Instructional Learning Environments

Southern States University's programs are offered through two instructional learning environments:

- On-campus instruction (in-person)
- Online distance learning

All courses are conducted in English only.

On-Campus Instruction

On-campus courses are offered in traditional classroom settings within Southern States University campus locations. These in-person courses are supplemented with online course activities. Instructors may employ learning activities including lectures, case studies, research projects and examinations, as well as require interaction with the instructor and the other students during scheduled class times. Students are encouraged to use SSU's on-campus and virtual libraries, local public libraries, and other community resources to research the information they need as they progress through their individual programs of study.

All courses that take place on campuses employ a hybrid delivery platform in which students will attend on-campus classroom activities at regularly scheduled times as well as complete some learning activities and assessments via the student online distance learning platform over the internet.

Online Distance Learning

For online instruction, students access SSU's online courses via the internet, utilizing a web-based eLearning and course management platform. Students interact and collaborate with their instructor and classmates in the online platform anytime at their convenience. In this learning environment, courses require that students complete at least an equivalent amount of work as required for a traditionally delivered on-campus course so that the acquired levels of knowledge, skills, and/or competencies are at least equivalent to those acquired in a traditional format. Instructors may employ the same types of learning activities found in traditional on-campus courses, such as case studies, research projects, and examinations, as well as require interaction with the instructor and the other students via chat sessions and online discussion boards. Typically, interaction occurs throughout the week with assigned due dates throughout the term. Assignments will be returned within 7 calendar days.

To participate in distance learning instruction, students must be able to use a computer and have internet access.

Special Considerations for Online Education at SSU

All online courses and the online portion of on-campus courses are administered by the San Diego Campus (main campus).

100% online programs are available only to students residing in California and Nevada and to international Students residing outside of the United States. All 100% online programs are administered by the San Diego Campus and prospective students in a 100% online program will need to register through the San Diego campus.

Distance Education and International Students with F-1 Visas

International students with F-1 Visas in the U.S. may only enroll in online courses if they are simultaneously taking the required minimum number of on-campus (in-person) courses at SSU every term:

- graduate degree program (1 on-campus course minimum)

**Please also see the section about Enrollment Status for F1 students.*

International students residing outside the USA can enroll in any program courses while completing their courses on a 100% online basis.

Note: Should courses begin and end outside of the standard quarter start and end dates, such courses will be categorized as Spring, Summer, Fall, or Winter based on the course start date.

Course Length

Each regular course has been designed to be completed in 10 weeks, with the exception of the Winter 2024 term which was designed as a 7-week term under the same credit hour policy.

Credit Hour Policy

Southern States University uses a quarter credit system with four (4) terms per year: Summer, Fall, Winter, and Spring. The Academic Calendar runs from July 1st through June 30th of the following year. Each term is 10 weeks in length. A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. One (1) hour of classroom or direct faculty instruction and a minimum of two (2) hours of out of class student work each week for ten weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, practica, studio work, and other academic work leading to the award of credit hours.

For nontraditionally delivered courses, each unit of awarded credit is determined to ensure that at least an equivalent amount of work to that in a traditionally delivered course is required, so that the acquired levels of knowledge, skills, and/or competencies is at least equivalent to those acquired in a traditional format.

Course Credit Equivalency

Following best practices in higher education as outlined in “*A Guide to Best Practices: Awarding Transfer and Prior Learning Credit*” published by the **American Association of Collegiate Registrars and Admissions Officers (AACRAO)**, 1 quarter credit in each course is equivalent to 0.67 semester credits. This is by following the common practice of taking 1 quarter credit and dividing it by 1.5 semester credits. The following are the course credit equivalencies:

- 1.0 quarter credit = 0.67 semester credits
- 2.0 quarter credits = 1.33 semester credits
- 3.0 quarter credits = 2.0 semester credits
- 4.0 quarter credits = 2.67 semester credits
- 4.5 quarter credits = 3.0 semester credits
- 6.0 quarter credits = 4.0 semester credits

Student Course Schedule

Each student's course schedule will vary. On-campus courses may be scheduled in the morning, afternoon, or evening times Monday through Saturday. On-campus courses employ a hybrid modality of teaching and include mandatory online course components that will supplement and enhance the on-campus sessions. Online courses and the online portion of on-campus courses are based on a weekly schedule beginning on Monday and ending on Sunday. All online instruction is delivered through the student portal hosted through Moodle.

Familiarity with University Regulations, Policies, and Procedures

Through submission of the enrollment agreement, students acknowledge receipt of the Catalog and agree to abide by the policies, rules, and regulations of the University. Upon acceptance of the enrollment agreement, by signature either in ink or in electronic form, students acknowledge that they are bound by the policies of the University contained in this Catalog. This publication includes academic standards and the general requirements for graduation. Lack of knowledge or familiarity with the information contained in the University Catalog does not serve as an excuse for noncompliance or violations. The University provides assistance in the form of academic advising, but students are individually and personally responsible for meeting the published requirements of their respective programs.

The University understands that exceptions to the policies may be inevitable under extenuating circumstances, to which the University will make every reasonable effort to accommodate such circumstances within the confines of the policy's spirit of intent. Should students find it necessary to request an exception to established University policies and procedures, students may submit an Academic Appeal in accordance with the Student Grievance Policy and Procedure.

Academic Catalog Rights

All students who enroll within Southern States University are bound by the policies and regulations published in this Catalog, beginning on the effective date of this catalog or until such time a new catalog is released, not to exceed one year.

Each student is individually responsible for the information contained within this catalog. Students will not be exempt from any penalties as the result of failure to read and comply with University policies and procedures.

All students are subject to the requirements of the academic program that were listed in the catalog at the time of their admission. Students who withdraw from their program must re-apply for admission, unless the student is on a qualified Leave or Absence or on US military deployment, not to exceed 5 years. Re-admitted students are subject to the program requirements at the time of their readmission. A Leave of Absence is subject to the Maximum Time Frame policy of a program.

SSU intends to protect students concerning catalog rights. However, students should note that the courses required for a specific program of study may vary from one catalog publication to the next and often change during a student's tenure. To protect the catalog rights of students, the University allows actively enrolled students to select the graduation requirements (in their entirety) of either:

- The catalog which was in effect at the time the student was accepted into a program of study, or
- The catalog in effect when the student applies for graduation.

The University will authorize appropriate substitutions for discontinued or modified courses where students are following the program of study requirements as stated in the catalog under which they originally registered.

