ink or in electronic form, students acknowledge that they are bound by the policies of the University contained in this Catalog. This publication includes academic standards and the general requirements for graduation. Lack of knowledge or familiarity with the information contained in the University Catalog does not serve as an excuse for noncompliance or violations. The University provides assistance in the form of academic advising, but students are individually and personally responsible for meeting the published requirements of their respective programs.

The University understands that exceptions to the policies may be inevitable under extenuating circumstances, to which the University will make every reasonable effort to accommodate such circumstances within the confines of the policy's spirit of intent. Should students find it necessary to request an exception to established University policies and procedures, students may submit an Academic Appeal in accordance with the Student Grievance Policy and Procedure.

Academic Catalog Rights

All students who enroll within Southern States University are bound by the policies and regulations published in this Catalog, beginning on the effective date of this catalog or until such time a new catalog is released, not to exceed one year.

Each student is individually responsible for the information contained within this catalog. Students will not be exempt from any penalties as the result of failure to read and comply with University policies and procedures.

All students are subject to the requirements of the academic program that were listed in the catalog at the time of their admission. Students who withdraw from their program must re-apply for admission, unless the student is on a qualified Leave or Absence or on US military deployment, not to exceed 5 years. Re-admitted students are subject to the program requirements at the time of their readmission. A Leave of Absence is subject to the Maximum Time Frame policy of a program.

SSU intends to protect students concerning catalog rights. However, students should note that the courses required for a specific program of study may vary from one catalog publication to the next and often change during a student's tenure. To protect the catalog rights of students, the University allows actively enrolled students to select the graduation requirements (in their entirety) of either:

- The catalog which was in effect at the time the student was accepted into a program of study, or
- The catalog in effect when the student applies for graduation.

The University will authorize appropriate substitutions for discontinued or modified courses where students are following the program of study requirements as stated in the catalog under which they originally registered.

Catalog rights of students cannot supersede any State or Federal regulation or requirements governing students and the University.

Digital copies of this and archived catalogs are available for download through <https://www.ssu.edu/academics/general-catalogs/>

Admissions Procedures

Admission Requirements and Standards – Undergraduate Degree and Certificate Programs

Students applying for admission to an undergraduate degree or undergraduate certificate program are required to satisfy the following admission requirements:

1. Complete and submit an Enrollment Agreement (including School Performance Fact Sheet) and pay appropriate fees;
2. Provide verification of completion of a high school diploma (from a state-recognized school), High School Equivalency, or Certificate of Equivalency/Proficiency. Diplomas from outside the U.S. must be evaluated by an NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
3. Submit official transcripts from all other universities or colleges previously attended; if a degree is awarded, transcripts from outside the U.S. must be evaluated by an NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
4. Submit a written, single-spaced essay of at least 500 words detailing educational and work history, goals as they relate to education and work history, and the relationship between these goals and future career aspirations;
5. Complete an interview with one or more members of the SSU Admissions Team, including an SSU Student Ambassador. Results of this interview will be considered when determining student acceptance to the university; and
6. English Language Proficiency Policy for all Degree-Seeking Students: Regardless of country of birth or citizenship, immigrant or nonimmigrant status, all applicants to Southern States University degree programs must demonstrate English language proficiency. Demonstration of English language proficiency can be satisfied if the applicant submits a diploma or transcript showing that the applicant has graduated from a government-recognized secondary school (or above) in a system in which English is the official language of instruction. Otherwise, the applicant will need to meet the minimum English Language Proficiency standard through one of the following:
 - TOEFL (Test of English as a Foreign Language) result of 97 or above on the IBT (Internet Based Test), 500 or above on the PBT (Paper Based Test), or
 - IELTS (International English Language Testing System) result of 6.0 or above, or
 - Duolingo English Test result of 100 or above, or
 - Completion of the Advanced English Level or the TOEFL Program at the International Academy of English (IAE). Verification is required with an official letter from IAE showing the student successfully completed the Advanced English level or TOEFL Program; or
 - Have previously studied in an English-medium at the university level program and maintained a minimum 2.0 GPA for at least one academic term.

Test scores more than two years old will not be accepted.

7. Ability-to-Benefit: SSU does not participate nor admit students using Ability-to-Benefit (ATB) criteria.

8. Experiential Learning: SSU does not award credit for prior experiential learning.
9. International Students on a Student Visa: In addition to the above items, international students applying for a student visa in the USA must submit the following:
 - i. Financial documentation confirming that the student has adequate resources to ensure that s/he can meet all obligations throughout the period of study. An official bank statement not more than three months old reflecting a minimum positive balance must be submitted either in the student's personal name or the student's financial sponsor's name (in which case an Affidavit of Financial Support is also required). The minimum balance required is determined by program choice, selection of payment option, and number of dependents; and
 - ii. Copy of passport, including information page, Visa, and I-94 validity page; and
 - iii. Proof of Health Insurance: International students on a student visa must show proof of medical insurance prior to the program start date on the Form I-20. Failure to produce valid proof of insurance will result in an inability to enroll in classes and maintain status.

Admission Requirements and Standards – Graduate Degree and Certificate Programs

Students applying for admission to a graduate degree or graduate certificate program are required to satisfy the following admission requirements:

1. Complete and submit an Enrollment Agreement (including School Performance Fact Sheet) and pay appropriate fees;
2. Provide verification of completion of a Bachelor's Degree in the form of an official transcript of record. Diplomas and transcripts from outside the U.S. must be evaluated by a NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
3. Submit official transcripts from all other universities or colleges previously attended; if a degree is awarded, transcripts from outside the U.S. must be evaluated by a NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
4. Submit a written, single-spaced essay of at least 1000 words detailing educational and work history, goals as they relate to education and work history, and the relationship between these goals and future career aspirations;
5. Submit two official Letters of Recommendation (professional or academic references only);
6. Provide a current resume;
7. Complete an interview with one or more members of the SSU Admissions Team, including an SSU Student Ambassador. Results of this interview will be considered when determining student acceptance to the university; and
8. English Language Proficiency Policy for all Degree-Seeking Students: Regardless of country of birth or citizenship, immigrant or nonimmigrant status, all applicants to Southern States University degree programs must demonstrate English language proficiency. Demonstration of English language proficiency can be satisfied if the applicant submits a diploma or transcript showing that the applicant has graduated from a government-recognized secondary school (or above) in a system in which English is the official language of instruction. Otherwise, the

applicant will need to meet the minimum English Language Proficiency standard though one of the following:

- TOEFL (Test of English as a Foreign Language) result of 97 or above on the IBT (Internet Based Test), 500 or above on the PBT (Paper Based Test), or
- IELTS (International English Language Testing System) result of 6.0 or above, or
- Duolingo English Test result of 100 or above, or
- Completion of the Advanced English Level or the TOEFL Program at the International Academy of English (IAE). Verification is required with an official letter from IAE showing the student successfully completed the Advanced English level or TOEFL Program; or
- Have previously studied in an English-medium at the university level program and maintained a minimum 3.0 GPA for at least one academic term.

Test scores more than two years old will not be accepted.

9. Ability-to-Benefit: SSU does not participate nor admit students using Ability-to-Benefit (ATB) criteria.
10. Experiential Learning: SSU does not award credit for prior experiential learning.
11. International Students on a Student Visa: In addition to the above items, international students applying for a student visa in the USA must submit the following:
 - i. Financial documentation confirming that the student has adequate resources to ensure that s/he can meet all obligations throughout the period of study. An official bank statement not more than three months old reflecting a minimum positive balance must be submitted either in the student's personal name or the student's financial sponsor's name (in which case an Affidavit of Financial Support is also required). The minimum balance required is determined by program choice, selection of payment option, and number of dependents;
 - ii. Copy of passport, including information page, Visa, and I-94 validity page; and
 - iii. Proof of Health Insurance: International students on a student visa must show proof of medical insurance prior to the program start date on the Form I-20. Failure to produce valid proof of insurance will result in an inability to enroll in classes and maintain status.
12. Additional Admissions Requirement for the Graduate Certificate in Information Technology and MSIT: In addition to the above items, a student applying to the Graduate Certificate in Information Technology or MSIT program must submit the following:
 - Must have coursework taken in information systems, information technology, computer science, software engineering, mathematics, programming, business OR must have some background in those fields.

International Students on a Student Visa

For purposes of admission, an international student is defined as “a student who is, or will be, in the United States on a nonimmigrant student visa.” This specifically refers to the Student (F) and Exchange Visitor (J) Visas. International student admission requirements apply to international students on F or J visas.

In addition to the general admission requirements listed in the ***Admissions Requirements and Standards***, the following regulations apply to all international students:

1. Official transcripts of the student’s academic records (mark sheets) from all universities previously attended, evaluated by an NACES approved organization (<http://www.naces.org/member.htm>), must be submitted to SSU. Both a copy of the official foreign academic record and an official English translation must be included.
2. Students in the United States on F-1 visas do not typically have employment authorization. U.S. Government regulations require international students to certify that they have sufficient finances to pursue their studies *without the need for employment*. Thus, international students should not expect to support themselves through employment while attending the university.
3. International students in good academic standing have the option to apply for CPT after completing at least one continuous academic year. Through CPT, students can work part-time (20 hours or less per week) or full-time (20 hours or more per week) in a job integrally related to their curricular field of study. Full-time CPT will only be authorized when classes are not in session or if the student is on their normal approved Leave of Absence in a quarter. CPT work authorization is granted by the DSO.
4. International students who complete their degree program studies, can qualify to apply for Post-Completion OPT. If approved for work authorization through OPT, students are required to obtain employment directly related to their field of study within 90 days of receipt of their Employment Authorization Document (EAD) card and can work full-time for up to one year. Students need to contact their DSO prior to filing the OPT documentation with USCIS. For more information, check the [instructions for Form I-765](#) on the USCIS website. International students can start working as soon as they receive the EAD card.

Note: There are two different kinds of OPT: pre-completion OPT and post-completion OPT. In order to use OPT before completing their program, students should apply for pre-completion OPT. It is recommended to apply for pre-completion OPT only if students have exhausted their eligibility for CPT. Pre-completion OPT ends on the student’s program end date. After this occurs, students can apply for post-completion OPT. However, any time spent using pre-completion OPT will be deducted from the student’s post-completion OPT eligible period. Part-time OPT will be deducted at half the full-time rate. SSU’s DSO is always available to assist students when they need advice concerning these options.

5. Holders of F-1 student visas must maintain a full course of study and make normal academic progress, which is defined as follows:
 - i. Undergraduate students: a minimum of 3 classes per quarter term.
 - ii. Graduate students: a minimum of 2 classes per quarter term.

English Documentation

All documents must be in English. For all non-English documents, a certified and signed English translation must be attached. For official bank statements **only**, an administrator on campus may be available to translate the document into English.

Visa Services

Southern States University does not offer visa services to students. Upon admission into the university, international students are provided with an Acceptance Letter and Form I-20 for their visa interview at a U.S. embassy or consulate. The university can provide a Verification of Enrollment letter upon request to confirm the student's enrollment at the university.

International Students Transferring from Other Schools to SSU Must Provide:

- Official transcripts from all other universities or institutions previously attended, evaluated by an NACES approved organization (<http://www.naces.org/members.htm>).
- Course descriptions and syllabi for all transfer credit courses;
- School transfer documentation;
- Copy of the student's most recent I-20 form.

Form I-20: The Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status

Form I-20 [Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status] is issued by U.S. institutions to students holding an M-1 or F-1 visa for the purposes of study in the U.S. Students with this status must receive a Form I-20 before beginning their coursework at SSU. To receive a Form I-20, the student must first be granted admission to SSU. F-1 student visa holders are required to demonstrate sufficient funding to cover the cost of living and academic expenses while studying at the university.

Health Insurance

Health insurance is a mandatory requirement for F-1 students in all programs. The deadline to submit proof of health insurance is no later than the program start date as shown on the Form I-20. Such students must also show proof of health insurance for the duration of their program in order to be enrolled in classes. Health insurance for international students is available from private companies. The university does not provide health insurance. Prospective and current students could choose from these private providers:

- ISI International Student Insurance, <https://www.internationalstudentinsurance.com/>
- IMG Global Insurance – International Student Health Insurance, <https://www.imglobal.com/international-student-health-insurance>
- ISOA International Student Insurance, <https://www.isoa.org/>
- iNext International Travel Protection, <https://www.inext.com/plans/travel-to-usa/>
- VISIT International Health Insurance, <https://www.visitinsurance.com/>
- Blue Shield of California, <https://www.blueshieldca.com/>
- eHealth Insurance, <https://www.ehealthinsurance.com/>
- Covered California, <https://www.coveredca.com/>

Maintaining Legal Status

It is very important that M-1/F-1 students maintain legal status while studying at SSU. In order to maintain legal status, the student must:

- have a valid passport;

- be enrolled as a full-time student and in attendance at the school that issued the Form I-20;
- report address changes within 10 days;
- maintain a cumulative GPA sufficient to remain in good academic standing with the University;
 - ❖ Students who are not making Satisfactory Academic Progress (SAP) may be placed on academic probation, the terms of which include a designated time frame in which the student must return their GPA to SAP standards or be dismissed from the University.
 - ❖ If an international student is dismissed from the University, the DSO must report the termination to SEVIS.
- notify the Designated School Official (DSO) prior to traveling outside the USA;
- notify the DSO upon applying for change of nonimmigrant status;
- notify the DSO upon approval of an adjustment of status to an immigrant;
- consult with the DSO about possible program extension (if needed).

An international student attending on a student visa may be administratively dismissed from classes if that student fails to meet the terms and conditions of the visa. See this Catalog for the Administrative Dismissal policy.

Sources of Credit

Transfer Credit – Undergraduate Degree Programs

Internal Transfers

All credits earned in SSU's undergraduate certificates are internally transferable to SSU's undergraduate degree programs if they comprise the same course requirements.

Transfer credit is not automatic, and the student will need to petition for it in order to be valid for the new program. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.

External Transfers

Credits earned for comparable course work in an undergraduate program can be transferred into a Southern States University undergraduate degree program if the following conditions are met:

- Official transcript of coursework is submitted to the University. Originating school must operate with approval of the regulatory agency of the state or country in which it is located, and have accreditation recognized by the USDE (or equivalent);
- Applicants with international credits wishing to qualify for transfer credit must establish equivalency with respect to academic credit by submitting transcripts for review and certification to a National Association of Credential Evaluation Services (www.naces.org) member organization.
- Course descriptions, as detailed in the catalog or syllabi of the originating institution, are comparable to SSU courses in terms of breadth, rigor, level, and depth;
- Courses must be completed with a minimum GPA of 2.0;
- Coursework must have been completed within seven years of completing application to Southern States University;
- Credit value of completed coursework (or clock hours) cannot be less than that required by Southern States University (semester credits are converted to quarter credits by multiplying by 1.5, i.e., 3 semester credits multiplied by 1.5 equates to 4.5 quarter credits).

Students may transfer no more than 135 quarter credits to an undergraduate degree program. Note that no more than seventy-five (75) percent of SSU's undergraduate degree program can be completed through a combination of (a) transfer and (b) any other award of credit.

Students must petition before the beginning of their second term to obtain credit for any classes completed prior to their enrollment with SSU.

The University does not guarantee transfer of credits.

Non-Traditional Collegiate Education Transfer Credit, Including Military Experiential Credit

SSU accepts non-traditional collegiate education in the form of transferable credits that can be applied towards Associate's or Bachelor's degrees. A student may transfer a maximum of 72 credits from a non-traditional setting using the following options:

- A maximum of 72 credits in an undergraduate degree program may be earned through the College Level Examination (CLEP)
- A maximum of 27 credits in an undergraduate degree program may be transferred from the following programs:
 - ❖ Defense Activity for Non-Traditional Education Support (DANTES) independent study/credit by examination courses
 - ❖ Excelsior College Examinations
 - ❖ Credit that has been recommended by the American Council on Education. This is listed in the ACE National Guide to College Credit for Workforce Training
- A maximum of 45 credits in an undergraduate degree program may be transferred from prior military coursework or experience. Coursework or experience must be evaluated by the American Council on Education (ACE), including the acceptance of the Joint Service Transcript (JST) recommended by ACE.

The University does not grant experiential credit for work experience gained outside of the military. SSU maintains a written record of previous education or training of veterans and eligible persons clearly indicating where credit has been granted, if appropriate, and notifies them accordingly.

A student seeking transfer credit must request an official transcript be sent to Southern States University by the college or university awarding credit. In addition, students must submit a completed Petition for Transfer Credit form to the University Registrar. Consideration will be given to Petitions for Transfer Credit based on the aforementioned conditions.

Transfer Credit – Undergraduate Certificate Programs

Internal Transfers

All credits earned in SSU's undergraduate certificates are internally transferable to SSU's undergraduate degree programs if they comprise the same course requirements.

Transfer credit is not automatic, and the student will need to petition for it in order to be valid for the new program. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.

External Transfers

Transfer credit is not allowed in the undergraduate certificates. Credit from SSU's bachelor's degree programs are not allowed.

Transfer Credit – Graduate Degree Programs

Internal Transfers

All credits earned in SSU's graduate certificates are internally transferable to SSU's graduate degree programs if they comprise the same course requirements.

Transfer credit is not automatic, and the student will need to petition for it in order to be valid for the new program. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.

External Transfers

Graduate credits earned for comparable course work can be transferred into the Southern States University graduate degree programs if the following conditions are met:

- Official transcript of coursework is submitted to the University. Originating school must operate with approval of the regulatory agency of the state or country in which it is located, and have accreditation recognized by the USDE (or equivalent);
- Applicants with international credits wishing to qualify for transfer credit must establish equivalency with respect to academic credit by submitting transcripts for review and certification to a National Association of Credential Evaluation Services (www.naces.org) member organization;
- Course descriptions, as detailed in the catalog or syllabi of the originating institution, are comparable to SSU courses in terms of breadth, rigor, level, and depth;
- Courses must be completed with a minimum GPA of 3.0;
- Coursework must have been completed within seven (7) years of completing application to Southern States University;
- Credit value of completed coursework (or clock hours) cannot be less than that required by Southern States University (semester credits are converted to quarter credits by multiplying by 1.5, i.e., 3 semester credits multiplied by 1.5 equates to 4.5 quarter credits).

Students may transfer no more than 20 percent into a graduate program (13 credits in the MBA program and 11 credits in the MSIT program).

Students must petition before the beginning of their second term to obtain credit for any classes completed prior to their enrollment with SSU.

The University does not guarantee transfer of credits.

A student seeking transfer credit must request an official transcript be sent to Southern States University by the college or university awarding credit. In addition, students must submit a completed Petition for Transfer Credit form to the University Registrar. Consideration will be given to Petitions for Transfer Credit based on the aforementioned conditions.

Military Coursework and Experiential Credit

A maximum of 13 credits may be transferred from prior military coursework or experience. Coursework or experience must be evaluated by the American Council on Education (ACE), including the acceptance of the Joint Service Transcript (JST) recommended by ACE. The University does not grant experiential credit for work experience gained outside of the military. SSU maintains a written record of previous education or training of veterans and eligible persons clearly indicating where credit has been granted, if appropriate, and notifies them accordingly.

Transfer Credit – Graduate Certificates

Internal Transfers

All credits earned in SSU's graduate certificates are internally transferable to SSU's graduate degree programs if they comprise the same course requirements.