Catalog rights of students cannot supersede any State or Federal regulation or requirements governing students and the University. Digital copies of this and archived catalogs are available for download through <https://www.ssu.edu/academics/general-catalogs/>

Admissions Procedures

Admission Requirements and Standards – MBA

Students applying for admission to the MBA program are required to satisfy the following admission requirements:

1. Complete and submit an Enrollment Agreement (including School Performance Fact Sheet) and pay appropriate fees;
2. Provide verification of completion of a Bachelor's Degree in the form of an official transcript of record. Diplomas and transcripts from outside the U.S. must be evaluated by an NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
3. Submit official transcripts from all other universities or colleges previously attended; if a degree is awarded, transcripts from outside the U.S. must be evaluated by an NACES approved organization (<http://www.naces.org/members.htm>). Both a copy of the official foreign academic record and an official English translation must be included;
4. Submit a written, single-spaced essay of at least 1000 words detailing educational and work history, goals as they relate to education and work history, and the relationship between these goals and future career aspirations;
5. Submit two official Letters of Recommendation (professional or academic references only);
6. Provide a current resume;
7. Complete an interview with one or more members of the SSU Admissions Team, including an SSU Student Ambassador. Results of this interview will be considered when determining student acceptance to the university; and
8. English Language Proficiency Policy for all Degree-Seeking Students: Regardless of country of birth or citizenship, immigrant or nonimmigrant status, all applicants to Southern States University degree programs must demonstrate English language proficiency. Demonstration of English language proficiency can be satisfied if the applicant submits a diploma or transcript showing that the applicant has graduated from a government-recognized secondary school (or above) in a system in which English is the official language of instruction. Otherwise, the applicant will need to meet the minimum English Language Proficiency standard through one of the following:
 - TOEFL (Test of English as a Foreign Language) result of 97 or above on the IBT (Internet Based Test), 500 or above on the PBT (Paper Based Test), or
 - IELTS (International English Language Testing System) result of 6.0 or above, or
 - Duolingo English Test result of 100 or above, or
 - Completion of the Advanced English Level or the TOEFL Program at the International Academy of English (IAE). Verification is required with an official letter from IAE showing the student successfully completed the Advanced English level or TOEFL Program; or
 - Have previously studied in an English-medium at the university level program and maintained a minimum 3.0 GPA for at least one academic term.

Test scores more than two years old will not be accepted.

9. Ability-to-Benefit: SSU does not participate nor admit students using Ability-to-Benefit (ATB) criteria.
10. Experiential Learning: SSU does not award credit for prior experiential learning.
11. International Students on a Student Visa: In addition to the above items, international students applying for a student visa in the USA must submit the following:
 - i. Financial documentation confirming that the student has adequate resources to ensure that s/he can meet all obligations throughout the period of study. An official bank statement not more than three months old reflecting a minimum positive balance must be submitted either in the student's personal name or the student's financial sponsor's name (in which case an Affidavit of Financial Support is also required). The minimum balance required is determined by program choice, selection of payment option, and number of dependents;
 - ii. Copy of passport, including information page, Visa, and I-94 validity page; and
 - iii. Proof of Health Insurance: International students on a student visa must show proof of medical insurance prior to the program start date on the Form I-20. Failure to produce valid proof of insurance will result in an inability to enroll in classes and maintain status.

International Students on a Student Visa

For purposes of admission, an international student is defined as "a student who is, or will be, in the United States on a nonimmigrant student visa." This specifically refers to the Student (F) and Exchange Visitor (J) Visas. International student admission requirements apply to international students on F or J visas.

In addition to the general admission requirements listed in the ***Admissions Requirements and Standards***, the following regulations apply to all international students:

1. Official transcripts of the student's academic records (mark sheets) from all universities previously attended, evaluated by an NACES approved organization (<http://www.naces.org/member.htm>), must be submitted to SSU. Both a copy of the official foreign academic record and an official English translation must be included.
2. Students in the United States on F-1 visas do not typically have employment authorization. U.S. Government regulations require international students to certify that they have sufficient finances to pursue their studies *without the need for employment*. Thus, international students should not expect to support themselves through employment while attending the university.
3. International students in good academic standing have the option to apply for CPT after completing at least one continuous academic year. Through CPT, students can work part-time (20 hours or less per week) or full-time (20 hours or more per week) in a job integrally related to their curricular field of study. Full-time CPT will only be authorized when classes are not in session or if the student is on their normal approved Leave of Absence in a quarter. CPT work authorization is granted by the DSO.
4. International students who complete their degree program studies, can qualify to apply for Post-Completion OPT. If approved for work authorization through OPT, students are required to obtain employment directly related to their field of study within 90 days of receipt of their Employment Authorization Document (EAD) card and can work full-time for up to one year. Students need to contact their DSO prior to filing the OPT documentation

with USCIS. For more information, check the [instructions for Form I-765](#) on the USCIS website. International students can start working as soon as they receive the EAD card.

Note: There are two different kinds of OPT: pre-completion OPT and post-completion OPT. In order to use OPT before completing their program, students should apply for pre-completion OPT. It is recommended to apply for pre-completion OPT only if students have exhausted their eligibility for CPT. Pre-completion OPT ends on the student's program end date. After this occurs, students can apply for post-completion OPT. However, any time spent using pre-completion OPT will be deducted from the student's post-completion OPT eligible period. Part-time OPT will be deducted at half the full-time rate. SSU's DSO is always available to assist students when they need advice concerning these options.

5. Holders of F-1 student visas must maintain a full course of study and make normal academic progress, which is defined as follows:
 - i. Graduate students: a minimum of 2 classes per quarter term.

English Documentation

All documents must be in English. For all non-English documents, a certified and signed English translation must be attached. For official bank statements **only**, an administrator on campus may be available to translate the document into English.

Visa Services

Southern States University does not offer visa services to students. Upon admission into the university, international students are provided with an Acceptance Letter and Form I-20 for their visa interview at a U.S. embassy or consulate. The university can provide a Verification of Enrollment letter upon request to confirm the student's enrollment at the university.

International Students Transferring from Other Schools to SSU Must Provide:

- Official transcripts from all other universities or institutions previously attended, evaluated by an NACES approved organization (<http://www.naces.org/members.htm>).
- Course descriptions and syllabi for all transfer credit courses;
- School transfer documentation;
- Copy of the student's most recent I-20 form.

Form I-20: The Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status

Form I-20 [Certificate of Eligibility for Nonimmigrant (M-1/F-1) Student Status] is issued by U.S. institutions to students holding an M-1 or F-1 visa for the purposes of study in the U.S. Students with this status must receive a Form I-20 before beginning their coursework at SSU. To receive a Form I-20, the student must first be granted admission to SSU. F-1 student visa holders are required to demonstrate sufficient funding to cover the cost of living and academic expenses while studying at the university.

Health Insurance

Health insurance is a mandatory requirement for F-1 students in all programs. The deadline to submit proof of health insurance is no later than the program start date as shown on the Form I-20. Such students must also show proof of health insurance for the duration of their program in order to be enrolled in classes. Health insurance for international students is available from private companies. The university does not provide health insurance. Prospective and current students could choose from these private providers:

- ISI International Student Insurance, <https://www.internationalstudentinsurance.com/>
- IMG Global Insurance – International Student Health Insurance, <https://www.imglobal.com/international-student-health-insurance>
- ISOA International Student Insurance, <https://www.isoa.org/>
- iNext International Travel Protection, <https://www.inext.com/plans/travel-to-usa/>
- VISIT International Health Insurance, <https://www.visitinsurance.com/>
- Blue Shield of California, <https://www.blueshieldca.com/>
- eHealth Insurance, <https://www.ehealthinsurance.com/>
- Covered California, <https://www.coveredca.com/>

Maintaining Legal Status

It is very important that M-1/F-1 students maintain legal status while studying at SSU. In order to maintain legal status, the student must:

- have a valid passport;
- be enrolled as a full-time student and in attendance at the school that issued the Form I-20;
- report address changes within 10 days;
- maintain a cumulative GPA sufficient to remain in good academic standing with the University;
 - ❖ Students who are not making Satisfactory Academic Progress (SAP) may be placed on academic probation, the terms of which include a designated time frame in which the student must return their GPA to SAP standards or be dismissed from the University.
 - ❖ If an international student is dismissed from the University, the DSO must report the termination to SEVIS.
- notify the Designated School Official (DSO) prior to traveling outside the USA;
- notify the DSO upon applying for change of nonimmigrant status;
- notify the DSO upon approval of an adjustment of status to an immigrant;
- consult with the DSO about possible program extension (if needed).

An international student attending on a student visa may be administratively dismissed from classes if that student fails to meet the terms and conditions of the visa. See this Catalog for the Administrative Dismissal policy.

Sources of Credit

Transfer Credit – Graduate Degree Programs

Internal Transfers

All credits earned in SSU's graduate certificates are internally transferable to SSU's graduate degree programs if they comprise the same course requirements.

Transfer credit is not automatic, and the student will need to petition for it in order to be valid for the new program. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.

External Transfers

Graduate credits earned for comparable course work can be transferred into the Southern States University graduate degree programs if the following conditions are met:

- Official transcript of coursework is submitted to the University. Originating school must operate with approval of the regulatory agency of the state or country in which it is located, and have accreditation recognized by the USDE (or equivalent);
- Applicants with international credits wishing to qualify for transfer credit must establish equivalency with respect to academic credit by submitting transcripts for review and certification to a National Association of Credential Evaluation Services (www.naces.org) member organization;
- Course descriptions, as detailed in the catalog or syllabi of the originating institution, are comparable to SSU courses in terms of breadth, rigor, level, and depth;
- Courses must be completed with a minimum GPA of 3.0;
- Coursework must have been completed within seven (7) years of completing application to Southern States University;
- Credit value of completed coursework (or clock hours) cannot be less than that required by Southern States University (semester credits are converted to quarter credits by multiplying by 1.5, i.e., 3 semester credits multiplied by 1.5 equates to 4.5 quarter credits).

Students may transfer no more than 20 percent into a graduate program (13 credits in the MBA program and 11 credits in the MSIT program).

Students must petition before the beginning of their second term to obtain credit for any classes completed prior to their enrollment with SSU.

The University does not guarantee transfer of credits.

A student seeking transfer credit must request an official transcript be sent to Southern States University by the college or university awarding credit. In addition, students must submit a completed Petition for Transfer Credit form to the University Registrar. Consideration will be given to Petitions for Transfer Credit based on the aforementioned conditions.

Military Coursework and Experiential Credit

A maximum of 13 credits may be transferred from prior military coursework or experience. Coursework or experience must be evaluated by the American Council on Education (ACE), including the acceptance of the Joint Service Transcript (JST) recommended by ACE. The University does not grant experiential credit for work experience gained outside of the military. SSU maintains a written record of previous education or training of veterans and eligible persons clearly indicating where credit has been granted, if appropriate, and notifies them accordingly.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the Certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Southern States University to determine if your credits or degree will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

Readmission Policy Following Voluntary Program Withdrawal

Students who are in good financial and academic standing but voluntarily withdrew may reapply into the same program by submitting a new application for admission. Readmitted students are required to follow the policies of the catalog in effect at the time of readmission, including the degree requirements for their program to the effect that students may have additional or different program completion requirements than their original program of study. (See Admissions Requirements).

Students who return to a certificate or degree program will have all of their existing grades and GPA carry forward subject to all catalog policies in place at the time of readmission, including graduation requirements and Standards of Academic Progress standards. Students readmitted are subject to their original Maximum Time Frame (MTF).

Students considering voluntary withdrawal should first consider an approved Leave of Absence (see Leave of Absence policy) before withdrawal and discuss their intentions with their Academic Advisor.

Readmission to the University will not be considered if the student has an outstanding financial balance.

Readmission Policy Following Dismissal

Students who have been previously dismissed must wait at least one quarter before applying for readmission and must submit a new application for admission. Readmitted students are required to follow the policies of the catalog in effect at the time of readmission, including the degree requirements for their program to the effect that students may have additional or different program completion requirements than their original program of study. (See Admissions Requirements).

Students who return to a certificate or degree program will have all of their existing grades and GPA carry forward subject to all catalog policies in place at the time of readmission, including graduation requirements and Standards of Academic Progress standards. Students readmitted are subject to their original Maximum Time Frame (MTF).

Readmission to the University will not be considered if the student has an outstanding financial balance.

If students were dismissed due to their failure to meet Satisfactory Academic Progress standards or for Academic Misconduct and are readmitted and then dismissed again by the University for *any* reason, the student is considered to have been expelled and is therefore no longer eligible for subsequent readmission or acceptance into any program offered by SSU.

1. Submit a new Enrollment Agreement (including School Performance Fact Sheet) and pay appropriate fees;
2. Submit an updated resume;
3. Submit any other documents required for regular admission, unless SSU already has those documents on file; and
4. Submit a written, single-spaced essay of at least 1000 words addressing the details of the dismissal and explaining why and how the student believes readmission to the program will result in a successful outcome.
5. **International Students:** In addition to the above items, international students applying for a student visa seeking readmission must submit the following:
 - i. Financial documentation confirming that the student has adequate resources to ensure that s/he can meet all obligations throughout the period of study. An official bank statement not more than three months old reflecting a minimum positive balance must be submitted either in the student's personal name or the student's financial sponsor's name (in which case an Affidavit of Financial Support is also required). The minimum balance required is determined by program choice, selection of payment option, and number of dependents;
 - ii. Copy of passport, including information page, Visa, and I-94 validity page; and
 - iii. Proof of Health Insurance: International students on a student visa must show proof of medical insurance prior to the program start date on the Form I-20. Failure to produce valid proof of insurance will result in an inability to enroll in classes and maintain status.

International Registration Fee

The international registration fee is a one-time fee that is charged to international students who apply outside the United States and utilize SSU's designated school officials (DSO) for applying for an initial I-20 Form with SEVP. DSOs have specialized experience and training and can assist students with international student documentation requirements and processing for SEVP regulations.

This fee is not charged to students applying in the United States who do not need an initial I-20 Form and who can provide a state issued or government issued ID.

International Enrollment Fee

The international enrollment fee is a one-time fee that is charged to new international students in their first quarter who are registered in the SEVP system as initial F1 students and enroll in classes in the United States within 7 days after the program start date.

Application Fee

This fee covers the admissions application process. It is due during the application review process.

New Student Orientation Fee

This fee covers the orientation process for new students. It is due with a student's first payment before classes begin in the first quarter. It is non-refundable. Tuition Payment Option Policies

SSU offers students a number of payment options to pay for their academic studies at Southern States University. Students elect the payment plan of their choice as part of the Enrollment Agreement. Students wanting to change their Payment Plan option must contact the Bursar.