Transfer credit is not automatic, and the student will need to petition for it in order to be valid for the new program. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.

External Transfers

Transfer credit is not allowed in the Certificate Programs. Credit from SSU's Master of Business Administration (MBA) or Master of Science in Information Technology (MSIT) programs is not allowed.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the Certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Southern States University to determine if your credits or degree will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

Readmission Policy Following Voluntary Program Withdrawal

Students who are in good financial and academic standing but voluntarily withdrew may reapply into the same program by submitting a new application for admission. Readmitted students are required to follow the policies of the catalog in effect at the time of readmission, including the degree requirements for their program to the effect that students may have additional or different program completion requirements than their original program of study. (See Admissions Requirements).

Students who return to a certificate or degree program will have all of their existing grades and GPA carry forward subject to all catalog policies in place at the time of readmission, including graduation requirements and Standards of Academic Progress standards. Students readmitted are subject to their original Maximum Time Frame (MTF).

Students considering voluntary withdrawal should first consider an approved Leave of Absence (see Leave of Absence policy) before withdrawal and discuss their intentions with their Academic Advisor.

Readmission to the University will not be considered if the student has an outstanding financial balance.

Readmission Policy Following Dismissal

Students who have been previously dismissed must wait at least one quarter before applying for readmission and must submit a new application for admission. Readmitted students are required to follow the policies of the catalog in effect at the time of readmission, including the degree requirements for their program to the effect that students may have additional or different program completion requirements than their original program of study. (See Admissions Requirements).

Students who return to a certificate or degree program will have all of their existing grades and GPA carry forward subject to all catalog policies in place at the time of readmission, including graduation requirements and Standards of Academic Progress standards. Students readmitted are subject to their original Maximum Time Frame (MTF).

Readmission to the University will not be considered if the student has an outstanding financial balance.

If students were dismissed due to their failure to meet Satisfactory Academic Progress standards or for Academic Misconduct and are readmitted and then dismissed again by the University for *any* reason, the student is considered to have been expelled and is therefore no longer eligible for subsequent readmission or acceptance into any program offered by SSU.

1. Submit a new Enrollment Agreement (including School Performance Fact Sheet) and pay appropriate fees;
2. Submit an updated resume;
3. Submit any other documents required for regular admission, unless SSU already has those documents on file; and
4. Submit a written, single-spaced essay of at least 1000 words addressing the details of the dismissal and explaining why and how the student believes readmission to the program will result in a successful outcome.
5. **International Students:** In addition to the above items, international students applying for a student visa seeking readmission must submit the following:

- i. Financial documentation confirming that the student has adequate resources to ensure that s/he can meet all obligations throughout the period of study. An official bank statement not more than three months old reflecting a minimum positive balance must be submitted either in the student's personal name or the student's financial sponsor's name (in which case an Affidavit of Financial Support is also required). The minimum balance required is determined by program choice, selection of payment option, and number of dependents;
- ii. Copy of passport, including information page, Visa, and I-94 validity page; and
- iii. Proof of Health Insurance: International students on a student visa must show proof of medical insurance prior to the program start date on the Form I-20. Failure to produce valid proof of insurance will result in an inability to enroll in classes and maintain status.

Tuition, Fees, Program Costs, and Refund Policies

The tuition, fees, incidental program costs, and associated policies and procedures listed below are effective beginning March 2, 2024. However, should an update be made to these charges or policies, those changes will be recorded as part of a Catalog Supplement.

Tuition and Fees are Subject to Change at Any Time without Prior Notice.

Student Fee Schedule - Required for All students	
Application Fee (per program)	\$100.00
New Student Orientation Fee (per program)	\$75.00
Student ID Card Fee (per student)	\$20.00
General Library Fee (per quarter)	\$75.00
Processing Fee (per payment)	\$40.00
Final Project Evaluation and Critique Fee (Graduate Degree Programs)	\$500.00
Graduation Fee (per program)	\$150.00
Student Tuition Recovery Fund (STRF) (non-refundable)	
Master of Business Administration	\$0.00
Master of Science in Information Technology	\$0.00
Bachelor of Business Administration	\$0.00
Graduate Certificate in Business Administration	\$0.00
Graduate Certificate in Information Technology	\$0.00
Undergraduate Certificates	\$0.00
Additional Fees for All Students	
Payment Plan Change Fee	\$25.00
Course Add/Drop Fee (per course following deadline)	\$40.00
Official Transcript Fee	\$25.00
Certificate or Diploma Reprint Fee	\$100.00
Student ID Card Replacement	\$20.00
Domestic Courier Fee	\$25.00
International Courier Fee	\$100.00
Returned Check Fee	\$35.00
Bank Wire Fee	\$30.00
Late Payment Fee	\$75.00
Diploma Cover Fee	\$20.00
Required Fees for International Students	
International Registration Fee (initial overseas applicants only)	\$150.00
International Enrollment Fee (initial overseas applicants only)	\$250.00
CPT Assistance Fee	\$100.00
OPT Assistance Fee	\$100.00
<i>NOTE: All fees are non-refundable, except for tuition and the per-quarter General Library Fee.</i>	

Start Up Fees

The New Student Orientation Fee, Student ID Card Fee, and International Registration Fee (if applicable) are due with a student's first payment before classes begin in the first quarter. These fees are non-refundable.

General Library Fee

General Library Fee is assessed every quarter in order to support various student learning platforms. Students at Southern States University have access not only to an on-site library with assistance from the University's Library, but also to an online library accessed through the SSU Student Portal.

Payment Processing Fee

The Payment Processing Fee is assessed every time a student makes a payment to the University, not to exceed three (3) fees in a term.

Class Schedule Change Request Fee (class add/drop)

Students will be assessed a \$40 fee for each time there is a class schedule change request, including deletion/drop of a course and addition/add of a course.

International Registration Fee

The international registration fee is a one-time fee that is charged to international students who apply outside the United States and utilize SSU's designated school officials (DSO) for applying for an initial I-20 Form with SEVP. DSOs have specialized experience and training and can assist students about with international student documentation requirements and processing for SEVP regulations.

This fee is not charged to students applying in the United States who do not need an initial I-20 Form and who can provide a state issued or government issued ID.

International Enrollment Fee

The international enrollment fee is a one-time fee that is charged to new international students in their first quarter who are registered in the SEVP system as initial F1 students and enroll in classes in the United States within 7 days after the program start date.

Application Fee

This fee covers the admissions application process. It is due during the application review process.

New Student Orientation Fee

This fee covers the orientation process for new students. It is due with a student's first payment before classes begin in the first quarter. It is non-refundable. This is a mandatory orientation and is not for earning units but MUST be completed by every new student; otherwise, if not completed, a student will receive a "ZERO" score and must repeat it and pay for it again.

Student ID Card Fee

A student ID is required as a form of identification at the university. In order to obtain the ID, a student needs to submit a face picture to the university. The fee payment is due with a student's first payment before classes begin in the first quarter.

Domestic Courier Fee

This fee is charged for mailing any official document to a student's address in the United States.

International Courier Fee

This fee is charged for mailing any official document to a student's address outside the United States.

Returned Check Fee

Students will be assessed a returned check fee for non-sufficient funds at their first instance. Any subsequent instance of a returned check will incur another returned check fee.

Bank Wire Fee

This fee is charged to cover bank transaction expenses for wiring money as a form of payment to the university's bank account.

Late Payment Fee

All students are subject to a late payment fee if they fail to make their tuition and fee payments by 11:59 pm PST of the due date. Payment is expected to be made in accordance with their selected Tuition Payment Option Plan.

CPT Assistance Fee

This fee covers the services of the Designated School Official in authorizing the employment information in the SEVIS system for F1 students.

OPT Assistance Fee

This fee covers the services of the Designated School Official in the application process for employment authorization with USCIS for F1 students.

Final Project Evaluation and Critique Fee (Graduate Degree Programs only)

This fee covers the review and evaluation of a student's capstone project presentation in a degree program. This fee is charged in the final quarter while taking the capstone course.

Tuition Payment Option Policies

SSU offers students a number of payment options to pay for their academic studies at Southern States University. Students elect the payment plan of their choice as part of the Enrollment Agreement. Students wanting to change their Payment Plan option must contact the Bursar.

It should be noted that only the Processing Fee and the Quarterly General Library Fee are included in the estimated total program costs.

Tuition Policy: Quarterly Payment Plan (1 payment per quarter)

Students on the Quarterly Payment Plan are required to make their payment one week prior to the first day of the academic term. Students who pay after the due date will be subject to a \$75 Late Payment Fee. The Bursar will notify the student by email, with a copy to the University Registrar, that they will be dropped from their classes if the full payment for the quarter has not been made.

Tuition Policy: Monthly Installment Payment Plan (3 payments per quarter)

Students on the Monthly Installment payment plan are required to make their payment one week prior to the first day of the academic term and subsequent installment payments on the 15th of each month thereafter. Students who pay after the due date will be subject to a \$75 Late Payment Fee. The Bursar will notify the student by email, with a copy to the University Registrar, that they will be dropped from their classes if the full payment for the monthly installment has not been made.

Financial Obligations

All accounts 30 days past due may be sent to a collection agency and students with accounts 30 or more days past due will be dismissed from the program unless evidence of legitimate mitigating circumstances can be verified by the Bursar. Readmission to the University will not be considered until these outstanding obligations are met. (See Financial Standing for more information.)

Student Refund Policy & Student's Right to Cancel

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid for attendance through the first class session or the seventh day after enrollment, whichever is later. To cancel enrollment and/or obtain a refund, the student must provide a written notice to the Office of the Registrar. If the student cancels the Enrollment Agreement, the School will refund any money that s/he has paid, less any deduction for non-refundable fees, and for any equipment not returned in good condition, within **15 days** after the student's Notice of Cancellation is received.

Class registration or program withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. Students who withdraw before 60% of a quarter is completed are eligible to receive a partial refund of tuition and fees paid. Students have a right to cancel their class registration or to withdraw from a program and obtain a refund by submitting a *Withdrawal Form* to the Registrar's Office prior to the withdrawal deadline. Only when the completed *Withdrawal Form* has been submitted to the Registrar's Office does the withdrawal become official. The effective date used to determine a refund of fees will be based and computed from the last possible date of class attendance (regardless of whether the student attended).

Refunds will be made within **15 days** of official withdrawal, or within **15 days** of the date of the last possible day of the student's attendance. The refund distribution will be handled as prescribed by federal and state law, as well as according to accrediting body regulations. The refund procedure is uniformly applied to all students, regardless of the form of their tuition payment. **In case of conflicting laws and/or regulations, the most restrictive regulation will apply.** A student may receive a refund check only when the refund amount exceeds the balance that he/she owes to the University. The basis for refunds is as follows:

$$\text{Refund Amount} = \text{All prepaid amounts} - (\text{non-refundable fees})$$

Students who withdraw from the University after the first day of the term, but prior to completion of greater than 60% of the term currently enrolled in, are entitled to a refund on a prorated basis, less the non-refundable fees. Please see the example below:

$$\text{Refund Amount} = [(\text{all prepaid amounts for the courses being withdrawn from}) \times (\text{days left to be completed} / \text{total number of days in quarter})] - (\text{non-refundable fees})$$

If the **(days left to be completed / total number of days in quarter)** is less than 40%, then no refund is due to the student.

If the University cancels or discontinues a course, students will receive a full refund of all tuition and applicable fees for that course, or a credit of the same amount to be applied to an equivalent SSU course.

The student shall have the right to cancel the enrollment agreement and receive a full refund before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750 of the California Code of Regulations (CCR). If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials. (5 CCR §71716(b))

Student Loans

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund. If a student received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

California Student Tuition Recovery Fund (STRF)

The Student Tuition Recovery Fund is a California state-mandated fund that exists to relieve or mitigate economic loss suffered by eligible students while enrolled in an educational program regulated by the Bureau for Private Postsecondary Education (BPPE). Students are eligible for STRF relief if they are or were California residents (or were enrolled in a residency program), and a) prepaid tuition, and b) suffered an economic loss, as described under STRF Disclosures.

For complete information regarding the California Student Tuition Recovery Fund, please visit: <https://www.bppe.ca.gov/lawsregs/regs.pdf>. Students can also find information at: <https://www.bppe.ca.gov/students/strf.shtml>.

STRF Fee

Each eligible student will be assessment fifty cents (\$0.00) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is zero dollars (\$0.00).

This fee is charged upon initial enrollment and due with the student's first payment.

The Student Tuition Recovery Fee (STRF) is non-refundable if a student withdraws from a program on or after the first day of enrollment.

Students may be exempt from paying this fee if they are:

- a) Not California residents at the time of instruction (or not enrolled in a residency program that takes place in California), or
- b) If their total charges were paid by any third-party, such as an employer, government program, or other payer, and such payment is not expected to be repaid by the students.

STRF Disclosures

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of no collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number

Scholarships and Grants

Southern States University offers one (1) scholarship at this time.

Employee Tuition Scholarship Program

The Employee Tuition Scholarship Program (“ETSP”) allows for Southern States University Employees in good standing to complete courses and programs administered by their employer tuition-free.

Initial Eligibility Requirements:

To qualify for the ETSP, the employee must:

- be a full-time or part-time permanent employee who has worked continuously for the institution for a minimum of three (3) months, and
- formally apply to and be accepted into their desired course or academic program of study under applicable admissions criteria as published in the Academic Catalog. The Application Fee will be waived.

NOTE: SSU student workers are not eligible for this scholarship.

Once accepted:

- the employee will be responsible for the payment of all student fees and procurement of all necessary textbooks and course materials, and
- the employer will pay all tuition charges on a term-by-term basis until course or program completion.

Scholarship payments will be suspended or revoked under the following circumstances:

- The student's employment with the institution terminates;
- The student is placed on academic probation;
- If the non-scholarship portion of the student's payment plan becomes past due in excess of 30 days; or
- If the student is found guilty of academic misconduct.

Grants

Grants are non-refundable awards that may be made to students in need in order to assist with paying university tuition and fee expenses. Should SSU receive grant funding, the funds will be applied as directed by the grantor and recorded as a credit toward the student's financial obligations with SSU.

Policies and Procedures

Student Administration Policies and Procedures

Class Progress Policy

To successfully pass courses at SSU, students must successfully meet the minimum attendance requirements, and receive passing grades on all assignments, exams, activities, and course project components.

Attendance

As regular attendance and academic achievement are closely linked, University policies concerning student attendance are necessary for ensuring students are meeting the terms of satisfactory academic progress. It is the policy of the University that once a student is registered in a course, the student is required to be regular and punctual in class attendance throughout all class sessions. Being absent or being late to a class DOES NOT excuse the student from learning course material, from submitting required assignments on time, from gaining participation points and/or from fulfilling other course requirements. **When students are absent, they must immediately notify their instructor(s) in writing.** Absences are counted from the first official meeting of the class regardless of the date of a student's enrollment. Consequently, a student who registers late must carefully monitor their regular attendance during the remainder of the term.

At SSU more than 2 absences in a course is considered excessive. Students who have more than 2 absences in a class will need to provide official documentation to their instructor explaining the absences due to legitimate mitigating circumstances (e.g., death in the family, sickness of the student, car accident, etc.); otherwise, failure to properly notify their instructor with official documentation requesting the excused absences will lead to an "F" grade regardless of the work completed. In addition, **the maximum number of combined excused and unexcused absences is 4.** Students that have more than 4 combined excused and unexcused absences will receive a failing grade ("F") regardless of the work completed.

Regarding online courses, the attendance policy above applies in the same manner. Students are required to participate every week in their online course(s) by accessing all the required reading material and assignments made available for a course through the school's online course management system and by submitting or completing the weekly assignments by their due dates. Students that do not submit or complete the required assignments (including online discussions) will be marked absent for the entire week in which those assignments were due.

Withdrawal from a Course

In order to withdraw from a course, the students must obtain a Withdrawal Form and submit it to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

Leave of Absence

All students are eligible to file a Leave of Absence Request if they have completed at least one (1) quarter at Southern States University. Southern States University students who wish to take a Leave of Absence for medical or some other unexpected circumstance may do so by submitting a Request for Leave of Absence Form by the add/drop deadline each quarter to the Officer of the Registrar. The

maximum period allowed for a Leave of Absence is 12 months but subject to the Maximum Time Frame policy of a program.

Students who take a leave of absence may encounter class scheduling challenges when they return due to the interruption in their program leading to finding classes at a different SSU campus location.

Special Considerations for International students attending school on an F-1 visa:

- As a rule, such students must complete at least one (1) academic year of courses before taking a leave of absence. An academic year is defined as 3 consecutive quarters.
- Generally, such students may request no more than one (1) quarter of leave.
- Students who have either been SSU students for less than one (1) year or who may need more than one (1) quarter of leave from their studies should consult with the Designated School Official (DSO) to see if any exceptions apply.

Voluntary Withdrawal from the University

In order to withdraw from a degree or certificate program, a student must submit a Withdrawal form to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

If the student has the need to withdraw during the course of an academic quarter, the student must complete a Withdrawal Form, as described in the preceding paragraph, and must indicate on the form that he/she is withdrawing from classes in progress and agrees to pay the fees associated therewith. See the Payments and Refunds section of this catalog to determine if a refund applies.

Transfer to another Institution

Transfer requests are formalized with a Withdrawal Form. This form should be completed before the first day of the academic quarter.

If international students are not in good academic standing at the time of their request to transfer, their SEVIS record will be terminated and transferred out to the new institution.

International F1 students must consult with a DSO prior to withdrawing from any courses. Without being admitted to a new institution an F-1 student cannot decide to stop attending classes at SSU. Such action would be a violation of the student's immigration status, and SSU would be required to terminate the student's SEVIS record. Once this occurs, the student would need to apply for re-instatement at the institution he/she wishes to transfer to.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the coursework you earn in any of SSU's Educational Programs is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending SSU to determine if your coursework will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

Administrative Dismissal

A student may be administratively dismissed from classes because of non-payment of tuition or fees.

A student may be administratively dismissed from a program or a class because of disruptive or unacceptable behavior.

Students administratively dismissed from classes during a term for any reason are required to pay for the cost of the classes that have passed as if the dismissal were a withdrawal but are not required to pay drop fees. If the administrative dismissal occurs after the Withdrawal Deadline for the quarter, the student is required to pay for the entire term.

A student may be dismissed from the university due to failure to maintain communication with the university for a period exceeding 12 or more months.

Students have the right to appeal such actions taken by University administration. Regulations governing original hearings and appeal rights and procedures are designed to give maximum protection to both the individual and the University.

To appeal an Administrative Dismissal a student must submit a Request for Administrative Determination to the Chancellor within 15 days after they have been notified of their dismissal. This Request must be in writing and must include any and all evidence and documentation regarding the circumstances of the student's dismissal, any events or situations that had direct implications on this dismissal, and the grounds of appeal on the specific factor that may have received insufficient consideration. These grounds may include, for example:

- 1) legitimate mitigating circumstances (i.e., death in the family, sickness of the student, etc.)
- 2) an inconsistent or inappropriately harsh penalty
- 3) incorrect use of the disciplinary procedure.

A ruling on the appeal will be issued within 15 days following receipt of the written documentation. The decision of the Chancellor is final and cannot be appealed.