It should be noted that only the Processing Fee and the Quarterly General Library Fee are included in estimated total program costs

Tuition Policy: Quarterly Payment Plan (1 payment per quarter)

Students on the Quarterly Payment Plan are required to make their payment on Monday (excluding holidays; funds must be received by the university no later than Tuesday of the holiday week), one week prior to the first day of the academic term. Students who pay after the due date will be subject to a \$75 Late Payment Fee. Tuition Policy: Monthly Installment Payment Plan (3 payments per quarter)

Students on the Monthly Installment payment plan are required to make their payment on Monday (excluding holidays; funds must be received by the university no later than Tuesday of the holiday week), one week prior to the first day of the academic term and subsequent installment payments on the 15th of each month thereafter. Students who pay after the due date will be subject to a \$75 Late Payment Fee. The Bursar will notify the student by email, with a copy to the University Registrar, that they will be dropped from their classes if the full payment for the monthly installment has not been made.

Tuition Policy: International Students

International students dropped from their current classes must by law have their I-20 forms immediately terminated. This will also result in administrative dismissal from the University. Therefore, these students will need to consult immediately with their respective Designated School Official (DSO).

Financial Obligations

All accounts 30 days past due may be sent to a collection agency and students with accounts 30 or more days past due will be dismissed from the program unless evidence of legitimate mitigating circumstances can be verified by the Bursar. Refund Policies

Nevada Students: Student Refund Policy & Student's Right to Cancel (State of Nevada Code: NRS 394.449)

Right to Cancellation: Students have the right to cancel this enrollment agreement for three days from the date of signing the agreement for any reason.

Process for Cancellation: Students must request their Enrollment cancellation in writing to the Admissions Department by email at admissions@ssu.edu or in person at the campus. The University will return any monies paid by the student within 15 days of the request to cancel. Any funds paid by a third party on behalf of the student will be returned to the payee. Students who cancel after the three-day cancellation period are subject to the refund policy below.

1. The University refund policy is as follows (*State of Nevada Code NRS 394.449: Requirements of policy for refunds by institutions*):

- (a) If the University substantially fails to furnish a course or program as agreed upon in the enrollment agreement, SSU shall refund to a student all the money the student has paid.
- (b) That if a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10 percent of the tuition agreed upon in the enrollment agreement or \$150, whichever is less, and that if the institution is accredited by a regional accrediting agency recognized by the United States Department of Education, the institution may also retain any amount paid as a nonrefundable deposit to secure a position in the program upon acceptance so long as the institution clearly disclosed to the applicant that the deposit was nonrefundable before the deposit was paid.
- (c) That if a student withdraws or is expelled by the institution after the start of the training program and before the completion of more than 60 percent of the program, the institution shall refund to the student a pro rata amount of the tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or \$150, whichever is less.

Class registration or program withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. Students who withdraw before 60% of a quarter is completed are eligible to receive a partial refund of tuition and fees paid. Students have a right to cancel their class registration or to withdraw from a program and obtain a refund by submitting a *Withdrawal Form* to the Registrar's Office prior to the withdrawal deadline. Only when the completed *Withdrawal Form* has been submitted to the Registrar's Office does the withdrawal become official. The effective date used to determine a refund of fees will be based and computed from the last possible date of class attendance (regardless of whether the student attended).

Refunds will be made within **15 days** of official withdrawal, or within **15 days** of the date of the last possible day of the student's attendance. The refund distribution will be handled as prescribed by federal and state law, as well as according to accrediting body regulations. The refund procedure is uniformly applied to all students, regardless of the form of their tuition payment. **In case of conflicting laws and/or regulations, the most restrictive regulation will apply.** A student may receive a refund check

only when the refund amount exceeds the balance that he/she owes to the University. The basis for refunds is as follows:

$$\text{Refund Amount} = \text{All prepaid amounts} - (\text{non-refundable fees})$$

Students who withdraw from the University after the first day of the term, but prior to completion of greater than 60% of the term currently enrolled in, are entitled to a refund on a prorated basis, less the non-refundable fees. Please see the example below:

$$\text{Refund Amount} = [(\text{all prepaid amounts for the courses being withdrawn from}) \times (\text{days left to be completed} / \text{total number of days in quarter})] - (\text{non-refundable fees})$$

If the **(days left to be completed / total number of days in quarter)** is less than 40%, then no refund is due to the student.

(d) That if a student withdraws or is expelled by the institution after completion of more than 60 percent of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

2. If a refund is owed pursuant to subsection 1, the institution shall pay the refund to the person or entity who paid the tuition within **15 calendar days** after the:

- (a) Date of cancellation by a student of his or her enrollment;
- (b) Date of termination by the institution of the enrollment of a student;
- (c) Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
- (d) Last day of attendance of a student, whichever is applicable.

3. Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the University for refunds required by this subsection on a case-by-case basis.

4. For the purposes of this section:

- (a) The period of a student's attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student's last day of actual attendance, regardless of absences.
- (b) The period of time for a training program is the period set forth in the enrollment agreement.
- (c) Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

5. As used in this section, "substantially failed to furnish" includes cancelling or changing a training program agreed upon in the enrollment agreement without:

- (a) Offering the student a fair chance to complete the same program or another program with a demonstrated possibility of placement equal to or higher than the possibility of placement of the program in which the student is enrolled within approximately the same period at no additional cost; or
- (b) Obtaining the written agreement of the student to the specified changes and a statement that the student is not being coerced or forced into accepting the changes, unless the cancellation or change of a program is in response to a change in the requirements to enter an occupation.

Scholarships and Grants

Southern States University offers scholarships as specified below.

Employee Tuition Scholarship Program

The Employee Tuition Scholarship Program (“ETSP”) allows for Southern States University Employees in good standing to complete courses and programs administered by their employer tuition-free.

Initial Eligibility Requirements:

To qualify for the ETSP, the employee must:

- be a full-time or part-time permanent employee who has worked continuously for the institution for a minimum of three (3) months, and
- formally apply to and be accepted into their desired course or academic program of study under applicable admissions criteria as published in the Academic Catalog. The Application Fee will be waived.

NOTE: SSU student workers are not eligible for this scholarship.

Once accepted:

- the employee will be responsible for the payment of all student fees and procurement of all necessary textbooks and course materials, and
- the employer will pay all tuition charges on a term-by-term basis until course or program completion.

Scholarship payments will be suspended or revoked under the following circumstances:

- The student’s employment with the institution terminates;
- The student is placed on academic probation;
- If the non-scholarship portion of the student's payment plan becomes past due in excess of 30 days; or
- If the student is found guilty of academic misconduct.

Grants

Grants are non-refundable awards that may be made to students in need in order to assist with paying university tuition and fee expenses. Should SSU receive grant funding, the funds will be applied as directed by the grantor and recorded as a credit toward the student’s financial obligations with SSU.

Policies and Procedures

Student Administration Policies and Procedures

Class Progress Policy

To successfully pass courses at SSU, students must successfully meet the minimum attendance requirements, and receive passing grades on all assignments, exams, activities, and course project components.