Student Records, Privacy, and Information Security Program

At Southern States University, nothing is more important to us than the success of our students and website users, including the protection of their personal data. With students and users from all around the world, the University adheres to the following records, privacy, and information security regulations:

- Family Education Rights and Privacy Act (FERPA),
- Gramm-Leach-Bliley Act: Sections 501 and 505 (b) (2),
- FTC regulations: 16 CFR 313.3 (n) and 16 CFR 314.1-5
- US Code: 15 USC 6801 (b), 6805 (b) (2)
- European Union's General Data Protection Regulation (GDPR).

Southern States University has designed the information security program under the direction of the Director of Administration and in collaboration of the Office of the Registrar. The Director of Administration is the officer responsible for oversight, revision, and maintenance of the University's security program. The Office of the Register is responsible for collecting and maintaining official academic records for all applicants and students admitted to Southern States University and promotes student success beginning with the student's application to the University and concluding with graduation from SSU.

All documents submitted to the University become the permanent possession of SSU and cannot be returned to applicants and students under any circumstances. Applicants and students are encouraged to make copies of important documents and maintain said copies for their personal files. Holds may be placed on student records, transcripts, grades, or registration because of financial or other obligations to the University. Satisfaction of holds is required before a release is granted.

The Office of Admissions and Records for all students is maintained at the University office in San Diego, CA. Requests for information should be sent to SSU Admissions and Records, 1729 5th Avenue, San Diego, CA, 92101 or registrar@ssu.edu.

For information on how SSU follows the protections of the Gramm-Leach-Bliley Act and the General Data Protection Regulations, as well as the policies and procedures used by SSU to safeguard information, visit <https://www.ssu.edu/privacy-policy/>.

FERPA: Confidentiality and Release of Student Records

Southern States University adheres to the regulations and guidelines outlined in the Family Education Rights and Privacy Act (FERPA) of 1974. Under FERPA, school officials may not disclose personally identifiable information, nor permit inspection of student records without written permission from the student (unless such action is covered by exceptions permitted by the Act), and students are permitted to inspect their personal education records.

Education records are any records, with certain exceptions, maintained by University that directly relate to a student's education. This includes any and all information, maintained in any medium, that is directly related to students and from which students can be personally identified. The following are considered part of a student's educational record:

- Letters of recommendation (Note: students do not have the right to inspect these letters unless the author of the recommendation has granted such a waiver.)
- Student enrollment, registration, and course completion data, including course assignments and final grades
- Student applications forms
- Student transcripts from previously attended institutions, including high school and other colleges and universities
- Directory Information

Access to Academic Records and Information:

Under FERPA, students and former students have the right to inspect and review their personal student educational records within 45 days of the day the University receives a request for access. Students also have the right to request an amendment of their educational records that are believed to be inaccurate or misleading, and the right to consent or revoke the disclosure of all or part of their educational records, including Directory Information.

- Students should submit a written request to the Registrar specifying the record(s) they wish to inspect. The Registrar or Registrar's designee will make arrangements for access and notify the student of the time and place where the records may be inspected.
- Students seeking to amend or contest content within their student record. Students may request a determination regarding changes to their records. Such requests must follow the Academic Grievance and Appeal Policies and Procedures. Upon receipt of the request, the Registrar will initiate a review, consulting with any appropriate University official and/or forwarding the

request to such officials when necessary. A decision regarding the request will be rendered within 30 days except where a request may require additional pertinent information or verification from an outside agency or party, in which case the decision will be rendered within 30 days after receipt of such information. If a material error in the record is established, or an update is warranted, a change or correction will be made.

- Students wishing to disclose their record to a person or entity other than themselves must provide SSU with a written release to that third party.

Students have the right to consent to the disclosure of personally identifiable information (PII) contained in their educational records, except to the extent FERPA authorizes disclosure without consent, as listed below:

- Disclosure of information to school officials is limited to the needs of the official to execute their official duties and under the existence of a legitimate educational interest. A school official is a person employed or appointed by the University to serve as an administrator, faculty member, or as support staff; a person or company with whom the University has contracted, or a student serving on an official committee (such as a disciplinary or grievance committee) or assisting another school official in performing his or her tasks.
- Law enforcement may access student records under a subpoena.
- Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll. (Note: FERPA requires that the University make a reasonable attempt to notify the student of the records request).
- Accreditors and regulatory organizations that have a right to inspect student records without explicit student consent to the extent that the accrediting and regulatory organizations need the record in order to carry out their official evaluation or function.
- Students wishing to authorize another party (e.g., spouse or financial sponsor) to access personal and specific student data, must submit a written notification to the University with the full name of the person or agency and what information may be disclosed. Named parties must know PII regarding the student before any University official will discuss student records with the named party.
- Nonimmigrant students are not covered by FERPA with respect to information collecting and releasing information to federal agencies with respect to SEVP/SEVIS. The Illegal Immigration Reform and Immigration Responsibility Act (IIRIRA) of 1996, states: “The Family Educational Rights and Privacy Act of 1974 [20 U.S.C. 1232g] shall not apply to aliens described in subsection (a) of this section to the extent that the Attorney General determines necessary to carry out the program under subsection (a) of this section.”

Directory Information

In accordance with FERPA, schools may disclose what the institution has deemed “Directory Information” to third parties without student consent. Southern States University has designated the following information as “Directory Information” within the provisions of 34 CFR § 99.37 and the applicable regulations as this information is generally not considered harmful or an invasion of privacy if released. Directory information is provided upon request in accordance with state and federal laws and statutes.

- Student name,
- state of residence,
- email address,

- program of study,
- registration status (active, inactive, probation, dismissal, or graduate)
- enrollment status (full-, part-time, or LOA),
- dates of attendance,
- credentials, honors, and awards received, and
- the most recent educational agency or institution attended.

Additional Directory Information of Student Employees:

- Department where employed, and
- Job title. (i.e. Administrative Assistant, Marketing Assistant, Student Ambassador)

Students have the right to refuse to allow the University to release any or all of this information as directory information. Students wishing to withhold Directory Information must submit a signed written request to the SSU Office of Admissions and Records, Attn: Registrar.

In accordance with the Family Educational Rights and Privacy Act (FERPA), personally identifiable information in education records may not be released without prior written consent from the student.

Some examples of information that WILL NOT BE RELEASED without prior written consent of the student are:

- | | |
|-----------------------------|--------------------------|
| • birth date | • marital status |
| • citizenship | • SSN |
| • disciplinary status | • student I.D |
| • ethnicity | • Grades and exam scores |
| • gender | • Test scores |
| • grade point average (GPA) | |

The University will not release personally identifiable information from a student's education records without the student's prior written consent. Notwithstanding this policy, exceptions may be made for authorized officials of State or Federal agencies, if and when such access is necessary for audit or evaluation of educational programs supported by such agencies.

Records Retention

Student records will be retained according to the following schedule:

- For students who apply to the University but take no further actions with the university (including registration and enrollment), the minimum retention period is one (1) year after the application term.
- For students who enroll, all student records are stored permanently, including transcripts.
- It is the policy of the University that any record or documentation submitted to the University will not be returned to the applicant or former student.

Student Verification and Identity Verification

All students must verify their student I.D. number as a form of a personally identifiable information with any university official or faculty before any student record information will be discussed or released over the phone, in person, or via email with a student. Please note that students asking for an official transcript need to request it in writing by submitting the Official Transcript Request Form to the Registrar. Students wishing to disclose their record to a person or entity other than themselves must provide SSU with a written release to that third party (refer to FERPA section above).

Policy for Online Student Verification

According to the U.S. Higher Education Opportunity Act of 2008, Southern States University needs to verify that a student who registers in our online course management system, Moodle, will be the same student who completes all course assessments as given in a course. At Southern States University, students in online and onsite courses are required to use Moodle, a secured online portal requiring a unique username and password, using the assigned Moodle username as given at the time of admissions at the University. Consequently, individual instructors will be able to check the identity of a student by checking a student's activity record on Moodle which contains the IP address, login and access dates, and specific time spent on Moodle under different activities, such as online exams. There are no additional charges for this online verification process.

Student Identity Protection

Upon admission, students will be assigned a Moodle account. Students must provide the University with a full name and email address which will be used for the creation of a student's account on Moodle. A student's name will be made available to other students enrolled in a course on Moodle; however, email addresses will not. A student on Moodle will have the option of making his/her own email address available to the rest of the participants in a class by setting his/her own profile on Moodle. There are no additional charges for this online identity protection setting.

Student Responsibility

A student enrolled in an online or onsite course through Moodle is expected to follow the University's academic honesty policy. Cheating and plagiarism (using someone else's ideas, writings or materials as one's own without acknowledgement or permission) can result in any one of a variety of sanctions. Such penalties may range from an adjusted grade on the particular exam, paper, project, or assignment to a failing grade in the course. The instructor may also summarily suspend the student from the class when the infraction occurs. For further clarification and information on these issues, please consult with your instructor.

Academic Policies and Procedures

Course Types Offered

Southern States University places courses into two or three categories within a specific program of study: core, elective, and general education (where applicable). Each course may be applied to one or more of these course types based on the specific graduation requirements of each distinct academic program of study.

Core Courses

Courses designated as "Core" are those that are required for a given program of study. Undergraduate students must achieve grades of "D" or better in all core courses in their program of study. Graduate students must achieve grades of "C" or better in all core courses.

Elective Courses

Elective courses are taken by students seeking to fulfill credit requirements for their program of study that are not explicitly required for program completion. To apply the course to degree completion, the course must be directly applicable to the Program Learning Outcomes. Elective course grades earned must be "D" or better for undergraduate students or "C" or better for graduate students. Students are encouraged to discuss their elective course options with their Academic Advisor before enrolling.

General Education for Undergraduate Students

General education courses are intended to provide students with broad knowledge in English, mathematics, speech, historical, social, economic, scientific, and philosophical studies. The general education requirements help to develop skills and competencies that enhance both academic, personal, and professional success. Students must achieve grades of “D” or better in all general education courses in order for those courses to count toward graduation requirements.

General Education Learning Outcomes (GELOs)

GELO 1: Apply written communication skills in a professional setting.

GELO 2: Demonstrate oral communication skills for presenting ideas in front of a diverse audience.

GELO 3: Apply quantitative reasoning skills for analyzing information and facts in a complex world.

GELO 4: Utilize information literacy skills for gathering scientific underpinnings, facts, and information.

GELO 5: Apply critical thinking skills for making well-informed decisions.

Definition of General Education Subjects

English Composition

Courses in English Composition enhance the ability to read and listen critically and to communicate ideas, feelings, information, and knowledge. The skills learned in these studies also enhance the ability to evaluate, solve problems, and make reasoned decisions. College-level English is the only discipline considered to fulfill this requirement.

Human Communication

These courses develop and improve effective communication skills and use logical thought processes to communicate and express results. Through the use of effective resources, students can interpret and analyze problems, evaluate answers, make judgments, and enhance general knowledge. Disciplines considered for fulfilling this requirement include communication, speech, and world languages.

Natural Sciences (Life or Physical)

These courses help develop awareness, appreciation, and understanding of the relationships between the world of natural phenomena and human activities. The use of the scientific method will be used to investigate and judge naturally occurring phenomena and the various roles of humankind in nature. Courses include astronomy, biology, chemistry, general physical science, geology, meteorology, oceanography, physical geography, physical anthropology, and physics. Other natural science courses may be considered.

Humanities

Courses in humanities encompass a study of the human condition with the use of analytic, critical, and speculative methods. These courses develop awareness and response regarding the ways people, both past and present, use thought, language, and communication concepts regarding individual, social, and cultural values, beliefs, and traditions. Courses include visual art, history, literature, performing arts, and philosophy.

Social, Behavioral, and Political Sciences

Social, behavioral, and political science courses focus on people as members of society and promote the appreciation of how institutions, groups, and individuals in societies operate and stimulate critical thinking regarding the actions and response of a given society. These courses focus on the interaction of social, economic, political, geographic, linguistic, religious and cultural factors, with emphasis on the ways

humans understand the complex nature of their existence. Disciplines considered for fulfilling this requirement include cultural anthropology, cultural geography, economics, linguistics, political science, psychology, sociology, ethics, and world civilizations.

Mathematics

Courses in mathematics and quantitative reasoning will cover the science of numbers, symbols in place of numbers, and their operations, interrelations, combinations, generalizations, and abstractions and of space configurations and their structure, measurement, transformations, and generalizations to solve equations with supporting explanations. Students must take and pass elementary, college or intermediate algebra, the equivalent, or higher-level mathematics and quantitative reasoning course to fulfill this requirement.

Grading and Grading Systems

Undergraduate and Graduate Grading Scale

Grade	Percentage from Total Work Earned	Undergraduate Definition	Graduate Definition	Grade Points
A	94-100%	Exceptional	Excellent	4.0
A-	90-93	Excellent	Very Good	3.7
B+	87-89	Very Good	Good	3.3
B	84-86	Good	Average	3.0
B-	80-83	Above Average	Below Average	2.7
C+	77-79	Average	Passing	2.3
C	74-76	Satisfactory	Minimum Passing	2.0
C-	70-73	Below Satisfactory	Failing	1.7
D	60-69	Minimum Passing	Failing	1.0
F	<60	Failing	Failing	0.0
W		Withdrawal		N/A
IP		In Progress		N/A
P		Pass		N/A
NP		Not Pass		N/A
I		Incomplete		N/A
T		Transfer Credit		N/A
AU		Audit		N/A
(R) or *		Repeated Course		N/A

Grade points listed as "N/A" are not included in the GPA calculation.

Explanation of Special Grades

- **W** - Withdrawal. Students will be issued a "W" when students withdraw from a class after the seventh day of the quarter start date or after 25% of course completion timeframe, but before 75% of course completion timeframe, whichever occurs first. Withdrawals remain on the transcript, and no grade points are assigned. "W" is a permanent grade.
- **P** - Pass. Indicates credit granted with no grade points being assigned.
- **NP** - Not Pass. Indicates no credit or grade points being granted.
- **IP** - In Progress. Upon the processing of student transcripts, if a course is in progress and/or a final grade has not been posted due to SSU processing, an In Progress ("IP") will be notated. Course notated with an "IP" are not included in the calculation of GPA.

- **I** - Incomplete. Given to students who have not completed mandatory assignments, quizzes, or examinations, at the discretion of the instructor. An incomplete grade will only be given to students who have completed at least seventy percent (70%) of a course and cannot continue due to unforeseen circumstances. Final discretion is given to the instructor as to whether this grade is appropriate. Incomplete grades must be removed no later than one quarter following the quarter in which the “I” is granted. An “I” not removed within one quarter will become an “F”. No grade points are assigned for an “I” grade. An “F” will be calculated into the grade point average.
- **T** - Transfer. This grade is noted for transferred credit; no grade is assigned for each transferred class, and the credit is not calculated into grade point average.
- **AU** - Audit. Students who do not wish to earn a letter grade and wish to take a course for personal enrichment may take the course for no credit. Audited courses are subject to the current tuition and fees. Students auditing a course may not request that an “AU” be changed to a letter grade. Audited courses are not counted toward academic progress and are not calculated into the grade point average.
- **(R)** or *****– Repeated courses will be annotated on student transcripts with the awarded letter grade preceded by (R) or an asterisk *. Credit for a repeated course is given only once, but the grade assigned at each enrollment shall be permanently recorded on the Official Transcript.

Repeated courses affect academic progress as follows:

- Cumulative Grade Point Average - Only the most recent grade counts in the student’s Cumulative GPA, regardless of grade earned. Grades earned at Southern States University remain counted in the student’s grade point average if the course is repeated at another institution.
- Cumulative Completion Rate and Maximum Time Frame - When a course is repeated, each course attempt will be counted as attempted hours.

Grade Point Average

Quarter Grade Point Average (GPA)

Quarterly GPA is calculated from all courses completed in the same academic term (e.g. Fall, Winter, Spring, Summer) for which the student is assigned grade points, as presented in the SSU Grading Scale, and then using the following process:

1. Multiply the number of credits for each course by grade points associated with the grade earned,
2. Total the grade points earned for all the courses attempted,
3. Divide the total grade points earned by the total number of credits for those classes.

The Quarterly GPA is used to determine recognition for the Chancellor’s List and in assessing Satisfactory Academic Progress (SAP). See section on Satisfactory Academic Progress.

Cumulative Grade Point Averages (CGPA)

A student’s cumulative grade point average is calculated from *all* courses for which the student is assigned grade points, as presented in the SSU Grading Scale, and then using the following process:

1. Multiply the number of credits for each course by grade points associated with the grade earned,
2. Total the grade points earned for all the courses attempted,

3. Divide the total grade points earned by the total number of credits for those classes.

The Cumulative GPA is used to determine graduation honors and program graduation requirements.

Grade Appeals Policy

The University recognizes Faculty's authority to determine student grades. Faculty are required to articulate and document their course requirements and standards of performance in their course syllabi. All grades submitted to the Registrar, reflecting these articulated course requirements and standards of performance, are assumed to be accurate and final.

To alter a student's grade, Faculty must submit the Grade Change Request Form to the Registrar. Changes may only be submitted for errors that were conducted during the summation or transmittal of final grades. "I" or Incomplete grades can be changed no later than one quarter following the original course completion date. Grades may not be altered/changed based on work turned in or revised after grades have been submitted (excluding grades of "I" or Incomplete).

If a student has an issue about an assigned grade, the student should first consult with the Faculty. If, at the conclusion of any such consultation, the student does not believe the issue has been resolved and believes there are legitimate grounds for appealing the grade, the student may file a formal Grade Appeal.

A formal Grade Appeal can be filed when a student can document any of the following:

- An error in calculating the grade has occurred, including situations in which properly and timely submitted assignments have not been accounted for;
- There has been a failure of the Faculty to properly notify students of the course requirements and standards of performance;
- A student's grade is the result of any unlawful discrimination or sexual harassment as comports with the University's policies regarding discrimination.

To be considered, a student's Grade Appeal must be submitted within one academic quarter after the grade has been submitted and must include any and all evidence and documentation that demonstrates the occurrence of one (or more) of the above-listed grounds for appeal.

A student may file a formal Grade Appeal by submitting a Grade Appeal Form to the Chief Academic Officer detailing the reason or reasons for the appeal of the grade (as articulated above) and including any supporting documentation. The burden is on the student to prove the existence or occurrence of one (or more) of the grounds for appeal.

Grade Appeals will be forwarded to Faculty for a response, and this response must be submitted to the Chief Academic Officer within 10 days of receipt. A final decision by the Chief Academic Officer will be rendered within 30 days of the receipt of the Faculty's response. The decision of the Chief Academic Officer is final and cannot be appealed.

Course Repeat Policy

Students may be required to, or may choose to, repeat a class in order to improve academic performance. Undergraduate students may repeat up to four courses, Graduate students may repeat up to two courses, and Certificate students may repeat up to one course. Classes may only be repeated one time. Students may not repeat courses in which a grade of “B” or better has been earned. The new grade will be included in the GPA computation; the old grade remains but will not affect the GPA. Students will be charged the full tuition rate when repeating a course.

Scholastic Honors

SSU values students for their academic achievements. The following are scholastic achievements that are recognized:

Chancellor’s List

At the conclusion of every quarter, students who earn a GPA in that respective quarter of 3.8 or above will be placed on the Chancellor’s List with a notation on their official University Transcript.

Graduation with Honors

Graduation with Honors is available to students whose academic record indicates superior achievement. Earned honors are noted on official University Transcripts.

- Graduate degree students who earn a GPA of 3.8 or above will earn “*Honors.*”
- Undergraduate degree students who earn a GPA of 3.5 to 3.7 will graduate earning Latin honors of “*Cum Laude.*”
- Undergraduate degree students who earn a GPA of 3.8 to 3.9 will graduate earning Latin honors of “*Magna Cum Laude.*”
- Undergraduate degree students who earn a GPA of 4.0 will graduate earning Latin honors of “*Suma Cum Laude.*”

Student Standing

Students attending Southern States University are categorized by enrollment status, financial status, and academic standing: satisfactory academic progress (SAP). All active students are expected to maintain satisfactory academic progress in their academic program of study and maintain positive financial standing.

Enrollment Status

Active SSU Students are placed into one of two (2) categories of enrollment: full-time or part-time.

- Full-time enrollment per term consists of:
 - Graduate degrees and certificates: minimum of 2 graduate courses
 - Undergraduate degrees and certificates: minimum of 3 undergraduate courses
- Part-time enrollment per term is considered for those students that enroll in less than the minimum required for a full-time basis in their program.

Note: Students who are not enrolled in the current or next academic term are considered to be “Inactive” unless if an official Leave of Absence Request is submitted.

Enrollment Status for F1 students

In order to comply with the requirements of a student visa (F-1), an F-1 visa holder needs to enroll as a full-time student every term. Exceptions apply if an F-1 student is granted an official Leave of Absence.

In addition, F-1 students are allowed to enroll in no more than 1 online course per quarter as part of their minimum full course of study requirement; that is 1 online course worth 4.5 quarter credits or 3.0 semester credits for undergraduate students and 4.0 quarter credits or 2.67 semester credits for graduate students.

Financial Standing

All current students, former students, and graduates of SSU are assigned a financial standing based on the balance of their financial account with the University. Students, former students, and graduates are in good financial standing when their account is paid in full through the Student Financial Services Office or when students are current with their payment plans. Students must be in good financial standing in order to access their online course platform, register for future courses, receive diplomas, and/or other forms of recognition or recommendation from the University.

Students will have a “Financial Hold” placed on their account if their account with the university has an outstanding balance or students are late with their payment in accordance with their approved payment plan, which includes but is not limited to deferred payment accounts that become past due. A late payment fee will be charged to all student accounts that become past due. Current students will be subject to a dismissal if they have an unpaid account past 30 days. International Students with a dismissal face jeopardizing the status of their F1 Visa.

Academic Standing

All students must be progressing toward completion of their academic program of study while maintaining a satisfactory GPA (Satisfactory Academic Progress) and within a defined time period Maximum Time Frame.

Satisfactory Academic Progress (SAP)

Academic progress is assessed by: (a) cumulative grade point average (GPA), and (b) the Maximum Time Frame.

Cumulative Grade Point Average (CGPA) and SAP

All students accepted into an SSU program of study must maintain an undergraduate cumulative grade point average (GPA) of 2.0, a graduate cumulative grade point average (GPA) of 3.0, and/or a “Satisfactory” student standing to remain in positive academic standing. If students fall below minimum standards of scholarship, the University will place the students on Academic Probation or Academic Dismissal.

Grades and SAP

- The following grades will lower the percentage of courses successfully completed because of their inclusion in courses attempted, negatively affecting GPA:

- ❖ **Undergraduate:** F or Failing
- ❖ **Graduate:** C-, D or F, which are failing grades
- ❖ NP or No Pass
- ❖ I or Incomplete
- Courses that have been audited or transferred from another institution are not calculated into the GPA for purposes of SAP.
- Students who complete or leave an SSU program and later seeks to complete a different SSU program should note that the credits and/or grades from the original program do not carry over to the new program when considering SAP.

Incomplete (I) and SAP

Incomplete (I) is given to students who, in the judgment of the instructor, are unable to complete the requirements of a course before the end of the quarter because of unforeseen circumstances and justifiable reasons. This grade is recorded on the student's transcript. An Incomplete (I) grade is not included in the calculation of the student's cumulative GPA. However, an (I) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (I) grade will be added to Total Units Attempted. To receive credit for the course, work must be finished within one quarter after receiving the Incomplete (I) grade. If the instructor who issued the "I" grade is no longer teaching, the Chief Academic Officer will determine the work needed to complete the course and assign it to an instructor who is currently teaching the same course. If the work was finished on time, the instructor must fill-out and sign the Grade Change Request Form and submit it to the Registrar within one quarter after the quarter when the Incomplete (I) grade was recorded. If however the work was not finished on time, an "F" grade will be posted on the student's transcript. Multiple Incomplete grades may lead to academic probation or dismissal from the University.

Repeated Course (R) and SAP

A student who is required to repeat a course must complete it within the maximum time frame and is charged tuition at the regular published rate. All course repetitions count as courses attempted for purposes of determining Satisfactory Academic Progress. The first grade earned in a repeated course is not included in the calculation of the student's cumulative GPA.

Audit (AU) and SAP

The grade of AU is awarded for courses taken for audit. Audit grades are not awarded unless the student is registered for audit. (AU) grades are not included in the calculation of the student's cumulative GPA. However, an (AU) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (AU) grade will be added to Total Units Attempted.

Withdrawal (W) and SAP

Students may withdraw from courses up to the Monday of the second week of classes without affecting their grade point average. Withdrawal from enrolled classes thereafter, with the proper withdrawal procedure, will result in a "W" grade recorded in the official transcript up to the allowed withdrawal deadline. A grade of "F" will be automatically entered in the grade report if the student does not withdraw by the withdrawal deadline. Withdrawal (W) grades are not included in the GPA.

Transfer Credit (TC) and SAP

Courses with a Transfer Credit (TC) grade are not included in the calculation of the student's cumulative GPA. However, transfer credits are included in the calculations of the Minimum Completion Ratio, and the Maximum Time Frame (MTF).

In Progress (IP) and SAP

A grade of IP on the academic record means that the student is currently registered in the course. An (IP) grade is not included in the calculation of the student's cumulative GPA. However, an (IP) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (IP) grade will be added to Total Units Attempted.

Passed (P) and SAP

A grade of Passed (P) on the academic record means that the student successfully passed the course. A Passed (P) grade is not included in the calculation of the student's cumulative GPA. However, a Passed (P) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with a (P) grade will be added to Total Units Attempted.

Not Passed (NP) and SAP

A grade of Not Passed (NP) on the academic record means that the student did not pass the course. An (NP) grade is not included in the calculation of the student's cumulative GPA. However, an (NP) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with a (NP) grade will be added to Total Units Attempted.

Incomplete and SAP

An "Incomplete" that is not removed and changed to a letter grade after the deadline for removing incompletes reverts to an "F" (failing) grade, which affect the student's cumulative GPA.

Change of Program and SAP

Students who change programs will not have their cumulative Grade Point Average carry over to the new program. Any courses that get transferred into the new program will be included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF).

Maximum Time Frame

In order to progress satisfactorily through an educational program, students must meet the following standards of Satisfactory Academic Progress (SAP) or they will be dismissed from the University.

1. All students must complete their program within the Maximum Time Frame (MTF), which is 1.5 times the expected time for program completion.
2. Maximum credit hours reflect the maximum allowable quarterly credits before a student is required to graduate or is disqualified from a program.
3. **Undergraduate** students must maintain a minimum cumulative grade point average (GPA) of 2.0 to meet graduation requirements. **Graduate** students must maintain a minimum cumulative grade point average (GPA) of 3.0 to meet graduation requirements. (See Grading section under Scholastic Rules, Regulations and Academic Policies for information on how to calculate GPA.)
4. Transfer credit does not affect the Maximum Time Frame.

5. Transfer credit does affect maximum attempted credits.

Program	Credits Required for Graduation	Maximum Time Frame	Maximum Attempted Credits
Bachelor's Degree	180	6 Years	270 Credit Hours
MBA	65	3 Years	97 Credit Hours
MSIT	56	3 Years	84 Credit Hours
Undergraduate Certificate	40.5	5 Quarters	61 Credit hours
GCert – BA	27	5 Quarters	40 Credit Hours
GCert – IT	26	5 Quarters	39 Credit Hours

The following measurements are used to determine Satisfactory Academic Progress:

1. A percentage of the Maximum Time Frame (MTF)
2. Minimum cumulative grade point average (GPA)
3. Minimum Successful Completion Rate (MSCR)

Program	Total Required Credits Attempted	Percentage of Total Required Credits Attempted	Minimum Cumulative GPA	Minimum Successful Completion Rate
Bachelor's Degree	45	25%	2.0	55%
	90	50%	2.0	60%
	135	75%	2.0	64%
	180	100%	2.0	67%
MBA	32	50%	3.0	60%
	65	100%	3.0	67%
MSIT	28	50%	3.0	60%
	56	100%	3.0	67%
Undergraduate Certificate	18	45%	2.0	60%
	40.5	100%	2.0	67%
CGert – BA	14	50%	3.0	60%
	27	100%	3.0	67%
GCert – IT	13	50%	3.0	60%
	26	100%	3.0	67%

Both the Minimum Successful Completion Rate and the Cumulative GPA are evaluated at the end of each academic year (an academic year is three quarters in which courses are attempted in each quarter). Additionally, the Minimum Cumulative GPA is evaluated at the end of every academic quarter.

Students who have reached 100% of their MTF are ineligible for Academic Probation and are subject to immediate dismissal from the University.

The MTF for completing an SSU certificate is 5 quarters as an enrolled student. Certificate students that take a leave of absence or are not enrolled in a quarter will have that quarter count as part of the MTF.

Academic Probation

Students who fail to abide by the terms of SAP will be placed on academic probation.

Undergraduate Students: A student in an undergraduate program must maintain an overall grade point average of 2.0 for all undergraduate work attempted. A grade point average of less than 2.0 will result in the student being placed on academic probation.

Graduate Students: A student in a graduate program must maintain an overall grade point average of 3.0 for all graduate work attempted. A grade-point average of less than 3.0 will result in the student being placed on academic probation.

When a student is placed on probation because of a substandard grade-point average, the student is required to meet with an Academic Advisor. A plan is made for improving the grade-point average to minimum standards for their academic level. Students are allowed two quarters to correct their academic deficiencies (if they do not exceed the Maximum Time Frame).

SAP Probation Status

A student may be placed on the following academic SAP statuses and must take the required action associated with each status. A student who is placed on academic SAP status, but meets the requirements in the subsequent quarter will return to good standing status. A student who does not meet the requirements in the subsequent quarter will be placed on the next status.

Good Standing:

Students are in good standing when the minimum CGPA and completion percentage of the SAP table is met or exceeded. Students in good standing are eligible to register for courses.

Quarter 1 Probation:

Students are placed on Quarter 1 Probation status following the first quarter the CGPA and/or completion percentage falls below the minimum of the SAP table. This status requires students to have their course schedules reviewed by the academic advisor and meet an academic advisor at least once within the quarter.

Quarter 2 Probation:

Students are placed on Quarter 2 Probation status following the second consecutive quarter the CGPA and/or completion percentage falls below the minimum of the SAP table. This status requires students to have their course schedules reviewed by the academic advisor. Students who are on Quarter 2 Probation status and still did not meet the minimum CGPA and/or completion percentage of the SAP table will be issued a Notice of Dismissal.

Dismissal:

Students who were on Quarter 2 Probation status and failed to meet the stated minimum CGPA and/or completion percentage of the SAP table are subject to dismissal. Dismissed students are not active students. Students may however appeal their dismissal in writing according to the Appeal process below. If the SAP Appeal reviewer finds merit in the student's appeal, the student will be placed on a first quarter reinstatement.

Reinstated SAP Probation:

A student who was reinstated following the approval of their SAP appeal will be reinstated for up to two additional quarters subject to the Dismissal Policy below.

Academic Dismissal

Students who are on Academic Probation will be dismissed from the University if they fail to abide by the terms of their Academic Probation and/or do not rectify their academic deficiencies in the time allotted. Per University policy, such students will be dismissed following the certification of grades by the University Registrar following the conclusion of the academic term.

Students may also be dismissed for failure to make Satisfactory Academic Progress (please see course Repeat policy).

For International Students: Students who have been dismissed for lack of Satisfactory Academic Progress will fall out of status, resulting in termination of their SEVIS I-20. Therefore, if an international student is notified of an SAP Dismissal the student must contact the DSO in conjunction with their status change.

Academic Dismissal Appeals Policy

Satisfactory Academic Progress (SAP) defines the standards that University students must meet to continue their studies; failure to meet these standards will result in dismissal from the University. Prior to being dismissed from the University, when a determination has been made that a student is not meeting SAP, that student will be placed on academic probation (see above section on Academic Probation for probationary terms). If the student fails to meet the terms of their academic probation and correct their academic deficiencies, they will be summarily dismissed from the University (SAP Dismissal).

If a student has been dismissed due to not meeting SAP standards, and wishes to appeal his/her dismissal, the student should first consult with his/her Academic Advisor. If, at the conclusion of any such consultation, the student does not believe there are legitimate grounds for their dismissal, they may file an SAP Dismissal Appeal with the Chief Academic Officer.

An SAP Dismissal Appeal is normally granted when a student can document that a) they have met the terms of their academic probation, and b) legitimate mitigating circumstances, beyond the student's control, were present which affected their academic performance (i.e., personal illness or accident, illness or accident of immediate family or family member, loss of housing, military duty, etc.). An SAP Dismissal Appeal must address the student's compliance with the terms of their probation and explain the mitigating circumstances that led to the substandard academic performance during the probationary period that resulted in their dismissal. Supporting documentation (e.g., doctor's notes, military orders, etc.) must be included with the appeal to substantiate the mitigating circumstances.

The Chief Academic Officer is looking for evidence that a student has met the terms of their academic probation and adequately identified and resolved the issues that led to their substandard academic performance before granting an appeal and permitting them to continue their studies on a reinstatement probationary quarter. Students should provide an explanation of how the circumstances have been

resolved, changed or will be different if they are reinstated and permitted to continue their studies. It is strongly recommended that a student meet with their Academic Advisor before submitting their appeal.

To be considered, a student's SAP Dismissal Appeal must be submitted within 15 days after they have been notified of their dismissal and must include any and all evidence and documentation. A student's appeal is considered complete when it is submitted, and students will not be permitted to supply any additional facts and/or documentation on their own volition; however, a student may be asked for additional information if it is deemed necessary by the Chief Academic Officer.

A final decision by the Chief Academic Officer will be rendered within 15 days of the SAP Dismissal Appeal submittal. The decision of the Chief Academic Officer is final and cannot be appealed.

The appeals process does not affect the maximum time frame. An appeal does not stop the clock on graduating within the specific time period.

Qualifying Appeals for Undergraduate Students

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary quarter. At the end of a student's reinstatement probationary quarter, the student will either: 1) be dismissed; 2) remain on reinstatement for one additional quarter; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
 - a. They withdrew from all courses during the quarter; or
 - b. The GPA for the reinstatement probationary quarter was below 2.0.
2. The student remains on reinstatement probation for one additional quarter if the student's GPA for the reinstatement probationary quarter was at least 2.0 but the student's cumulative GPA remains below 2.0. At the end of the second reinstatement probationary quarter, the student is dismissed if:
 - i. The student withdrew from all courses during the quarter; or
 - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 2.0.
3. The student returns to good standing if:
 - a. The student has completed the quarter; and
 - b. The student's cumulative GPA has improved to at least 2.0.

Qualifying Appeals for Graduate Students

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary quarter. At the end of a student's reinstatement probationary quarter, the student will either: 1) be dismissed; 2) remain on reinstatement for one additional quarter; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
 - a. They withdrew from all courses during the quarter; or
 - b. The GPA for the reinstatement probationary quarter was below 3.0.

2. The student remains on reinstatement probation for one additional quarter if the student's GPA for the reinstatement probationary quarter was at least 3.0, but the student's cumulative GPA remains below 3.0. At the end of the second reinstatement probationary quarter, the student is dismissed if:
 - i. The student withdrew from all courses during the quarter; or
 - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 3.0.
3. The student returns to good standing if:
 - a. The student has completed the quarter; and
 - b. The student's cumulative GPA has improved to at least 3.0.

Readmitted Students and MTF

Students that are re-admitted into their academic program will continue with their MTF from the last term of enrollment.

General University Policies, Procedures, and Disclosures

Southern States University has a diverse population of faculty, staff, and students. The following section lists policies regarding the Student Code of Conduct, academic integrity, academic freedom, drugs, alcohol, sexual misconduct, security and crime reporting, as well as the University's non-discrimination policy and emergency response and evacuation plan. The list is not exhaustive and is best viewed as a starting point to begin exploring specific issues that may be of concern.

Student Code of Conduct - Rights and Responsibilities

Students enrolled at Southern States University assume the obligation to conduct themselves in a manner compatible with the University's function as an educational institution, suitable to a member of an academic community. The University, therefore, expects its students to conduct themselves as responsible individuals, considerate and respectful of the rights and interest of others.

The University wants to provide the best possible learning opportunities for all students. Cooperation and respect among students, Faculty and administrative staff builds a positive learning environment. To encourage and maintain this environment, the University will act against any disruptive behavior that occurs in class or anywhere on the school grounds.

"Disruptive behavior" means conduct which prevents other students from learning or from doing the required class work. Words or actions that prevent Faculty from meeting the needs and goals of the class are also disruptive. Any action or word intended to hurt Faculty, staff, another student, or school property is also disruptive behavior.

The following is a list of some behaviors that are disruptive and therefore *unacceptable*:

1. Showing disrespect or lack of courtesy towards Faculty, staff, or other students
2. Refusing to complete assignments
3. Refusing to cooperate with Faculty or other students in class work or outside assignments

4. Refusing to bring the required textbook and materials to class
5. Sleeping in class
6. Denying other students an equal opportunity to participate in class
7. Arriving late to class repeatedly. This includes returning to class late after a break
8. Arriving at school under the influence of alcohol, illegal drugs or narcotics
9. On campus sale or use of alcohol, or on campus sale, use or knowing possession of illegal drugs or narcotics
10. Repeatedly speaking one's native language during class.
11. Disruption of the educational or administrative process of the University, by acts or expression
12. Physical abuse or threat of abuse to students, University employees, or their families
13. Verbal abuse or intimidation of students or University employees including shouting, use of profanity, or other displays of hostility
14. Violent behavior - any kind of physical violence or harassment will result in immediate dismissal from the program
15. Forgery, altering University documents, or knowingly providing false information
16. Theft of University property or the property of a University employee, student, or visitor
17. Vandalism or unauthorized destruction of University property or the property of a University employee, student, or visitor
18. Possession, use, or threats of use of explosives or deadly weapons on University property
19. Sexually explicit, indecent, or obscene behavior on University property or by any means of communication, including the Internet
20. Sexual harassment
21. Sexual assault
22. Trespassing in an area of the University where the student is not authorized to be, or failure to leave immediately an area when directed by an employee of the University
23. Using University equipment or networks to violate copyrights
24. Violation of other lawful policy or directive of the University or its employees or any action that would grossly violate the purpose of the University or the rights of those who comprise the University

When a violation has occurred, an incident report, including the date, time and circumstances of the alleged act must be submitted to the Academic Advisor on campus. The report will include a description of the actions of all the parties involved, the names of witnesses available and documentary evidence that supports the charge. The students suspected of committing any violation of University policy are accorded procedures consistent with fair process before disciplinary action is imposed. The disciplinary action may include an administrative dismissal from the University in which case the student is afforded the opportunity to appeal a dismissal in accordance with the procedures below.