Attendance

As regular attendance and academic achievement are closely linked, University policies concerning student attendance are necessary for ensuring students are meeting the terms of satisfactory academic progress. It is the policy of the University that once a student is registered in a course, the student is required to be regular and punctual in class attendance throughout all class sessions. Being absent or being late to a class DOES NOT excuse the student from learning course material, from submitting required assignments on time, from gaining participation points and/or from fulfilling other course requirements. **When students are absent, they must immediately notify their instructor(s) in writing.** Absences are counted from the first official meeting of the class regardless of the date of a student's enrollment. Consequently, a student who registers late must carefully monitor their regular attendance during the remainder of the term.

At SSU more than 2 absences in a course is considered excessive. Students who have more than 2 absences in a class will need to provide official documentation to their instructor explaining the absences due to legitimate mitigating circumstances (e.g., death in the family, sickness of the student, car accident, etc.); otherwise, failure to properly notify their instructor with official documentation requesting the excused absences will lead to an "F" grade regardless of the work completed. In addition, **the maximum number of combined excused and unexcused absences is 4.** Students that have more than 4 combined excused and unexcused absences will receive a failing grade ("F") regardless of the work completed.

Regarding online courses, the attendance policy above applies in the same manner. Students are required to participate every week in their online course(s) by accessing all the required reading material and assignments made available for a course through the school's online course management system and by submitting or completing the weekly assignments by their due dates. Students that do not submit or complete the required assignments (including online discussions) will be marked absent for the entire week in which those assignments were due.

Withdrawal from a Course

In order to withdraw from a course, the students must obtain a Withdrawal Form and submit it to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

Leave of Absence

All students are eligible to file a Leave of Absence Request if they have completed at least one (1) quarter at Southern States University. Southern States University students who wish to take a Leave of

Absence for medical or some other unexpected circumstance may do so by submitting a Request for Leave of Absence Form by the add/drop deadline each quarter to the Officer of the Registrar. The maximum period allowed for a Leave of Absence is 12 months but subject to the Maximum Time Frame policy of a program.

Special Considerations for International students attending school on an F-1 visa:

- As a rule, such students must complete at least one (1) academic year of courses before taking a leave of absence. An academic year is defined as 3 consecutive quarters.
- Generally, such students may request no more than one (1) quarter of leave.
- Students who have either been SSU students for less than one (1) year or who may need more than one (1) quarter of leave from their studies should consult with the Designated School Official (DSO) to see if any exceptions apply.

Voluntary Withdrawal from the University

In order to withdraw from a degree or certificate program, a student must submit a Withdrawal form to the Registrar's Office. Only when the completed Withdrawal Form has been submitted to the Registrar's Office does the withdrawal become official.

If the student has the need to withdraw during the course of an academic quarter, the student must complete a Withdrawal Form, as described in the preceding paragraph, and must indicate on the form that he/she is withdrawing from classes in progress and agrees to pay the fees associated therewith. See the Payments and Refunds section of this catalog to determine if a refund applies.

Transfer to another Institution

Transfer requests are formalized with a Withdrawal Form. This form should be completed before the first day of the academic quarter.

If a student is not in good academic standing at the time of their request to transfer, their SEVIS record will be terminated and transferred out to the new institution.

International F1 students must consult with a DSO prior to withdrawing from any courses. Without being admitted to a new institution an F-1 student cannot decide to stop attending classes at SSU. Such action would be a violation of the student's immigration status, and SSU would be required to terminate the student's SEVIS record. Once this occurs, the student would need to apply for re-instatement at the institution he/she wishes to transfer to.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Southern States University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the coursework you earn in any of SSU's Educational Programs is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet

your educational goals. This may include contacting an institution to which you may seek to transfer after attending SSU to determine if your coursework will transfer.

Southern States University has not entered into articulation or transfer agreements with any other college or university.

Administrative Dismissal

A student may be administratively dismissed from classes because of non-payment of tuition or fees.

A student may be administratively dismissed from a program or a class because of disruptive or unacceptable behavior.

Students administratively dismissed from classes during a term for any reason are required to pay for the cost of the classes that have passed as if the dismissal were a withdrawal but are not required to pay drop fees. If the administrative dismissal occurs after the Withdrawal Deadline for the quarter, the student is required to pay for the entire term.

A student may be dismissed from the university due to failure to maintain communication with the university for a period exceeding 12 or more months.

Students have the right to appeal such actions taken by University administration. Regulations governing original hearings and appeal rights and procedures are designed to give maximum protection to both the individual and the University.

To appeal an Administrative Dismissal a student must submit a Request for Administrative Determination to the Chancellor within 15 days after they have been notified of their dismissal. This Request must be in writing and must include any and all evidence and documentation regarding the circumstances of the student's dismissal, any events or situations that had direct implications on this dismissal, and the grounds of appeal on the specific factor that may have received insufficient consideration. These grounds may include, for example:

- 1) legitimate mitigating circumstances (i.e., death in the family, sickness of the student, etc.)
- 2) an inconsistent or inappropriately harsh penalty
- 3) incorrect use of the disciplinary procedure.

A ruling on the appeal will be issued within 15 days following receipt of the written documentation. The decision of the Chancellor is final and cannot be appealed.

Student Records, Privacy, and Information Security Program

At Southern States University, nothing is more important to us than the success of our students and website users, including the protection of their personal data. With students and users from all around the world, the University adheres to the following records, privacy, and information security regulations:

- Family Education Rights and Privacy Act (FERPA),
- Gramm-Leach-Bliley Act: Sections 501 and 505 (b) (2),
- FTC regulations: 16 CFR 313.3 (n) and 16 CFR 314.1-5
- US Code: 15 USC 6801 (b), 6805 (b) (2)

- European Union's General Data Protection Regulation (GDPR).

Southern States University has designed the information security program under the direction of the Director of Administration and in collaboration of the Office of the Registrar. The Director of Administration is the officer responsible for oversight, revision, and maintenance of the University's security program. The Office of the Registrar is responsible for collecting and maintaining official academic records for all applicants and students admitted to Southern States University and promotes student success beginning with the student's application to the University and concluding with graduation from SSU.

All documents submitted to the University become the permanent possession of SSU and cannot be returned to applicants and students under any circumstances. Applicants and students are encouraged to make copies of important documents and maintain said copies for their personal files. Holds may be placed on student records, transcripts, grades, or registration because of financial or other obligations to the University. Satisfaction of holds is required before a release is granted.

The Office of Admissions and Records for all students is maintained at the University office in San Diego, CA. Requests for information should be sent to SSU Admissions and Records, 1729 5th Avenue, San Diego, CA, 92101 or registrar@ssu.edu.

For information on how SSU follows the protections of the Gramm-Leach-Bliley Act and the General Data Protection Regulations, as well as the policies and procedures used by SSU to safeguard information, visit <https://www.ssu.edu/privacy-policy/>.

FERPA: Confidentiality and Release of Student Records

Southern States University adheres to the regulations and guidelines outlined in the Family Education Rights and Privacy Act (FERPA) of 1974. Under FERPA, school officials may not disclose personally identifiable information, nor permit inspection of student records without written permission from the student (unless such action is covered by exceptions permitted by the Act), and students are permitted to inspect their personal education records.