Disciplinary Proceedings

SSU does not tolerate violence or other threatening conduct against any members of SSU community. This includes criminal acts against persons or property, as well as harassment based on sex, gender, race, ethnicity, or disability. SSU will impose strict disciplinary actions and appropriately involve law enforcement officials should any acts of violence or threatening conduct occur on school facilities or at school-sponsored events. This includes acts of violence against women.

SSU will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by SSU against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, SSU will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Dismissal from the University

Should a student be dismissed from the University for a violation of the Student Code of Conduct, such an individual will be issued a Letter of Dismissal in accordance with the policies and procedures published in the University's SSU Clery Report. On the date that the Letter of Dismissal is signed, the student shall immediately forfeit all the rights and privileges of being considered an SSU student, including but not limited to student standing and access to educational benefits provided through federal, state, and local government entities.

Academic Integrity

Academic Misconduct: The University does not condone acts that transgress universally accepted standards of academic integrity, including instances of academic misconduct. Academic misconduct consists of acts of academic dishonesty and academic fraud as defined below. There is no reason or rationale for academic misconduct, nor will the University permit any student to benefit or gain any advantage from any such misconduct.

Examples of Academic misconduct include, but are not limited to:

- Plagiarism - representing another author's ideas, writings or works as one's own or using another's ideas, writings or works without acknowledgment e.g., "cutting and pasting";
- Work that is submitted for one class and is used for another;
- Data fabrication;
- Copying or allowing work to be copied from (this includes examinations, and all written work);
- Unauthorized access to examination questions;
- Modification of examination results;
- Using unauthorized notes or communication devices that provide examination information;
- Individual misrepresentation (i.e. allowing someone else to take one's exam, or taking someone else's exam);
- Collaborating with others in work, contrary to the stated rules of an examination or assignment;
- Submitting work acquired through artificial intelligence (AI) including from platforms like ChatGPT, Grammarly, etc.; or
- Assisting other students in any of these acts.

If a student (or all students within a group e.g., a team working on a group project), has been found to commit academic misconduct, s/he may be subject to one of the following consequences, at the discretion of the faculty member, and/or a lower score on the particular assignment or examination:

- 1) An oral or written reprimand (presented to the student);
- 2) An assignment to repeat the work, to be graded on its merits; or,

- 3) A filing of an **Academic Misconduct Warning** reporting the incident to the Chief Academic Officer;
 - A copy of the Academic Misconduct Warning will be placed in the student's academic file.
 - If another Academic Misconduct Warning is filed during the student's course of study, s/he will be dismissed from the program.

If a student disagrees that an act of Academic Misconduct has occurred, they may appeal an Academic Misconduct Warning in accordance with the procedures below.

Academic Misconduct Appeals Policy

A student may appeal an Academic Misconduct Warning by requesting a *Determination of Academic Misconduct* from the Chief Academic Officer within 10 days of their written notification of such misconduct, which will be received via an Academic Misconduct Warning form. To request such a *Determination*, the student must send a letter to the Chief Academic Officer including an explanation of the conduct upon which the allegation is based, and why this conduct is *not* academic misconduct. An explanation of *why* the misconduct occurred does not constitute sufficient grounds for an appeal of an Academic Misconduct Warning.

A ruling on the appeal will be issued within 30 days following receipt of the written documentation provided by the student to support their request for a *Determination of Academic Misconduct*. The decision of the Chief Academic Officer is final and cannot be appealed.

In making a Determination of Academic Misconduct, the Chief Academic Officer may uphold the action of the Faculty, in which case the Academic Misconduct Warning will remain in the student's permanent academic file, or may decide that the conduct was not Academic Misconduct. If there has been a determination that the conduct was not Academic Misconduct, the Chief Academic Officer shall direct that all written reports of the misconduct be expunged from the student's academic file. In conjunction with directing that the misconduct report be expunged, the Chief Academic Officer may recommend to the Faculty that they reconsider any actions (such as lowering a grade) that have been taken with respect to the misconduct. However, because of the limitations of academic freedom, the Chief Academic Officer is not empowered to change any grade and may only make a recommendation of a grade change. In an instance in which a course grade has been lowered and the Chief Academic Officer has exonerated the student and made a recommendation for a grade change, but the Faculty chooses not to follow the Chief Academic Officer's recommendation, the Chief Academic Officer will prepare a written statement of the findings for inclusion in the student's academic file.

If this is a second incident of Academic Misconduct, the student will be notified of their dismissal. An appeal for a second incident of academic misconduct may also be filed in accordance with this Academic Misconduct Appeals Policy. If there is a determination that Academic Misconduct has not occurred, then the dismissal will be rescinded and all other terms of the policy with respect to exoneration will apply.

Academic Freedom

The governing board of SSU believes and encourages students, faculty, and staff to have the freedom of inquiry regarding courses, programs, and the University itself. This policy has been drafted in accordance with the interpretation of both the 1940 Statement of Principles on Academic Freedom and Tenure (including the 1970 Interpretive Comments) of the American Association of University Professors and in accordance with U.S. appellate court decisions.

Personal Expression on Public Issues

SSU employees (including both faculty and staff) and SSU students are free to exercise their full liberties as citizens or legal residents; including the right to express their personal convictions on issues such as social, economic, religious, and political subjects off University property. When speaking or writing as citizens, they are free from institutional censorship or discipline. However, SSU employees and students must refrain from giving any impression that their views and positions are those of Southern States University.

Academic Freedom for Faculty

Academic Freedom for faculty means that

- a) the faculty is free to speak within the confines of the University (on campus and in the classroom) and to communicate ideas or facts that are inconvenient to external political groups or authorities and may be considered controversial so long as what is presented to students directly relates to the specific subject matter of the course for which the faculty member is teaching,
 - In the event a faculty member's choice of course materials are challenged, the burden will be on the challenger to establish by material evidence that the challenged material is academically inappropriate for the course.
- b) the faculty may write in public regarding their subject to express their opinions without fear of University censorship or discipline, but they must show restraint and clearly indicate that they are not speaking for SSU, and
- c) faculty members are free to conduct research in their field and publish the results subject to maintaining adequate performance and fulfilling their academic duties. The Chancellor and the Chief Academic Officer must approve any research for pecuniary gain from such research if conducted on behalf of or in partnership with Southern States University.

Academic Freedom for Students

Academic Freedom for students means that

- a) students are free to pursue their own course of study, and
- b) students may take whatever courses they choose, at whatever educational institution they choose.

At Southern States University, students are regulated by the prerogative of the faculty to determine which viewpoints are supported by scholarly standards, peer-review, and established norms within their specific discipline(s). Additionally, students do not have the right to insist that faculty provide “equal time” for competing viewpoints.

Drug, Alcohol and Tobacco Policies

The following information is provided regarding University and campus policies prohibiting the unlawful possession, use or distribution of drugs, alcohol, or tobacco; sanctions relating to drug, alcohol, and tobacco violations by students or employees; federal, state and local laws and penalties for

drug and alcohol offenses; health risks associated with the use of drugs, alcohol abuse, and tobacco; and drug, alcohol, and tobacco, counseling, treatment, or rehabilitation or re-entry programs.

Members of the Southern States University Community are encouraged to review the current Annual Campus Security and Fire Safety Report, commonly referred to as the SSU Clery Report, available at [SSU Clery Report](#). Additional information includes SSU's Drug, Alcohol, and Tobacco Prevention Policy, Annual Information on Distribution, state and federal laws and violations (including the potential loss of financial aid), health risks, and a short list of known available state and national resources for treatment.

Drug-Free Campus Policy

SSU prohibits the possession, use, or distribution of illegal drugs on University property. Possession, sale, use, or distribution of controlled substances, including marijuana, is a violation of federal and/or state laws and University policy. Students and employees who violate state or federal drug laws will be referred by SSU to the appropriate authorities for criminal prosecution, and, if convicted, may be subject to suspension, termination, or expulsion from the University.

Southern States University prohibits the use, possession, and/or sale of marijuana in any form on all University campuses, while attending off-campus University-sponsored or endorsed events, and while conducting business on behalf of the University.

On November 8, 2016, California and Nevada voters passed measures legalizing the use of recreational marijuana among people over the age of 21. It is important to understand that passage of these laws does not change Southern State University's policy; marijuana remains prohibited on all University property and at all University events.

Notwithstanding state legalization, using, distributing and possessing marijuana remains illegal under federal law. The federal Controlled Substances Act criminalizes possession and distribution of controlled substances, including marijuana, with a limited exception for certain federally approved research. The Drug Free Schools and Communities Act and the Drug Free Workplace Act require that Southern States University, as a recipient of federal funding, establish policies that prohibit marijuana use, possession and distribution on campus and in the workplace.

Alcohol Policy

The possession, consumption, or sale of alcohol on campus or at SSU-sponsored activities is prohibited, unless specifically sanctioned by the University and allowed by state and local alcoholic beverage regulations. The use of alcoholic beverages in the following instances must be approved by the chancellor or any designated staff on campus and at functions sponsored by SSU.

Non-alcoholic beverages and food items must be available at the same place as the alcoholic beverages and readily accessible if alcoholic beverages are available. Advertisements for social functions may not describe the availability of alcohol as a promotional tool nor promote consumption of alcohol by minors. All persons must have proof of age at any activity involving the consumption of alcoholic beverages. If alcoholic beverages are served, the sponsoring organization must implement precautionary measures to ensure that alcoholic beverages are not accessible or served to persons under the legal drinking age or to persons who appear to be intoxicated. Individuals involved in the illegal use or distribution of alcohol are subject to arrest and University disciplinary action.

Smoke and Tobacco-Free Policy

The use of tobacco products (including but not limited to, cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco or all other tobacco products) as well as smoking or use of any smoking device (including but not limited to unregulated nicotine products), by students, faculty, staff, and visitors is strictly prohibited at all times on SSU owned or operated campus locations. In doing so all areas of the University are designated as “Tobacco and Smoke-Free Areas” in this Policy.

Reporting Crimes, Emergencies, and Safety Concerns

It is the policy of SSU that students and employees shall report any and all safety hazards, crimes, loss of property, significant illness, or injury to a Campus Director. Proper reporting facilitates the apprehension of criminals and assists in making the entire campus safe. All campus directors and senior administrators are mandated to report incidents to the University Chancellor and to coordinate with local law enforcement agencies to apprehend those who violate these regulations or commit crimes on campus. When necessary, SSU will press charges against criminal violators. SSU encourages crime victims, witnesses, and anyone who learns about a crime to report the crime or emergency promptly and accurately to the most appropriate authority.

Any person in immediate danger due to a crime or an emergency should call 9-1-1

Campus Contact Information

The following list of University Campus Personnel who are authorized points of contact at their respective campus. For questions about this report, please contact the appropriate point of contact.

Campus Location	Contact Person	Contact Title	Contact Phone Number
San Diego, CA	Denise Mastro	Director of Administration, Campus Director	(619) 298-1829 (619) 806-2309 (emergency only)
Irvine, CA	Beate Berg	Branch Campus Director	(949) 833-8868
Las Vegas, NV	William Doyle	Branch Campus Director	(702) 786-3788

All University students, faculty and staff, and other individuals who are part of the SSU community may also email campussafety@ssu.edu or [report an incident](#) on the SSU website.

Any Southern States University community member is encouraged to reference the [SSU Clery Report](#) for more detailed information regarding SSU’s policies related to the following topics:

- Additional emergency contact information of local law enforcement
- Safety Awareness and Crime Prevention
- Facilities and Campus Security
- Timely Warnings and Emergencies Notifications
- Emergency Response and Reporting
- Discrimination, Equal Opportunity, Harassment, and Retaliation Policies
- Campus Sex Crimes Prevention

- Reporting EEOC and Civil Rights Offenses
- University Ingestion, Disciplinary Procedures, and Sanctions
- Annual Campus Crime Report Statistics

In addition to local law enforcement, crimes may also be reported to Campus Security Authorities (“CSAs”). CSAs will not investigate the crime, but they submit reports to the University Chancellor, who will coordinate with local law enforcement when deemed appropriate. The University Chancellor assesses the information provided in the Campus Security Authority Crime Report, determines whether an immediate response is warranted, if a Timely Warning or Emergency Notification should be issued and determines appropriate follow-up.

Reporting Campus Health and Safety Concerns

Students, faculty, staff, and visitors to any University campus, facility, or event should immediately report health or safety concerns to the Chancellor or Branch Campus Director. If no one is available to meet you in person, please contact the main phone number for the local campus, email campussafety@ssu.edu, or [report an incident](#) on the SSU website.

Voluntary, Confidential Crime Reporting

All reports of crime or misconduct will be investigated, and all criminal violations of the law will be referred to law enforcement agencies. When a potentially dangerous threat to the campus community arises, timely reports or warnings will be issued through e-mail announcements, mass text messages, in-class announcements, or other appropriate means of communication.

If warranted, pastoral counselors and professional counselors must inform persons they are counseling of the procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. That being said, SSU does not employ any campus-based pastoral or professional counselors.

Sexual Misconduct, Harassment, and Related Crimes

As required by law and policy, Southern States University expressly prohibits domestic violence, dating violence, sexual assault, stalking, and harassment. Retaliation against an individual for the reporting, testifying, and/or otherwise assisting in the investigation of such incidents is also prohibited.

Comprehensive information regarding SSU’s policies and procedures relating to Sexual Misconduct Prevention and Awareness can be found by reviewing the [SSU Clery Report](#). Specifically, SSU community members can see information on the following topics:

- Procedures for Victims of Sexual Misconduct
- Discrimination, Equal Opportunity, Harassment, and Retaliation Policies
- University Ingestion, Disciplinary Procedures, and Sanctions

SSU Community members needing to report an instance of Sexual Misconduct are encouraged to file a report with the Campus Director or by emailing campussafety@ssu.edu, or by completing an referral form available at www.ssu.edu/reporting-an-incident.

Sexual Misconduct Policy

Federal and state laws define various violent and/or non-consensual sexual acts as crimes. Though some of these acts intersect with criminal law, Southern States University has defined categories of sex and gender harassment and/or discrimination as sexual misconduct, bias-based harassment of one's sex, gender, or related identity; intimate partner (dating and/or domestic) violence; non-consensual sexual contact; and/or stalking. Sanctions will be based on the facts and circumstances of the particular allegation and that acts of sexual misconduct may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved. Generally speaking, Southern States University considers Non-Consensual Sexual Intercourse violations to be of the most serious sexual misconduct offenses and therefore typically imposes the most severe sanctions, including but not limited to expulsion for students and termination for employees. However, the University reserves the right to impose any level of sanction, ranging from a reprimand up to and including expulsion or termination, for any act of sexual misconduct or other sex or gender-based offenses.

A full list of definitions used by Southern States University regarding Sexual Misconduct, including harassment and discrimination, are available at [SSU Clery Report](#).

University Grievance Policy

The University is committed to providing a learning and working environment in which complaints and grievances are addressed fairly and resolved promptly. As such SSU continuously strives to provide a fair and reasonable University governing system and is committed to ensuring that all University parties have access to the information they need regarding the University's policies and procedures. It is the intent of this policy to aid the University in providing a fair internal process for the resolution of academic, administrative, and operational disputes between and among students, staff, faculty, and administrators within the Southern States University community.

The formal policies herein are intended to be used only when matters cannot be resolved informally. SSU community members who feel aggrieved should first seek to resolve the issue through informal resolution at the unit, department, or campus level before filing a formal grievance under this policy. The procedures contained herein are not intended to be used to challenge the desirability of University Policies.

Two general types of complaints are addressed by this policy:

- Student Complaints
- Employee Complaints

Note that grades are not subject to grievance under this policy (see Grade Appeals in this Catalog).

For complaints related to the Sexual Misconduct, Harassment, and Retaliation policies, including ADA and EEOC complaints, SSU community members are encouraged to review the information presented in the SSU Clery Report and to use the appropriate SSU Misconduct and Grievance Referral Form available at www.ssu.edu/reporting-an-incident.

All Southern States University community members are encouraged to voice their comments and concerns so that the University can best serve all members of the University community.

Grievance Definitions

Grievance

A written complaint filed by a student of Southern States University against an employee or contractor of Southern States University or against a policy of Southern States University relating to a breach, misinterpretation, or misapplication of an existing University policy or established practice or protocol.

Student

Student is defined by US Code 5 USCS § 8101 as an individual training at an institution which is (b) a school or college or university which has been accredited by a State or by a State-recognized or nationally recognized accrediting agency or body. Such individuals are deemed not to have ceased to be students during an interim between school years if the interim is not more than 4 months and if they show to the satisfaction of the University that they have a bona fide intention of continuing to pursue a course of study or training during the semester or other enrollment period immediately after the interim or during periods of reasonable duration during which, in the judgment of the University, they are prevented by factors beyond their control from pursuing their education.

Faculty Member

A person who is employed or contracted by Southern States University to deliver curriculum to students. Faculty are categorized as either full-time or part-time faculty.

Academic Staff

A person who is employed by Southern States University to assist students in the delivery of curriculum, including but not limited to Academic Advisors, Librarian, Library Assistant, etc.

Administrative and Operational Staff

A person who is employed by Southern States University to assist in the administrative operation of the university in order to fulfil its mission. Such employees include but are not limited to the University Registrar, Bursar, Career Advisors, Information Technology personnel, and admissions staff.

University Administrator

A person who is the appointed head of an administrative or academic unit, campus director, chair, dean, officer, Provost, or Chancellor.

Policy

A written statement of protocols, principles, and procedures that govern the actions of University community members within or on behalf of the University, including written rules, bylaws, procedures, and/or standards.

Practice

Actions taken by University personnel (including staff, faculty, administrators, and contractors), based on customs or standards within the University that may be unwritten but of longstanding durations and for whose existence the reporting party can offer evidence. This can be viewed as formal or informal precedence.

Violation

A breach, misinterpretation, or misapplication of existing policy or established practice.

Confidentiality

All information submitted as part of a complaint will be treated as confidential and will only be available to the appropriate/involved parties. The complainants (reporting party) should also respect the need for confidentiality throughout the complaint process. An SSU community member who submits a complaint should be aware that complete confidentiality cannot always be guaranteed if effective action is to be taken. Where a complaint is in reference to a specific individual, the complaint cannot be investigated if the complainant does not wish the allegation to be made known to that individual. Anonymous complaints may not be considered. Confidentiality cannot be guaranteed if the complaints are related to the Sexual Misconduct, Harassment, and Retaliation policies, including ADA and EEOC complaints, as specified in the [SSU Clery Report](#).

University Grievance Procedure for Students

Students should use the following procedure for complaints about service, support, or assistance provided by academic, administrative, and operative departments of Southern States University as well as complaints regarding academic and non-academic appeals policies and procedures (except for grade appeals).

Level 1: Informal Complaint

Students should discuss their concerns with the person(s) who is directly responsible (e.g. course instructor, staff member, etc.) in order to resolve the issue. Depending on the severity of the issue, a written record may or may not be drafted and placed in the student's permanent record.

Level 2: Formal Complaint

If the complaint cannot be resolved to the satisfaction of the student at Level 1, the student should discuss the issue with their Campus Director. The Campus Director will consider the complaint and attempt to bring the issue to a satisfactory resolution.

In certain situations, the Campus Director may refer the complaint to an appropriate University administrator or University committee. The respective Administrator or Committee will consider the complaint and provide a written recommendation to the Campus Director.

The Campus Director will consider the proposed recommendation and notify the student in writing of the decision. Written documentation regarding the resolution will be placed in the student's file and maintained for a minimum of seven (7) years past the student's last date of attendance.

Level 3: Escalated Complaint

After following the steps above for Level 1 and Level 2 complaints, the student may submit a formal written complaint to the Grievance Committee by filing an SSU Misconduct and Grievance Referral Form, available at www.ssu.edu/reporting-an-incident. The complaint will be referred to the appropriate department head or administrator who will work with the Grievance Committee to investigate and proffer a resolution. The appropriate department head or Grievance Committee may reach out to the student to further discuss the grievance and draft resolution prior to finalization. This draft resolution must then be reviewed and approved by the University Chancellor in order to become binding and final. A written resolution response will be provided to the student once the resolution has been approved by the University Chancellor.

The original written complaint, any related documentation, a copy of the resolution response, and a description of any actions taken as a result of the complaint will be maintained on file for seven (7) years past the student's last date of attendance.

Level 4: Unresolved Complaints

If the student is dissatisfied with the final resolution as approved by the University Chancellor, they have the right to file a complaint with the California Bureau for Private Postsecondary Education at the address below.

University Grievance for Employees

This policy is intended to provide fair and prompt consideration to all employee complaints regarding issues and concerns related to working conditions, performance, policies, procedures, and/or problems or issues with co-workers or supervisors. The University encourages all employees to use the complaint procedure without fear of prejudice or retaliation and with the assurance that their confidences will be respected.

Human Resources will keep all expressions of concern, investigative findings, and terms of any resolution in confidence, unless otherwise required by law. It should be noted that in the course of investigation and issue resolution, some dissemination to others may be necessary and/or appropriate.

Level 1: Informal Complaint

Southern States University expects that each employee will attempt to resolve the conflict directly and informally. However, unresolved conflicts may be escalated to either Human Resources or to the employee's supervisor.

Level 2: Formal Complaint - Supervisor

If the complaint cannot be resolved to the satisfaction of the employee at Level 1, the employee should discuss the issue with their supervisor. The supervisor will consider the complaint and attempt to bring the issue to a satisfactory resolution.

In certain situations, the supervisor may refer the complaint to either Human Resources, an appropriate University administrator, or University committee. Human Resources, the respective Administrator, or Committee will consider the complaint and provide a written recommendation to the supervisor.

The supervisor will consider the proposed recommendation and notify the employee in writing of the decision. Written documentation regarding the resolution will be placed in the employee's file and maintained for a minimum of seven (7) years past the employee's last date of employment.

Level 3: Formal Complaint – Human Resources

After following the steps above for Level 1 and Level 2 complaints, the employee may submit a formal written complaint to Human Resources and the Grievance Committee by filing an SSU Misconduct and Grievance Referral Form, available at www.ssu.edu/reporting-an-incident. The complaint will be referred to Human Resources, which will enlist the assistance and review of the appropriate department head or administrator who will work with the Grievance Committee to investigate and proffer a resolution. The appropriate department head or Grievance Committee may reach out to the employee

through Human Resources to further discuss the grievance and draft resolution prior to finalization. This draft resolution must then be reviewed and approved by the University Chancellor in order to become binding and final. A written resolution response will be provided to the employee once the resolution has been approved by the University Chancellor.

The original written complaint, any related documentation, a copy of the resolution response, and a description of any actions taken as a result of the complaint will be maintained on file for seven (7) years past the employee's last date of employment.

Level 4: Unresolved Complaints

If the employee is dissatisfied with the final resolution as approved by the University Chancellor, they have the right to file a complaint with the California Bureau for Private Postsecondary Education at the address below.

Unresolved Complaints

If complaints cannot be resolved with the University after following the University's Grievance Procedures, the following agencies can be contacted directly.

California Bureau for Private Postsecondary Education

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling toll-free at (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet Web site at www.bppe.ca.gov.

Student Support Services

Academic Advising

The Academic Advising Office works with students to help match the university's resources to the needs and goals of students so that they get the maximum benefit from their university experience. Our office encourages and promotes student learning in a welcoming and supportive environment. We clarify university policies, procedures, and requirements to ensure student retention and timely graduation.

Academic advisors facilitate academic responsibility and competence by educating students to use resources effectively, seek and receive guidance on academic program planning, encouraging students to think critically and develop and complete action steps.

Why Academic Advising is Important

Advising is a process of helping students diminish the confusion that comes with a new environment to clarify their goals and get the most out of their educational experience. Academic Advising is a planning process that helps students to approach their education in an organized and meaningful way. It is a student-centered process that should result in the student gaining a clearer understanding of his/her goals and the experience of higher education. It is an information exchange that empowers students to realize their maximum educational potential.

Advising is available to help students

- Diminish confusion: prospective, new, continuing and transfer students

- Understand graduation requirements
- Develop an academic plan
- Discuss transfer credit
- Understand course prerequisites
- Inform academic probation status to avoid SAP dismissal
- Discuss leave of absence
- File grievances and complaints
- Process evaluation of prerequisite and prerequisite exceptions
- Plan your next quarter's schedule

What Are the Students' Responsibilities Regarding Advising?

General Catalog. Know your catalog year and be sure you know where the University catalog can be found (<http://www.ssu.edu/academic/general-catalogs/>). The General catalog establishes the requirements you must complete for graduation, as well as lists all university academic and administrative policies and procedures.

See your adviser regularly. Don't wait until you encounter a problem before seeing an adviser. Check your degree/academic progress regularly.

Keep an advising file. Keep a personal copy of your academic records transcripts (official or unofficial) from each college or university you have attended.

Plan your advising sessions during non-peak times. Avoid the busy advising times during the registration period and at the first week of classes for continuing students

Petition to Graduate. Graduation is not automatic; you must petition to graduate. Ask your adviser to check on whether you are meeting your graduation requirements and when applicable file your Petition to Graduate.

Where to Go for Academic Advising:

San Diego Main Campus
Academic Adviser
1729 5th Avenue
San Diego, CA 92101
(619) 298-1829

Irvine Branch Campus
Academic Adviser
2855 Michelle Drive
Suite 380
Irvine, CA 92606
(949) 833-8868

Libraries and Resource Material Center

The SSU library is an academic division within the SSU University that serves the information and research needs of its students, faculty, and administration. The University maintains libraries for the degree programs at all its campuses.

In addition to the hard and soft cover books and periodicals, and the audio and video materials in the two physical library facilities, the University provides 24/7 access to pre-paid subscriptions of several respected online libraries (electronic databases), including the Library Information Resources Network consortium (LIRN: ProQuest, Gale Infotrac, and EBSCO Host). Additionally, the library maintains a list of relevant and reliable open online resources in each discipline of study and can recommend public library facilities/local university libraries that can be accessed to obtain research materials.

Students doing research on-campus and off-campus can access SSU online library catalog, subscription databases, and research guides from any Internet connected computer via the online learning portal Moodle or via the SSU Website, Library page (password protected access). Database training sessions are offered each quarter for students and Faculty members upon request and as a self-paced training online. Online librarian research support is available for all SSU students and faculty during any day of the week according to published times. Information about SSU library service hours is posted on the SSU Website/Library page. After hour consultations are available per student or faculty request.

The library's circulating items include books, periodicals, audio, and video materials. Non-circulating items include Course Reserves and Reference Materials for use in the library. SSU Library Circulation Policy is posted on Moodle and on the Website. Library privileges start with the first day of the first enrollment quarter for students, and with the first day of employment for faculty and staff. Each borrower that uses his/her circulation privileges assumes full responsibility for all materials charged to his or her account and for knowledge and acceptance of library policies regarding borrowing materials from the library, including loan periods, renewals, returns, and fine rates.

For more information, contact the SSU's Librarian by emailing library@ssu.edu.

Students with Disabilities: Reasonable Accommodation

If current or prospective students are in need of reasonable accommodations, they should schedule an appointment with the Chief Academic Officer. At this meeting, the nature of the reported disability and its impact on learning will be discussed, as will the process of receiving reasonable accommodations and the types of accommodations available.

In order to move forward with a reasonable accommodation request, students are to bring copies of current documentation of a disability to this meeting. Documentation must be provided by a medical expert within the last three years and include:

- a diagnosis of the disability;
- how the diagnosis was determined (what tests were given and the results); and
- A clinical summary, which includes an assessment of how the disability will impact the individual in a college environment and what accommodations are recommended.

The Chief Academic Officer will review the documentation and will offer the student what is deemed to be any necessary accommodation. A formal Statement of Reasonable Accommodation will be drafted, signed by both the student and the Chief Academic Officer, and placed in the student's official file.

Career Services

The mission of the Career Services Department is to provide efficient, effective, and personalized services to SSU students, alumni, and employers. Career Services interfaces between the campus and the employment community to facilitate career development through career coaching, workshops, seminars, and career preparation.

Services provided include, but are not limited to:

- Resumes and cover letter workshops
- Interview preparation
- Professional skills workshops
- Job research announcements – including about career fairs, on/off campus employment, and job boards.

SSU also holds regular workshops to provide further information for career exploration and development.

The University does not guarantee job placement services for students and does not guarantee job placement of graduates, including employment or income expectations for current students or alumni.

Alumni Relations

An important goal for SSU is to promote the success of University graduates. The University provides students with opportunities to develop both professionally and personally including:

- E-mails and web postings detailing job opportunities
- Surveys to monitor our alumni placement and employer satisfaction
- Library services
- Computer lounge
- Up-to-date information in events such workshops and networking events

University Housing

Southern States University is a commuter institution; students are expected to make their own living arrangements. The institution does not have dormitory or housing facilities and has no responsibility to find or assist students in finding housing. However, the University administration is available to provide assistance to students wishing to secure housing, including home-stay, nearby student apartments and other local housing options. Here are websites with information on housing in the San Diego and Irvine areas:

San Diego:

As of July 2024, the average price of a 1 bedroom/1 bath near the San Diego campus is around \$2,525. <https://www.rentometer.com/analysis/1-bed/san-diego-ave-san-diego-california-92110/qkjOBfeZY3o/quickview>

Irvine:

As of July 2024, the average price of a 1 bedroom/1 bath in the Irvine Area is around \$2,460 <https://www.rentometer.com/analysis/1-bed/2855-michelle-drive-irvine-california-92606/MMXFLFnxfrQ/quickview>

Campus Security

SSU does not employ campus peace officers or contractual security officers. As such, school employees do not have powers of arrest and will call 911 in the event of a crime or other situation that warrants police intervention. Because SSU does not have a campus police department or security office, it does not keep a daily crime log.

Social Media

Today, social media is crucial to all kinds of businesses, but this is especially true in the education field. Social media allows SSU to be connected with prospective students, current students, and alumni all around the world. Thus, various social media sites are used to facilitate the University's students' lives. The University posts events, job opportunities, and promotes relations between students on social media sites, including Facebook, LinkedIn, and Instagram:

- <https://www.facebook.com/people/Southern-States-University/100063581499723/>
<https://www.facebook.com/SSU-Southern-States-University-Career-Services-1441284906154714/>
- <https://www.linkedin.com/school/southern-states-university/>
- <https://www.instagram.com/southernstatesuniversity/?hl=en>

On SSU's Facebook page students can exchange books, peruse job opportunities (including instructions for applying for these jobs) and/or socialize with other students. The University recommends its new students join this page to be apprised of all upcoming events at Southern States University.

Academic Programs of Study

SSU's undergraduate and graduate degree and certificate programs are designed and offered in a way that appropriately balances distinct types and levels of education and training and includes a comprehensive curriculum with appropriate coursework to achieve the program outcomes that are valuable to students' business, management, and information technology industries.

The SSU programs of study are designed for both individuals who are just beginning their education to establish a solid foundation of knowledge in the practices of business and information technology as well as to provide students who are already practicing in the field to deepen their knowledge, skills, abilities, and attitudes for the benefit of those they serve.

Courses within each academic program may be any combination of in-person, online, or a hybrid of the two modalities. SSU courses incorporate any combination of tools available (video lectures, short videos on specific concepts, external links, discussion threads, etc.) as well as study guides, textbooks, and other materials as dictated in each course syllabus.

Note: Graduation from an SSU certificate or degree program does not confer a state or other external certification. Students are encouraged to consult with state boards as well as specialty associations should they wish to receive official certification, credentialing, and/or licensure.

Program offerings vary by campus, as shown in the Academic Program by Campus Chart below:

	San Diego, CA		Irvine, CA		Las Vegas, NV	
	On-Campus	Online	On-Campus	Online	On-Campus	Online
BBA	X	X	X	X		
MBA	X	X	X	X	X	X
MSIT	X	X	X	X		
Certificates	X	X	X	X		
Note: All on-campus courses include online components						

Undergraduate Degree Program

Southern States University offers one (1) degree program at the undergraduate level. This program is:

- Bachelor of Business Administration (BBA)

Bachelor of Business Administration (BBA)

Southern States University's Bachelor of Business Administration is a four-year degree program structured to provide students with an academic foundation solidly built upon general education and specialized business courses. This approach recognizes that, in today's challenging business environment, success requires a combination of critical thinking and practical business skills.

The lower division introductory general education courses are designed to promote critical thinking skills by providing students with a basic knowledge and understanding of the humanities, arts, and sciences, while the lower division introductory business courses are designed to provide students with a basic knowledge and understanding of business fundamentals and practices. The program is structured so that success in the lower division courses will improve the student's confidence and ability to succeed in the more challenging and focused upper division courses.

The upper division courses in the BBA program build upon the fundamentals covered in both the general education and business introductory courses, providing a consistent, cohesive undergraduate general education that is also commensurate with the business needs of today and tomorrow. The in-depth general education and business principles and practices that students learn throughout SSU's Bachelor of Business Administration program provide them with the skill set required to succeed in today's competitive business environment. Successful completion of the program requires 180 Quarter Credits.

Program Learning Outcomes

Upon completion of the program, BBA graduates will be able to:

1. Apply critical thinking skills in evaluating information so as to make informed, ethical business decisions. (PLO-1)
2. Demonstrate understanding of the various stakeholders, components and issues involved in ethical business practices. (PLO-2)
3. Apply communication skills in a professional setting. (PLO3-3)
4. Apply understanding of the practices in and resources available to management, marketing, finance, and accounting functions. Promote an understanding of the practical interactions among them in determining an enterprise's economic viability. (PLO-4)
5. Demonstrate professional competence in the marketing field profession. (PLO-5)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- General Operations Manager (SOC2010 11-1021; CIP2010 – 52.0201)
- Sales Manager (SOC2010 11-2022; CIP2010 – 52.0201)
- Administrative Services Manager (SOC2010 11-2022; CIP2010 – 52.0201)

- Industrial Production Manager (SOC2010 11-3011; CIP2010 – 52.0201)
- Transportation, Storage, and Distribution Manager (SOC2010 11-3071; CIP2010 – 52.0201)
- Construction Manager (SOC2010 11-9021; CIP2010 – 52.0201)
- Social and Community Services Manager (SOC2010 11-9151; CIP2010 – 52.0201)
- Manager, all other (SCO2010 – 11-9199; CIP2010 – 52.0201)
- Cost Estimator (SOC2010 13-1051; CIP2010 – 52.0201)
- Management Analyst (SOC2010 13-1111; CIP2010 – 52.0201)

Program Courses

Graduate Degree Programs

Southern States University offers two (2) degree programs at the graduate-level. These degrees are:

- Master of Business Administration
- Master of Science in Information Technology

Master of Business Administration (MBA)

Southern States University's Master of Business Administration is a two-year program designed to help prepare students for dealing with a world of business and industry that is constantly changing and evolving. With its emphasis on providing a solid academic and theoretical business foundation combined with modern management skills, the program is structured to ensure its students acquire an in-depth understanding of the structure of the global economy, as well as the practical business decision-making skills required to cope with the ever-increasing complexity of business activities in this global economy. In addition to its educational focus on globalization and international business knowledge and skills, SSU is uniquely positioned to offer an MBA program that brings together aspirants from countries all around the world to study in a collaborative spirit. In consideration of students' tight schedules and responsibilities, SSU's MBA courses are offered on weekday evenings and Saturday mornings and afternoons.

This degree can be completed 100% online.

Program Learning Outcomes

Upon completion of the program, MBA Graduates will be able to:

1. Apply critical thinking skills in evaluating information so as to make informed, ethical business decisions. (PLO-1)
2. Utilize both quantitative and qualitative methodologies to examine the global business environment within which successful multinational firms operate. (PLO-2)
3. Apply and integrate relevant theories and practical solutions to different problems that continue to confront business managers in various settings. (PLO-3)
4. Develop a successful business model employing knowledge of the various business and management components and constructs, strategic initiatives, and leadership principles currently used in global business environments. (PLO-4)
5. Communicate and present in a clear and professional manner. (PLO-5)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- Chief Executive (SOC2010 11-1011; CIP2010 – 52.0201)
- General Operations Manager (SOC2010 11-1021; CIP2010 – 52.0201)
- Sales Manager (SOC2010 11-2022; CIP2010 – 52.0201)
- Administrative Services Manager (SOC2010 11-2022; CIP2010 – 52.0201)
- Industrial Production Manager (SOC2010 11-3011; CIP2010 – 52.0201)
- Transportation, Storage, and Distribution Manager (SOC2010 11-3071; CIP2010 – 52.0201)
- Construction Manager (SOC2010 11-9021; CIP2010 – 52.0201)
- Social and Community Services Manager (SOC2010 11-9151; CIP2010 – 52.0201)
- Manager, all other (SOC2010 – 11-9199; CIP2010 – 52.0201)
- Cost Estimator (SOC2010 13-1051; CIP2010 – 52.0201)
- Management Analyst (SOC2010 13-1111; CIP2010 – 52.0201)
- Postsecondary Business Teacher (SOC2010 25-1011; CIP2010 – 52.0201)

Courses

MBA Core Classes

		49 Quarter Credits

Master of Science in Information Technology (MSIT)

Southern States University's Master of Science in Information Technology is a two-year program that prepares students in the field of information technology. With its emphasis on providing a solid academic and theoretical foundation combined with modern IT skills, the program is structured to ensure its students acquire an in-depth understanding of the IT field, as well as the technical skills required to cope with the ever-increasing complexity of IT issues in the modern world. In consideration of students' tight schedules and responsibilities, SSU's IT courses are offered on weekday evenings and Saturday mornings and afternoons.

This degree can be completed 100% online.