Education records are any records, with certain exceptions, maintained by University that directly relate to a student's education. This includes any and all information, maintained in any medium, that is directly related to students and from which students can be personally identified. The following are considered part of a student's educational record:

- Letters of recommendation (Note: students do not have the right to inspect these letters unless the author of the recommendation has granted such a waiver.)
- Student enrollment, registration, and course completion data, including course assignments and final grades
- Student applications forms
- Student transcripts from previously attended institutions, including high school and other colleges and universities
- Directory Information

Access to Academic Records and Information:

Under FERPA, students and former students have the right to inspect and review their personal student educational records within 45 days of the day the University receives a request for access. Students also have the right to request an amendment of their educational records that are believed to be inaccurate or misleading, and the right to consent or revoke the disclosure of all or part of their educational records, including Directory Information.

- Students should submit a written request to the Registrar specifying the record(s) they wish to inspect. The Registrar or Registrar's designee will make arrangements for access and notify the student of the time and place where the records may be inspected.
- Students seeking to amend or contest content within their student record. Students may request a determination regarding changes to their records. Such requests must follow the Academic Grievance and Appeal Policies and Procedures. Upon receipt of the request, the Registrar will initiate a review, consulting with any appropriate University official and/or forwarding the request to such officials when necessary. A decision regarding the request will be rendered within 30 days except where a request may require additional pertinent information or verification from an outside agency or party, in which case the decision will be rendered within 30 days after receipt of such information. If a material error in the record is established, or an update is warranted, a change or correction will be made.
- Students wishing to disclose their record to a person or entity other than themselves must provide SSU with a written release to that third party.

Students have the right to consent to the disclosure of personally identifiable information (PII) contained in their educational records, except to the extent FERPA authorizes disclosure without consent, as listed below:

- Disclosure of information to school officials is limited to the needs of the official to execute their official duties and under the existence of a legitimate educational interest. A school official is a person employed or appointed by the University to serve as an administrator, faculty member, or as support staff; a person or company with whom the University has contracted, or a student serving on an official committee (such as a disciplinary or grievance committee) or assisting another school official in performing his or her tasks.
- Law enforcement may access student records under a subpoena.
- Upon request, the University discloses educational records without consent to officials of another school in which a student seeks or intends to enroll. (Note: FERPA requires that the University make a reasonable attempt to notify the student of the records request).
- Accreditors and regulatory organizations that have a right to inspect student records without explicit student consent to the extent that the accrediting and regulatory organizations need the record in order to carry out their official evaluation or function.
- Students wishing to authorize another party (e.g., spouse or financial sponsor) to access personal and specific student data, must submit a written notification to the University with the full name of the person or agency and what information may be disclosed. Named parties must know PII regarding the student before any University official will discuss student records with the named party.
- Nonimmigrant students are not covered by FERPA with respect to information collecting and releasing information to federal agencies with respect to SEVP/SEVIS. The Illegal Immigration Reform and Immigration Responsibility Act (IIRIRA) of 1996, states: "The Family Educational

Rights and Privacy Act of 1974 [20 U.S.C. 1232g] shall not apply to aliens described in subsection (a) of this section to the extent that the Attorney General determines necessary to carry out the program under subsection (a) of this section.”

Directory Information

In accordance with FERPA, schools may disclose what the institution has deemed “Directory Information” to third parties without student consent. Southern States University has designated the following information as "Directory Information" within the provisions of 34 CFR § 99.37 and the applicable regulations as this information is generally not considered harmful or an invasion of privacy if released. Directory information is provided upon request in accordance with state and federal laws and statutes.

Additional Directory Information of Student Employees:

- Department where employed, and

Students have the right to refuse to allow the University to release any or all of this information as directory information. Students wishing to withhold Directory Information must submit a signed written request to the SSU Office of Admissions and Records, Attn: Registrar.

In accordance with the Family Educational Rights and Privacy Act (FERPA), personally identifiable information in education records may not be released without prior written consent from the student.

Some examples of information that **WILL NOT BE RELEASED** without prior written consent of the student are:

The University will not release personally identifiable information from a student’s education records without the student’s prior written consent. Notwithstanding this policy, exceptions may be made for authorized officials of State or Federal agencies, if and when such access is necessary for audit or evaluation of educational programs supported by such agencies.

Records Retention

Student records will be retained according to the following schedule:

- For students who apply to the University but take no further actions with the university (including registration and enrollment), the minimum retention period is one (1) year after the application term.
- For students who enroll, all student records are stored permanently, including transcripts.

Student Verification and Identity Verification

All students must verify their student I.D. number as a form of a personally identifiable information with any university official or faculty before any student record information will be discussed or released over the phone, in person, or via email with a student. Please note that students asking for an official transcript need to request it in writing by submitting the Official Transcript Request Form to the Registrar. Students wishing to disclose their record to a person or entity other than themselves must provide SSU with a written release to that third party (refer to FERPA section above).

Policy for Online Student Verification

According to the U.S. Higher Education Opportunity Act of 2008, Southern States University needs to verify that a student who registers in our online course management system, Moodle, will be the same student who completes all course assessments as given in a course. At Southern States University, students in online and onsite courses are required to use Moodle, a secured online portal requiring a unique username and password, using the assigned Moodle username as given at the time of admissions at the University. Consequently, individual instructors will be able to check the identity of a student by checking a student's activity record on Moodle which contains the IP address, login and access dates, and specific time spent on Moodle under different activities, such as online exams. There are no additional charges for this online verification process.

Student Identity Protection

Upon admission, students will be assigned a Moodle account. Students must provide the University with a full name and email address which will be used for the creation of a student's account on Moodle. A student's name will be made available to other students enrolled in a course on Moodle; however, email addresses will not. A student on Moodle will have the option of making his/her own email address available to the rest of the participants in a class by setting his/her own profile on Moodle. There are no additional charges for this online identity protection setting.

Student Responsibility

A student enrolled in an online or onsite course through Moodle is expected to follow the University's academic honesty policy. Cheating and plagiarism (using someone else's ideas, writings or materials as one's own without acknowledgement or permission) can result in any one of a variety of sanctions. Such penalties may range from an adjusted grade on the particular exam, paper, project, or assignment to a failing grade in the course. The instructor may also summarily suspend the student from the class when the infraction occurs. For further clarification and information on these issues, please consult with your instructor.

Academic Policies and Procedures

Course Types Offered

Southern States University places courses into two or three categories within a specific program of study: core, elective, and general education (where applicable). Each course may be applied to one or more of these course types based on the specific graduation requirements of each distinct academic program of study.

Core Courses

Courses designated as “Core” are those that are required for a given program of study. Undergraduate students must achieve grades of “D” or better in all core courses in their program of study. Graduate students must achieve grades of “C” or better in all core courses.

Elective Courses

Elective courses are taken by students seeking to fulfill credit requirements for their program of study that are not explicitly required for program completion. To apply the course to degree completion, the course must be directly applicable to the Program Learning Outcomes. Elective course grades earned must be “D” or better for undergraduate students or “C” or better for graduate students. Students are encouraged to discuss their elective course options with their Academic Advisor before enrolling.

General Education for Undergraduate Students

General education courses are intended to provide students with broad knowledge in English, mathematics, speech, historical, social, economic, scientific, and philosophical studies. The general education requirements help to develop skills and competencies that enhance both academic, personal, and professional success.

General Education Learning Outcomes (GELOs)

GELO 1: Apply written communication skills in a professional setting.

GELO 2: Demonstrate oral communication skills for presenting ideas in front of a diverse audience.

GELO 3: Apply quantitative reasoning skills for analyzing information and facts in a complex world.

GELO 4: Utilize information literacy skills for gathering scientific underpinnings, facts, and information.

GELO 5: Apply critical thinking skills for making well-informed decisions.

Definition of General Education Subjects

English Composition

Courses in English Composition enhance the ability to read and listen critically and to communicate ideas, feelings, information, and knowledge. The skills learned in these studies also enhance the ability to evaluate, solve problems, and make reasoned decisions. College-level English is the only discipline considered to fulfill this requirement.

Human Communication

These courses develop and improve effective communication skills and use logical thought processes to communicate and express results. Through the use of effective resources, students can interpret and analyze problems, evaluate answers, make judgments, and enhance general knowledge. Disciplines considered for fulfilling this requirement include communication, speech, and world languages.

Natural Sciences (Life or Physical)

These courses help develop awareness, appreciation, and understanding of the relationships between the world of natural phenomena and human activities. The use of the scientific method will be used to investigate and judge naturally occurring phenomena and the various roles of humankind in nature. Courses include astronomy, biology, chemistry, general physical science, geology, meteorology, oceanography, physical geography, physical anthropology, and physics. Other natural science courses may be considered.

Humanities

Courses in humanities encompass a study of the human condition with the use of analytic, critical, and speculative methods. These courses develop awareness and response regarding the ways people, both past and present, use thought, language, and communication concepts regarding individual, social, and cultural values, beliefs, and traditions. Courses include visual art, history, literature, performing arts, and philosophy.

Social, Behavioral, and Political Sciences

Social, behavioral, and political science courses focus on people as members of society and promote the appreciation of how institutions, groups, and individuals in societies operate and stimulate critical thinking regarding the actions and response of a given society. These courses focus on the interaction of social, economic, political, geographic, linguistic, religious and cultural factors, with emphasis on the ways humans understand the complex nature of their existence. Disciplines considered for fulfilling this requirement include cultural anthropology, cultural geography, economics, linguistics, political science, psychology, sociology, ethics, and world civilizations.

Mathematics

Courses in mathematics and quantitative reasoning will cover the science of numbers, symbols in place of numbers, and their operations, interrelations, combinations, generalizations, and abstractions and of space configurations and their structure, measurement, transformations, and generalizations to solve equations with supporting explanations. Students must take and pass elementary, college or intermediate algebra, the equivalent, or higher-level mathematics and quantitative reasoning course to fulfill this requirement.

W		Withdrawal		N/A
IP		In Progress		N/A
P		Pass		N/A
NP		Not Pass		N/A
I		Incomplete		N/A
T		Transfer Credit		N/A
AU		Audit		N/A
(R) or *		Repeated Course		N/A
Grade points listed as "N/A" are not included in the GPA calculation.				

Explanation of Special Grades

- **W** - Withdrawal. Students will be issued a "W" when students withdraw from a class after the seventh day of the quarter start date or after 25% of course completion timeframe, but before 75% of course completion timeframe, whichever occurs first. Withdrawals remain on the transcript, and no grade points are assigned. "W" is a permanent grade.
- **P** - Pass. Indicates credit granted with no grade points being assigned.
- **NP** - Not Pass. Indicates no credit or grade points being granted.
- **IP** – In Progress. Upon the processing of student transcripts, if a course is in progress and/or a final grade has not been posted due to SSU processing, an In Progress ("IP") will be notated. Course notated with an "IP" are not included in the calculation of GPA.
- **I** - Incomplete. Given to students who have not completed mandatory assignments, quizzes, or examinations, at the discretion of the instructor. An incomplete grade will only be given to students who have completed at least seventy percent (70%) of a course and cannot continue due to unforeseen circumstances. Final discretion is given to the instructor as to whether this grade is appropriate. Incomplete grades must be removed no later than one quarter following the quarter in which the "I" is granted. An "I" not removed within one quarter will become an "F". No grade points are assigned for an "I" grade. An "F" will be calculated into the grade point average.
- **T** - Transfer. This grade is noted for transferred credit; no grade is assigned for each transferred class, and the credit is not calculated into grade point average.

- **AU** - Audit. Students who do not wish to earn a letter grade and wish to take a course for personal enrichment may take the course for no credit. Audited courses are subject to the current tuition and fees. Students auditing a course may not request that an “AU” be changed to a letter grade. Audited courses are not counted toward academic progress and are not calculated into the grade point average.
- **(R)** or *****– Repeated courses will be annotated on student transcripts with the awarded letter grade preceded by (R) or an asterisk *. Credit for a repeated course is given only once, but the grade assigned at each enrollment shall be permanently recorded on the Official Transcript.

Repeated courses affect academic progress as follows:

- Cumulative Grade Point Average - Only the most recent grade counts in the student’s Cumulative GPA, regardless of grade earned. Grades earned at Southern States University remain counted in the student’s grade point average if the course is repeated at another institution.
- Cumulative Completion Rate and Maximum Time Frame - When a course is repeated, each course attempt will be counted as attempted hours.

Grade Point Average

Quarter Grade Point Average (GPA)

Quarterly GPA is calculated from all courses completed in the same academic term (e.g. Fall, Winter, Spring, Summer) for which the student is assigned grade points, as presented in the SSU Grading Scale, and then using the following process:

1. Multiply the number of credits for each course by grade points associated with the grade earned,
2. Total the grade points earned for all the courses attempted,
3. Divide the total grade points earned by the total number of credits for those classes.

The Quarterly GPA is used to determine recognition for the Chancellor’s List and in assessing Satisfactory Academic Progress (SAP).

Cumulative Grade Point Averages (GPA)

A student’s cumulative grade point average is calculated from *all* courses for which the student is assigned grade points, as presented in the SSU Grading Scale, and then using the following process:

1. Multiply the number of credits for each course by grade points associated with the grade earned,
2. Total the grade points earned for all the courses attempted,
3. Divide the total grade points earned by the total number of credits for those classes.

The Cumulative GPA is used to determine graduation honors and program graduation requirements.

Grade Appeals Policy

The University recognizes Faculty’s authority to determine student grades. Faculty are required to articulate and document their course requirements and standards of performance in their course syllabi. All grades submitted to the Registrar, reflecting these articulated course requirements and standards of performance, are assumed to be accurate and final.

To alter a student's grade, Faculty must submit the Grade Change Request Form to the Registrar. Changes may only be submitted for errors that were conducted during the summation or transmittal of final grades. "I" or Incomplete grades can be changed no later than one quarter following the original course completion date. Grades may not be altered/changed based on work turned in or revised after grades have been submitted (excluding grades of "I" or Incomplete).

If a student has an issue about an assigned grade, the student should first consult with the Faculty. If, at the conclusion of any such consultation, the student does not believe the issue has been resolved and believes there are legitimate grounds for appealing the grade, the student may file a formal Grade Appeal.