Program Learning Outcomes

Upon completion of the program, MSIT Graduates will be able to:

1. Demonstrate in-depth understanding of the role of IT in organizations and the various technologies comprising the broader area of information technology, and their interworking. (PLO-1)
2. Analyze the ethical issues in information systems and measures to address them. (PLO-2)
3. Utilize information systems project management skills. (PLO-3)
4. Design a complete IT system with database, networking, and other technologies and tools comprising IT. (PLO-4)
5. Apply technologies in server scripting, e-commerce, cloud computing, data analytics, information security, and computer forensics. (PLO-5)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- Computer and Information Systems Manager (SOC2010 - 11-3021; CIP2010 - 11.0103)
- Computer and Information Research Scientist (SOC2010 - 15-1111; CIP2010 - 11.0103)
- Computer Systems Analyst (SOC2010 1121; CIP2010 – 11.0103)
- Software Developer, Applications (SOC2010 15-1132; CIP2010 – 11.0103)
- Software Developer, Systems Software (SOC2010 15-1133; CIP2010 – 11.0103)
- Computer Network Architect (SOC2010 15-1143; CIP2010 – 11.0103)

Undergraduate Certificates

Southern States University offers five (5) certificate programs at the undergraduate level that are three quarters long with nine courses in total. These certificates are:

- Certificate in Business Analysis
- Certificate in Business Communications
- Certificate in Finance
- Certificate in Management Studies
- Certificate in Marketing

Undergraduate Certificate in Business Analysis (UCert-BA)

The Certificate in Business Analysis program is designed to give participants the knowledge, skills, and abilities to begin a career in a business-analytical related field. The certificate is comprised of a quantitative and business curriculum at the undergraduate level that will give a graduate business analytical skills to prepare in today's evolving and highly competitive business environment. A total of nine courses build strong foundation skills in core subject areas and develop analytical, critical, and creative thinking. Elective courses guide students into optional areas of business and quantitative subjects. Students who join the program should expect to acquire the core knowledge and skills needed to understand and assist in the implementation of business data analysis.

This certificate can be completed 100% online.

Program Learning Outcomes

Upon completion of the program, graduates will be able to:

1. Apply critical thinking and analytical skills in evaluating information so as to make informed, ethical business decisions. (PLO-1)
2. Develop a sound foundation in business analysis theory and practice. (PLO-2)
3. Assist in the analysis of industry, financial, and market data. (PLO-3)
4. Assist in the preparation of business information data gathering. (PLO-4)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- Manager, all other (SCO2010 – 11-9199; CIP2010 – 52.0201)
- Management Analyst (SOC2010 13-1111; CIP2010 – 52.0201)
- Market Research Analyst (SOC2010 13-1161; CIP2010 – 52.1401)

Courses

Core Requirements (5 courses)

UCert-Mktg – Core Requirements	7	31.5
UCert-Mktg – Electives	2	9
Total for Undergraduate Certificate in Marketing	9	40.5

Note: Several of courses have prerequisites, as shown in the Course Descriptions section of this Catalog. Prerequisites must be fulfilled concurrently or before enrolling in a course with such prerequisites.

Graduate Certificates

Southern States University offers two (2) certificate programs at the graduate level. These certificates are:

- Graduate Certificate in Business Administration (GCert-BA)
- Graduate Certificate in Information Technology (GCert-IT)

Graduate Certificate in Business Administration (GCert-BA)

Southern States University's Graduate Certificate in Business Administration at the graduate level is a one-year program designed to help prepare students for dealing with a world of business and industry that is constantly changing and evolving. With its emphasis on providing a solid academic and theoretical business foundation combined with modern management skills, the program is structured to ensure its students acquire an in-depth understanding of the structure of the global economy, as well as the practical business decision-making skills required to cope with the ever-increasing complexity of business activities in this global economy. A total of seven courses build strong foundation skills in core subject areas and develop analytical, critical, and creative thinking. Elective courses guide students into several functional areas of management affording students the ability to develop skills necessary to take on the many challenges present in this constantly evolving field.

Program Learning Outcomes

Upon completion of the program, Certificate Graduates will be able to:

1. Apply critical thinking skills in evaluating information so as to make informed, ethical business decisions. (PLO-1)
2. Apply relevant theories and practical solutions to different problems that continue to confront business managers in various settings. (PLO-2)
3. Demonstrate knowledge of the various business and management components and constructs, strategic initiatives, and leadership principles currently used in global business environments. (PLO-3)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- Sales Manager (SOC2010 11-2022; CIP2010 – 52.0201)
- Administrative Services Manager (SOC2010 11-2022; CIP2010 – 52.0201)
- Industrial Production Manager (SOC2010 11-3011; CIP2010 – 52.0201)
- Transportation, Storage, and Distribution Manager (SOC2010 11-3071; CIP2010 – 52.0201)
- Construction Manager (SOC2010 11-9021; CIP2010 – 52.0201)
- Social and Community Services Manager (SOC2010 11-9151; CIP2010 – 52.0201)
- Manager, all other (SCO2010 – 11-9199; CIP2010 – 52.0201)
- Cost Estimator (SOC2010 13-1051; CIP2010 – 52.0201)
- Management Analyst (SOC2010 13-1111; CIP2010 – 52.0201)

Program Courses

Core Requirements (4 courses)

15 Quarter Credits

BU-503	Business Fundamentals	3.0 Quarter Credits
BU-502	Applied Business Research and Communication Skills	4.0 Quarter Credits
BU-504	Integrated Marketing Communications	4.0 Quarter Credits
BU-521	Organizational Leadership	4.0 Quarter Credits

Elective Courses (3 courses)

12 Quarter Credits

BU-501	Financial Accounting	4.0 Quarter Credits
BU-510	Operations Management	4.0 Quarter Credits
BU-517	Business Law	4.0 Quarter Credits
BU-524	Strategic Management	4.0 Quarter Credits
BU-530	Globalization of Business	4.0 Quarter Credits

Program Requirements

To receive the Graduate Certificate in Business Administration from Southern States University, students must successfully complete the four (4) required core courses and three (3) elective courses for a total of 27 credit hours, which is equivalent to 280 contact hours.

Students must have a 3.0 cumulative GPA or higher in order to graduate.

Students must complete the requirements within a five (5) quarter period.

	Classes:	Credits:
GCert-BA Core Courses	4	15
GCert-BA Electives Courses	3	12
Total Completion Requirements – Graduate Certificate in Business Administration	7	27

Note: Several of these courses have prerequisites as shown in the course listing on the next pages. Prerequisites must be fulfilled concurrently or before enrolling in a course with such prerequisites.

Graduate Certificate in Information Technology (GCert-IT)

The Certificate in Information Technology program is designed to give participants the knowledge, skills, and abilities to begin a career in an IT-related field. The certificate addresses the role of IT in organizations and the various technologies comprising the broader area of information technology, and their interworking. A total of seven courses at the graduate level build strong foundation skills in core subject areas and develop analytical, critical, and creative thinking. Elective courses guide students into functional IT subjects, or allow a broader focus, affording students the ability to develop skills necessary to take on the many challenges present in this constantly evolving field. Students who join the program should expect to acquire the core knowledge and skills needed to understand and assist in the development and management of IT systems.

Program Learning Outcomes

Upon completion of the program, graduates will be able to:

1. Demonstrate a good understanding of the role of IT in organizations and the various technologies comprising the broader area of information technology, and their interworking. (PLO-1)
2. Demonstrate understanding of the information systems life-cycle. (PLO-2)
3. Apply information systems project management skills. (PLO-3)
4. Assist in the design a complete IT system with database, networking, and other technologies and tools comprising IT. (PLO-4)

Employment Potential

Upon program completion, students could reasonably seek employment in the following professions:

- Computer and Information Systems Manager (SOC2010 - 11-3021; CIP2010 - 11.0103)
- Computer and Information Research Scientist (SOC2010 - 15-1111; CIP2010 - 11.0103)
- Computer Systems Analyst (SOC2010 1121; CIP2010 – 11.0103)
- Software Developer, Applications (SOC2010 15-1132; CIP2010 – 11.0103)
- Software Developer, Systems Software (SOC2010 15-1133; CIP2010 – 11.0103)
- Computer Network Architect (SOC2010 15-1143; CIP2010 – 11.0103)

Courses

Required Core Courses (4 courses)

14 Quarter Credits

IT-500	IT Foundations	2.0 Quarter Credits
IT-501	Information Technology Systems	4.0 Quarter Credits
IT-502	Systems Analysis and Design	4.0 Quarter Credits
IT-510	Database Systems	4.0 Quarter Credits

Electives (Choose 3 courses)

12 Quarter Credits

IT-513	Computer Networks	4.0 Quarter Credits
IT-516	Web Information Systems	4.0 Quarter Credits
IT-517	Electronic Commerce Systems	4.0 Quarter Credits
IT-520	Information Security	4.0 Quarter Credits
IT-530	Cloud Computing	4.0 Quarter Credits
IT-531	Data Analytics	4.0 Quarter Credits
IT-532	Computer Forensics	4.0 Quarter Credits
IT-533	Ethical Issues in IT	4.0 Quarter Credits

Program Requirements

To receive the Graduate Certificate in Information Technology from Southern States University, students must successfully complete the four (4) required core courses and three (3) elective courses for a total of 26 credit hours, which is equivalent to 260 contact hours.

Students must have a 3.0 cumulative GPA or higher in order to graduate.

Students must complete the requirements within a five (5) quarter period.

	Classes:	Credits:
GCert-IT - Core Courses	4	14
GCert-IT – Elective Courses	3	12
Certificate in IT - Total Graduation Requirements	7	26

Note: Several of these courses have prerequisites as shown in the course listing on the next pages. Prerequisites must be fulfilled concurrently or before enrolling in a course with such prerequisites.

Course Descriptions

Course Numbering

Southern States University's course numbering system differentiates courses that are appropriate for particular populations of students and helps advisers and students find appropriate courses by providing an indication of the expectations for the level at which the course is taught.

Undergraduate Lower-division Courses (100-299)

Courses numbered at the 100 level are generally designed for newly admitted students and normally do not have prerequisites. Courses numbered at the 200 level are generally designed for second-quarter students. Courses at the 200 level may be taken by any student; however, where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Undergraduate Upper-division Courses (300-499)

Courses numbered at the 300 and 400 levels are upper-division courses designed for continuing students. Even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline and therefore, there is the expectation of previous experience in the discipline. Where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Graduate Level Courses (500-599)

Courses numbered at the 500 level are for graduate level students. Within this level, even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline. Therefore, there is the expectation that students will complete courses numbered 500 through 519 before courses numbered 520 through 529; courses numbered 530 through 539 are generally designed for students who have completed courses numbered 500 through 529. Where prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Prerequisites

The prerequisite system is designed to ensure that students have sufficient knowledge and ability to succeed in progressively more challenging courses. A student may petition for an exception to a prerequisite if the student can demonstrate sufficient knowledge or ability through another means (e.g., relevant prior course work, assessment levels, certification, license or work experience). A petition form may be obtained from the University Registrar. The prerequisite requirement is met when a student concurrently registers in courses in the same term when the prerequisite courses are taken.

Undergraduate Level Courses

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
ACC 201	Accounting I	4.5
This course analyzes and records business transactions manually. Emphasis is placed on understanding the accounting cycle, preparing financial statements, bank reconciliations, and payroll. Prerequisite: None		
ACC 202	Accounting II	4.5
This is the second of two in-depth accounting courses. In this course, students focus on using accounting data to formulate business decisions. Topics include the value chain, job costing, manufacturing overhead allocation, activity-based costing, cost behavior, cost-volume-profit analysis, pricing decisions, and the budgeting process. Prerequisite: ACC 201		
BUS 101	Business Foundations and Analysis	4.5
This course provides a comprehensive view of today's dynamic American businesses and the global economy. Specific topics include starting a small business, satisfying customers, managing operations, motivating employees, building teams, managing information, managing financial resources, and exploring the ethical and social responsibilities of American businesses. Prerequisite: None		
BUS 210	Business Law	4.5
This course surveys the legal environment of business organizations. It explores the sources of law and the constitutional basis of regulation, social and ethical influences, corporate responsibility, judicial and administrative systems, contracts, torts, agency, bankruptcy and consumer protection. Prerequisite: None		
BUS 220	Business Communications	4.5
This course will help students to develop the ability to compose various types of business communications, with an emphasis on well-organized, clear, concise and persuasive letters, memos, and reports. Students will learn to analyze and to present both written and oral business communications, including those involved with seeking employment. Prerequisite: ENG 111		
BUS 480	Capstone	4.5
The capstone course will enable students to apply knowledge and skills gained from their core coursework. Students will use critical analysis towards case studies and situations that are likely to be seen in relevant and realistic business endeavors. Prerequisite: Completion of lower and upper division core courses. Prerequisite: All other program course requirements.		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
CIS 111	Introduction to Business Information Systems	4.5
This course will provide an introduction to software-based business applications. Components of the course will include data processing, spreadsheets, decision support systems, and databases. Students will acquire knowledge for the purpose of analyzing situations and determining and applying the appropriate business information systems to address the issue(s) at hand. Prerequisite: None		
ECON 100	Macroeconomics	4.5
This course introduces the principles and policies of macroeconomics, including the practical aspects of economic analysis as applied to supply and demand, national production, consumption, saving, taxation, inflation, employment and growth. Students will be exposed to graphical analysis and basic algebraic functions. Prerequisite: None		
ECON 101	Microeconomics	4.5
This course introduces the principles of microeconomics as applied to supply and demand, price and output determination, market structures, government regulation, labor/management relations, distribution of income, and international trade. Students will also be exposed to graphical analysis and basic algebraic functions. Prerequisite: None		
ENG 111	Composition and Rhetoric	4.5
This course emphasizes expository writing for academic and business purposes. It guides students in developing ideas and their expression, specific writing skills, correct sentence structure, and critical thinking. Students will learn several organizational or rhetorical forms, such as cause and effect, argumentation, comparison and contrast, and persuasion. They will read and analyze samples of various discourse styles or texts. They will also collaborate in pairs or groups to refine their skills in writing and editing. Prerequisite: None		
ENG 305	Technical Writing	4.5
Technical Writing will assist students with various correspondence modes, for example: reports, proposals, and other communications that require particular formats. Students will learn communication processes across technological fields along with correct form and tonality. They will also learn how to conduct a job search by means of written and oral communications. They will review and practice technical writing skills, including logical sentence progression, and sentence structure for clarity and appropriateness. Prerequisite: ENG 111		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
FIN 305	Business Finance	4.5
Business Finance teaches students how to evaluate and process firm-related financial decisions. Topics that will be discussed include diversification, determination of risk and return and relational analysis with the financial markets. Students will also learn how to properly leverage a firm with debt and equity, and the time value of money. Prerequisite: ACC 202		
HIST 101	U.S. History I	4.5
This course is a historical survey of the cultural, political, economic, and institutional forces and events that shaped the United States from its beginning through the period of the Reconstruction. Prerequisite: None		
HIST 102	U.S. History II	4.5
U.S. History II is a survey of the cultural, political, economic, and institutional forces that have shaped the United States since 1877. The class focuses on the major historical events and figures up from that year to the present time. Prerequisite: HIST 101		
HIST 410	World History	4.5
This course traces the evolution of the world from antiquity (5000 B.C.E.) to present day with a cultured-centered view of both humanity and the environment and how the two have interacted throughout history. The emphasis in the course will be on how human cultures have searched throughout their history to strike a balance between constructive and destructive exploitation of their environments. Prerequisite: HUM 110 or equivalent with a grade of "C" or better.		
HUM 110	Principles of Humanities	4.5
This course will underscore the learning process within the field of humanities. Students will use critical analysis to discuss literature, drama, music, architecture, painting, and sculpture, and how they pertain to various inter- and cross-cultural contexts. Prerequisite: None		
HUM 305	Impact of Science Fiction on Historical and Modern Literature	4.5
This course will create a benchmark with science fiction against various forms of historical and modern literature. Students will be able to conduct a comparison between literature and science fiction using critical analysis and in-depth reading, writing, and exploratory activities. Prerequisite: ENG 111		
HUM 405	European Humanities	4.5
European Humanities will explore the historical influences that shaped literature, drama, music, architecture, painting, and sculpture from Prehistory to the Renaissance period. Prerequisite: HUM 110 or equivalent with a grade of "C" or better.		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
MGT 305	Operations Management	4.5
Operations Management will examine various organizational components that are essential within manufacturing and service environments. The course will examine several topics, including project management, layout management, forecasting techniques, total quality management, queue modeling and control, and enterprise and resource material planning. Prerequisite: BUS 101 and CIS 111 or equivalent with a grade of “C” or better.		
MGT 310	Principles of Management and Organization	4.5
Principles of Management and Organization will expose students to managerial principles and functions, including planning, organizing, leading, staffing, and controlling. Students will also explore organizational functions that contribute to managerial comprehension and effectiveness. Prerequisite: None		
MKT 110	Principles of Marketing	4.5
Principles of Marketing will expose students to new concepts and practices that constitute the field of marketing. This course will examine marketing from the perspective of the consumer, the organization, and society, using the underlying components that are inherent within this field. Prerequisite: None		
MKT 305	Marketing Fundamentals	4.5
The purpose of this course is to identify and explore the basic concepts and decision-making areas that are central to the general functioning of marketing management. Students will be introduced to conceptual analyses that will entail consumer and business-to-business marketing by focusing on the four functions of marketing: price, product, promotion, and distribution. Prerequisite: None		
MKT 310	Consumer Behavior	4.5
This course will examine and apply the principles of consumer behavior to the development and implementation of marketing strategies. The course focuses on the impact of the new media on consumer information seeking, purchasing options, and decision making, while recognizing that consumers now have fast and convenient access to information about virtually any product or service they may wish to purchase. This course also investigates marketing ethics and social responsibilities. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MKT 315	Global Marketing	4.5
This course explores various functions in the field of global marketing. Students will learn the political, legal and cultural environments that affect firms attempting to enter foreign markets. They will also analyze the proper leadership and organizational structure, promotional strategies, and marketing mix conducive to international success. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
MKT 320	Sales Strategies	4.5
This course will encompass the various methods and concepts that are used in successful sales strategies. Students will learn the various steps involved in the sales process, including client prospecting, successfully building relationships with customers, presentation skills, and communications following the close of a sale. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MKT 405	Introduction to Marketing Research	4.5
Introduction to Marketing Research will help students determine the relationship between research and managerial decision making. The course will specifically analyze the research processes involved in marketing research, including the overall formulation and design of the procedures that encompass the steps surrounding a successful marketing study. Students will be able to apply these findings to a research project or a case analysis. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MKT 411	Introduction to Advertising	4.5
This course exposes students to the basic points-of-view of the advertising manager and familiarizes students with the areas of concern to the advertising professional. Particular focus will be placed on audience definition, market analysis, budgeting techniques, and campaign effectiveness. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MKT 415	Services Marketing	4.5
“Services Marketing” involves various functions, including attributive marketing strategies that vary among firms that have alternate structures. Specific areas of interest in this course include service quality benefits, global service structure, service management, and entrepreneurial ventures and opportunities available in a variety of related organizations. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MKT 420	E-Marketing	4.5
This course will examine the history of the Internet and explore its continuing impact on marketing in today’s society. Students will define the relationship between the Internet and various marketing components, including the marketing mix, marketing research, and evolutionary business models that have gained prominence due to this recent innovation. Prerequisite: MKT 305 or equivalent with a grade of “C” or better		
MTH 125	College Algebra	4.5
College Algebra will expose students to various numerical, analytical, and graphical approaches that pertain to the study or pre-calculus. Students will learn mathematical concepts, including logarithmical functions, complex numbers, sequential series, polynomial and binomial functions, and fractional analysis. Use of these functions will be applied towards various problems that have verifiable use in theoretical and real-world situations. Prerequisite: High School Algebra or Instructor Recommendation		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
MTH 130	Business Statistics	4.5
This course provides an introduction to the various methodologies involved with business statistics. Various topics will be covered in this course, including probability distributions, testing of hypotheses, correlation analysis, regression analysis, data description, and sampling. Prerequisites: MTH 125		
MTH 135	Business Calculus	4.5
This course will expose students to a multitude of mathematical concepts; particular attention will be paid to various components including differential, integral, and other functionary topics within calculus that are using for economic and managerial decision making. Students will also be exposed to analytic geometry, and linear algebra functions. Prerequisite: MTH 125 or equivalent		
MTH 305	Statistics	4.5
This course provides an introduction to advanced methods in statistics. Various topics are covered in this course, including hypothesis testing of one sample and two samples, analysis of variance, chi-square tests, non-parametric tests, correlation analysis, simple linear regression analysis, multiple linear regression analysis, and time series forecasting. Various statistical applications are presented with the use of statistical software. Prerequisite: MTH 130		
MTH 310	Finite Math with Applications	4.5
Math 310 exposes students to several important areas of mathematics which “run parallel” to those of calculus. While the latter subject traditionally uses the machinery of continuity, limits, derivatives, and integration to solve applied problems, finite math uses sets of discrete quantities, sequences, matrices, and difference equations to do the same. Math 310 picks up the coverage of the material at the point where they were left off in Math 125 and continues with some other more advanced topics (Markov Processes, Game Theory, etc.), suitable for an upper division course. Prerequisite: MTH 125 or equivalent with a grade of “C” or better		
MUS 305	The History of American Music	4.5
The History of American Music will provide an in-depth background of American music. It will begin with an introduction to folk music and follow the evolution of music through different periods, from the pre-colonial times to current modern music. Prerequisites: HUM 110		
PHIL 111	Introduction to Ethics	4.5
This course will address various issues related to morality and ethics, and theoretical topics, including value, virtue, and vice. Students will learn how to analyze and critique literature specifically related to the schools of philosophy and how to relate these topics to issues in their own ethical position. Prerequisite: None		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
PHIL 305	Business Ethics	4.5
Business Ethics will analyze ethical issues and their impact on theoretical and applied business practices. The course will involve various literary models that will be used to apply new perspectives and ideas to the field of business ethics and individual decision making. Moral analyses will also be conducted to determine the effects on overall professional and personal development. Prerequisite: PHIL 111 or BUS 101 or equivalent with a grade of “C” or better.		
POLS 155	Introduction to Political Science	4.5
Introduction to Political Science will explore the nature of government and the dynamics of politics. Students will be exposed to various areas concerned with politics, including political change and instability, ideological analyses, governmental bodies, conflict within political institutions, and the relationship between politics and the economy. Prerequisite: None		
SCI 110	Introduction to Physical Science	4.5
This course will give students an introduction to various attributes of the physical sciences, including, astronomy, physics, chemistry, and overall earth analysis. Particular focus will be given to fundamental analysis of these concepts, and how past, current, and future research can be applied to problems that are inherent within these fields. Prerequisite: None		
SPCH 111	Public Speaking	4.5
This course introduces students to rhetoric in oral discourse and includes the principles, theories, and practices of speech communication in interpersonal, small group, and public situations. Students will learn the components of speech organization, audience analysis, delivery, and presentation. Prerequisite: None		

Graduate Level Courses

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
BU-501	Financial Accounting	4.0
This course provides an introduction to accounting procedures and practices. Students will explore the relationship between business and accounting, and how to analyze business transactions. The course will also explain how the accounting cycle operates and the differences between accrual and cash basis accounting. It will also explain how to determine different methods of inventory and asset valuation, and it will elucidate the importance of earnings and corporate governance. Prerequisites: None		
BU-502	Applied Business Research and Communication Skills	4.0
This course provides an introduction to graduate business studies focusing on the applied business research and communication skills necessary to be successful in both an academic MBA program and the current economic environment and workplace. It covers information literacy, research and research methodologies, oral and written communication skills as well as critical thinking, problem solving and decision-making paradigms. As designed, the course will familiarize students with the tools necessary for the successful presentation of theories and concepts as they apply to real world managerial scenarios including business decision-making. Prerequisite: None		
BU-503	Business Fundamentals	3.0
Business Fundamentals is designed for students with no or limited knowledge of business. Students will analyze and apply knowledge in 10 business areas necessary to address a wide variety of business-related situations. Students will master core proficiencies in the following business areas: Marketing, Finance, Accounting, Operations Management, Economics, Global Business, Quantitative Techniques and Statistics, Business Ethics, Leadership, and Business Research (including APA 6th edition guidelines). Prerequisite: None Equivalency: BU-500 for students under existing enrollment agreements prior to Winter 2021		
BU-504	Integrated Marketing Communications	4.0
Integrated Marketing Communications will provide an in-depth study of promotional activities, such as advertising, personal selling, sales promotions, and direct marketing, including use of the internet. Emphasis will be placed on strategic planning or promotional activities in order to communicate with customers to achieve marketing objectives. This course will also explore the relationship of integrated marketing communications with other elements of promotional activities. Prerequisites: None		
BU-506	Managerial Economics	4.0
This course is designed to help students analyze and think through economic problems as an executive manager or as a consumer. It teaches the skills needed to develop a working understanding of the basic principles of economics, for the purpose of making decisions within a complex business and economic environment. It also emphasizes the quantitative and qualitative applications of economics to business analysis. Prerequisites: None		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
BU-510	Operations Management	4.0
Operations Management is the implementation of the business plan by developing and executing a system which transforms inputs into finished goods or services. This course provides an overview of the concepts and quantitative methods by which managers can oversee a firm's operations and develop a competitive advantage through those operations. Topics will include forecasting, project planning, aggregate planning, inventory modeling, scheduling, materials requirements planning, strategies for location, process, layout, and supply chain management. Prerequisites: None		
BU-513	Statistics for Business	4.0
This course will provide an introduction to statistical procedures and practices. It will cover probability tables, data description, and different types of distributions. Students will also learn the importance of regression analyses, hypothesis testing, sampling, and forecasting methodologies. These concepts will be applied to various business settings to ensure student comprehension and success. Prerequisites: None		
BU-517	Business Law	4.0
This course will provide an overview of the ethical issues and laws that affect business sustainability. Students will also learn the relationship between ethics and laws, and how they have an overall impact on the stakeholders in an organization. Students will analyze various sources, statutes, and regulatory issues that affect domestic and international business operations. Prerequisites: None		
BU-521	Organizational Leadership	4.0
This course will analyze the impact of leadership on organizational effectiveness. It will attempt to differentiate between a leader and a manager, and how each can be vital to an organization's success. Students will also learn new attributes of successful leaders, including interpersonal skills, attitudes, and behaviors, which can facilitate effective leadership within different types of organizations. Prerequisites: None		
BU-522	Managerial Finance	4.0
This course will explore the scope and environment of managerial finance. Students will learn how to assess a firm's financial performance and analyze its financial statements. The course will also explain how to evaluate financial assets and explain the purpose of investing in long-term assets. It will address various capital structures, and different dividend policies that are being used by numerous firms. Students will also examine risk management, corporate restructuring, and features of international business finance. Prerequisites: None		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
BU-524	Strategic Management	4.0
In this course, students will develop the ability to identify and frame complex strategic issues in operations, design operating strategies that address those issues, and take effective action to achieve the full potential of the decisions. This course will also explore the economic principles of business strategy and develop an analytical framework for identifying and evaluating alternative strategies. It focuses on the major managerial issues associated with project management, and the tools and techniques that can be used to address them. Prerequisites: None		
BU-530	Globalization of Business	4.0
Students will identify and analyze various concepts and frameworks associated with the global business environment, including strategic analysis, growth and opportunity identification, and structure from both a cultural and an organizational perspective. Students will also explore international management practices and how they differ based upon the configuration of an organization. Prerequisites: None		
BU-532	International Economics	4.0
International Economics examines international trade theory and determines how international trade affects specific components within various economic and regional blocs. The course will familiarize students with monetary and banking issues that pertain to international transactions, and it will address various topics of international interest, including the balance of payments, exchange rates, trade and monetary institutions, and how different trade agreements impact tariff policies among nations. Prerequisites: None		
BU-534	International Marketing	4.0
Students will explore international marketing concepts from an entrepreneurial and managerial perspective. Specific emphasis will be placed upon cultural components and how they affect product, price, place, distribution, and promotion. The course will also examine the impact of multinational corporations on economic, environmental, and social development. Prerequisites: None		
BU-536	Global Strategy and Management	4.0
Students in this class will look at various issues that confront organizations that are multi-domestic, transnational, and international. Case study analysis will be used to determine whether specific actions or strategies were successful. Particular attention will be given to strategies, including joint ventures, strategic alliances, acquisitions, mergers, foreign direct investments and various methods of importing and exporting. Prerequisites: None		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
BU-599	Professional Applied Project	6.0
The Professional Applied Project (PAP) is the capstone course of the MBA program, and is focused on the practical application of the knowledge acquired during the student's MBA studies. The PAP is an individual project in which the participant will apply theories and concepts learned in the classroom to the preparation of a business plan. Prerequisite: All other required program courses except concurrent enrollment allowed.		
IT-500	IT Foundations	2.0
IT Foundations covers several most commonly used aspects of information technology, at a level which can easily be grasped by non-majors. It presents HTML and Webpage creation, elements of human-computer interaction, digital representation of numeric, textual, and multimedia data, networks and databases, social impacts of IT, security mechanisms and privacy issues, and programming in JavaScript. Prerequisite: None Grading: This course is graded Pass/No Pass.		
IT-501	Information Technology Systems	4.0
Information Technology Systems initially covers overviews of information systems in organizations, hardware, software, database systems, the Internet and Web. It then covers various aspects of business information systems such as electronic and mobile commerce, enterprise systems, decision support systems, and knowledge management. It then covers the various aspects of information systems development namely, investigation, analysis, design, implementation, maintenance, and review. Then security, privacy, and ethical issues in information systems are covered. Prerequisite: None		
IT-502	Systems Analysis and Design	4.0
This course in systems analysis and design covers: Information systems analysis fundamentals, requirements elicitation and modeling, structured analysis, specification, design and implementation, system documentation and maintenance, and quality assurance and implementation in information systems. Prerequisite: None		
IT-510	Database Systems	4.0
Database Systems covers the essentials of database design and management. Emphasis is placed on logical design of database systems, entity-relationship model, relational model, object-oriented model, normalization, query languages, query processing, query optimization, integrity assertions and security, and database administration. Prerequisite: None		
IT-511	Advanced Database Systems	4.0
Advanced Database Systems is the second course in the program dealing with database management. This course covers: data modeling with enhanced E-R model, database design theory, relational model, object-oriented model, physical database design and performance, advanced SQL, query optimization, transaction processing, concurrency, recovery, web and semi-structured data management, distributed databases, data warehousing, data quality and integration, and database administration. Prerequisite: IT-510		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
IT-513	Computer Networks	4.0
Computer Networks covers the protocol layers underlying modern networks. Specific topics covered are: Overview of history of computer networks leading up the modern-day Internet and Wireless networks; protocol layers such as application layer (e.g., HTTP, FTP, SMTP, DNS), transport layer (e.g., TCP, UDP), and network layer (e.g., IP), link layer (LANs, multi-access networks); overview of wireless and mobile networks; and network security. Prerequisite: None		
IT-516	Web Information Systems	4.0
Web Information Systems covers the major technologies driving the development of web pages, dynamic content in web pages, web servers, and databases. It also covers Rich Internet Applications (RIA), database access via web applications, and web application development. Prerequisites: None		
IT-517	Electronic Commerce Systems	4.0
Electronic Commerce Systems covers the key elements comprising electronic commerce. Topics covered are: E-commerce business models, E-commerce categories and applications (B2B, B2C, and C2C), E-commerce infrastructure (Internet, web, and mobile platforms), E-commerce payment systems, E-commerce security, E-commerce marketing and advertisement, online retailing and services, online auction strategies, social and ethical issues in E-commerce. Prerequisites: None		
IT-520	Information Security	4.0
Information Security focuses on various important aspects of security in a present-day information system. This course covers: Historical developments and components of information security, business needs of information security, legal, ethical, and professional issues in information security, risk management, planning for security, security technology and tools, cryptography and cryptographic tools, implementing information security, and information security maintenance. Prerequisites: None		
IT-530	Cloud Computing	4.0
Cloud Computing presents the fundamentals, mechanisms, architecture, and models of cloud computing, as well as working with a cloud computing system. This course covers: Fundamental concepts and models in cloud computing, cloud computing deployment models, cloud computing architecture layers, security in cloud computing, cloud infrastructure and management mechanisms, cloud service models, and cloud services and cost optimization techniques. Prerequisite: None		

<u>Course Number</u>	<u>Course Title</u>	<u>Credits</u>
IT-531	Data Analytics	4.0
Data Analytics initially covers the basics of big data, analytics process model, data collection, sampling, and preprocessing. It then covers predictive analytics techniques (e.g., linear regression, logistic regression, decision trees, support vector machines), descriptive analytics techniques (association rules, sequence rules, segmentation), survival analysis (measurements, Kaplan-Meier analysis, parametric survival analysis), social networks analysis (metrics, relational neighbor classifier, relational neighbor classifier, collective inference), benchmarking and data quality, and applications of analytics techniques in several commonly used applications. Prerequisite: None		
IT-532	Computer Forensics	4.0
Computer Forensics covers investigative processes, procedures, and challenges, the technologies behind various hardware and software from where evidence can be gathered, the technologies used in the search, collection, examination, and analysis of digital evidence, and presentation of computer forensic evidence in a court of law. Prerequisite: None		
IT-533	Ethical Issues in IT	4.0
Ethical Issues in IT provides an in-depth study of various aspects of ethical practices in the uses and applications of information technology. Emphasis is placed on computer-related codes of ethics, ethics and responsibility of IT professionals and users, computer and Internet crimes, intellectual property issues, social networking ethical issues, privacy and anonymity, and impacts of globalization. Prerequisite: None		
IT-599	IT Capstone Project	6.0
In the IT Capstone course, students work on real-world projects that draw upon and apply the concepts, principles, skills, and tools that are taught in the IT courses. Students study a problem requiring an IT systems solution, then clearly define the scope of the problem, gather requirements, develop specifications, develop a project plan, design, implement, test, and document the system. The project life-cycle is managed using information systems project management techniques. The project culminates in (a) demonstrable prototype, (b) written project report, and (c) oral presentation. Prerequisite: All other required program courses except concurrent enrollment allowed.		

University Administration, Staff, and Faculty

Administration and Staff

Chancellor – Claudia Araiza

Vice Chancellor for Academic Affairs and Chief Academic Officer - Peggy Bilbruck

Chief Financial Officer – Iren Miklos

Director of Admissions and Operations - Denise Mastro

Institutional Research Specialist - Victoria Ades

University Registrar - Wendy Du

University Bursar - Paola Procida

Assessment Specialist - Victoria Ades

Information Technology Specialist – Octavio Rodriguez

San Diego Campus

Career Services, Academic Advisor, & Library Aide - San Diego & Online - Aisha Cunha

Administrative Assistant – Karla Flores

Irvine Campus

Branch Campus Director - Irvine - Beate Berg

Career Services, Academic Advisor, & Library Aide - Irvine – Aisha Cunha

Administrative Assistant – TBD

Las Vegas Campus

Branch Campus Director - Las Vegas - William Doyle

Career Services & Academic Advisor - Las Vegas - Aisha Cunha

Student Services & Library Aide – Luis Gomide

Faculty

Sadok Abdelli

MBA, Southern States University

Bachelor of Computer Information Systems, Faculty of Economic Sciences and Management,
Tunisia

Program: MSIT, GCert-IT

Teaching Locations: Irvine, Online

Mohammad Almuhana

DBA (Candidate), Data Analytics and Business Intelligence, Westcliff University

MS, Accounting and Business Management, California State University at Long Beach

MBA, Southern States University

BA, Accounting and Finance, Middle East University, Jordan

Program: MBA, BBA, Undergraduate Certificates, GCert-BA

Teaching Locations: Irvine, Online

Jesse Alunan

MBA, Southern States University

BA, Political Science, University of San Jose Recoletos, Philippines

Program: MBA, GCert-BA

Teaching Locations: San Diego, Online

Umut Aslan

DBA Candidate, Alliant International University

MBA, Southern States University

Program: MBA, GCert-BA

Teaching Locations: San Diego, Online

Peggy Bilbruck

EdD, Educational Leadership, University of Phoenix

MBA, University of Phoenix

BS, Business Management, University of Phoenix

Program: MBA, GCert-BA

Teaching Locations: Irvine, Online

Timothy Carr

MBA, Purdue University

BS, Business Administration, Boston University

Program: BBA, Undergraduate Certificates

Teaching Locations: Irvine, Online

Tem Bugarin

DBA, United States International University

MA, Business and Public Administration, United States International University

MA, International Relations, United States International University

Program: BBA, Undergraduate Certificates, MSIT, GCert-IT
Teaching Locations: San Diego, Online

Gustavo Del Rivero

DBA, California Intercontinental University
MBA, California Intercontinental University
BS, Mechanical Engineering, Northrop University

Program: MBA, GCert-BA

Teaching Locations: Irvine, Online

Maria Gerbersgagen

MBA, Southern States University
MSIT, Southern States University

Program: MSIT, GCIT, MBA, GCert-BA

Teaching Locations: Irvine, Online

Cindy Goussak

MBA, Pepperdine University
BA, Media, University of Arizona

Program: BBA, Undergraduate Certificates, MBA, GCert-BA

Teaching Locations: Las Vegas, Online

Ryan Hoskin

MBA, Grand Canyon University
MS, Leadership, Grand Canyon University
BS, Criminal Justice, University of Phoenix

Program: BBA, Undergraduate Certificates, MBA, GCert-BA

Teaching Locations: Las Vegas, Online

Kari Laitinen

Exec. JD, Concord Law School of Kaplan University
MBA, Pepperdine University
BA, History, Brigham Young University

Program: MBA, GCert-BA

Teaching Location: Irvine, Online

Dru Macasieb

MBA, National University
MA, Organizational Leadership, Brandman University
BA, Liberal Studies, California State University, San Marcos
BS, Web Design & Development, Independence University
BS, Cybersecurity and Networking, Independence University

Program: MSIT, GCIT

Teaching Location: San Diego, Online

Katie Males

EdD, University of Southern California
MA, Education, University of Phoenix
BA, History, California State University, Bakersfield
AA, Liberal Arts and Science, Bakersfield College

Program: BBA, Undergraduate Certificates

Teaching Location: Irvine, Online

Yuki Mun

DBA, Alliant International University
Master of International Business Administration, Alliant International University
MBA, International Management, University of Dallas
Bachelor of Home Economics, Kookmin University

Program: BBA, Undergraduate Certificates

Teaching Locations: Online

James Rosa

Ed.D., Education (Technology and Learning), Alliant International University
MBA, Keller Graduate School of Management, DeVry University
MS, Computer Science, West Coast University
BS, Computer Science, West Coast University

Program: MSIT, GCIT

Teaching Locations: Online

Steve Ryan

MA, English, City College of New York
BA, English, College of Staten Island
AA, Liberal Arts and Science, College of Staten Island

Program: BBA, Undergraduate Certificates

Teaching Locations: San Diego, Irvine, Online