A formal Grade Appeal can be filed when a student can document any of the following:

- An error in calculating the grade has occurred, including situations in which properly and timely submitted assignments have not been accounted for;
- There has been a failure of the Faculty to properly notify students of the course requirements and standards of performance;
- A student's grade is the result of any unlawful discrimination or sexual harassment as comports with the University's policies regarding discrimination.

To be considered, a student's Grade Appeal must be submitted within one academic quarter after the grade has been submitted, and must include any and all evidence and documentation that demonstrates the occurrence of one (or more) of the above-listed grounds for appeal.

A student may file a formal Grade Appeal by submitting a Grade Appeal Form to the Chief Academic Officer detailing the reason or reasons for the appeal of the grade (as articulated above) and including any supporting documentation. The burden is on the student to prove the existence or occurrence of one (or more) of the grounds for appeal.

Grade Appeals will be forwarded to Faculty for a response, and this response must be submitted to the Chief Academic Officer within 10 days of receipt. A final decision by the Chief Academic Officer will be rendered within 30 days of the receipt of the Faculty's response. The decision of the Chief Academic Officer is final and cannot be appealed.

Course Repeat Policy

Students may be required to, or may choose to, repeat a class in order to improve academic performance. Undergraduate students may repeat up to four courses, Graduate students may repeat up to two courses, and Certificate students may repeat up to one course. Classes may only be repeated one time. Students may not repeat courses in which a grade of "B" or better has been earned. The new grade will be included in the GPA computation; the old grade remains but will not affect the GPA. Students will be charged the full tuition rate when repeating a course.

Scholastic Honors

SSU values students for their academic achievements. The following are scholastic achievements that are recognized:

Chancellor's List

At the conclusion of every quarter, students who earn a GPA in that respective quarter of 3.8 or above will be placed on the Chancellor's List with a notation on their official University Transcript.

Graduation with Honors

Graduation with Honors is available to students whose academic record indicates superior achievement. Earned honors are noted on official University Transcripts.

- Graduate degree students who earn a GPA of 3.8 or above will earn "*Honors*."
- Undergraduate degree students who earn a GPA of 3.5 to 3.7 will graduate earning Latin honors of "*Cum Laude*."
- Undergraduate degree students who earn a GPA of 3.8 to 3.9 will graduate earning Latin honors of "*Magna Cum Laude*."
- Undergraduate degree students who earn a GPA of 4.0 will graduate earning Latin honors of "*Summa Cum Laude*."

Student Standing

Students attending Southern States University are categorized by enrollment status, financial status, and academic standing: satisfactory academic progress (SAP). All active students are expected to maintain satisfactory academic progress in their academic program of study and maintain positive financial standing.

Enrollment Status

Active SSU Students are placed into one of two (2) categories of enrollment: full-time or part-time.

- Full-time enrollment per term consists of:
 - Graduate degree: minimum of 2 graduate courses
- Part-time enrollment per term is considered for those students that enroll in less than the minimum required for a full-time basis in their program.

Note: Students who are not enrolled in the current or next academic term are considered to be "Inactive" unless if an official Leave of Absence Request is submitted.

Enrollment Status for F1 students

In order to comply with the requirements of a student visa (F-1), an F-1 visa holder needs to enroll as a full-time student every term. Exceptions apply if an F-1 student is granted an official Leave of Absence.

In addition, F-1 students are allowed to enroll in no more than 1 online course per quarter as part of their minimum full course of study requirement; that is 1 online course worth 4.5 quarter credits or 3.0 semester credits for undergraduate students and 4.0 quarter credits or 2.67 semester credits for graduate students.

Financial Standing

All current students, former students, and graduates of SSU are assigned a financial standing based on the balance of their financial account with the University. Students, former students, and graduates are

in good financial standing when their account is paid in full through the Student Financial Services Office or when students are current with their payment plans. Students must be in good financial standing in order to access their online course platform, register for future courses, receive diplomas, and/or other forms of recognition or recommendation from the University.

Students will have a “Financial Hold” placed on their account if their account with the university has an outstanding balance or students are late with their payment in accordance with their approved payment plan, which includes but is not limited to deferred payment accounts that become past due. A late payment fee will be charged to all student accounts that become past due. Current students will be subject to a dismissal if they have an unpaid account past 30 days. International Students with a dismissal face jeopardizing the status of their F1 Visa.

Academic Standing

All students must be progressing toward completion of their academic program of study while maintaining a satisfactory GPA (Satisfactory Academic Progress) and within a defined time period Maximum Time Frame.

Satisfactory Academic Progress (SAP)

Academic progress is assessed by: (a) cumulative grade point average (GPA), and (b) the Maximum Time Frame.

Cumulative Grade Point Average (CGPA) and SAP

All students accepted into an SSU program of study must maintain an undergraduate cumulative grade point average (GPA) of 2.0, a graduate cumulative grade point average (GPA) of 3.0, and/or a “Satisfactory” student standing to remain in positive academic standing. If students fall below minimum standards of scholarship, the University will place the students on Academic Probation or Academic Dismissal.

Grades and SAP

- The following grades will lower the percentage of courses successfully completed because of their inclusion in courses attempted, negatively affecting GPA:
 - ❖ **Undergraduate:** F or Failing
 - ❖ **Graduate:** C-, D or F, which are failing grades
 - ❖ NP or No Pass
 - ❖ I or Incomplete
- Courses that have been audited or transferred from another institution are not calculated into the GPA for purposes of SAP.
- Students who complete or leave an SSU program and later seeks to complete a different SSU program should note that the credits and/or grades from the original program do not carry over to the new program when considering SAP.

Incomplete (I) and SAP

Incomplete (I) is given to students who, in the judgment of the instructor, are unable to complete the requirements of a course before the end of the quarter because of unforeseen circumstances and justifiable reasons. This grade is recorded on the student's transcript. An Incomplete (I) grade is not included in the calculation of the student's cumulative GPA. However, an (I) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (I) grade will be added to Total Units Attempted. To receive credit for the course, work must be finished within one quarter after receiving the Incomplete (I) grade. If the instructor who issued the "I" grade is no longer teaching, the Chief Academic Officer will determine the work needed to complete the course and assign it to an instructor who is currently teaching the same course. If the work was finished on time, the instructor must fill-out and sign the Grade Change Request Form and submit it to the Registrar within one quarter after the quarter when the Incomplete (I) grade was recorded. If however the work was not finished on time, an "F" grade will be posted on the student's transcript. Multiple Incomplete grades may lead to academic probation or dismissal from the University.

Repeated Course (R) and SAP

A student who is required to repeat a course must complete it within the maximum time frame and is charged tuition at the regular published rate. All course repetitions count as courses attempted for purposes of determining Satisfactory Academic Progress. The first grade earned in a repeated course is not included in the calculation of the student's cumulative GPA.

Audit (AU) and SAP

The grade of AU is awarded for courses taken for audit. Audit grades are not awarded unless the student is registered for audit. (AU) grades are not included in the calculation of the student's cumulative GPA. However, an (AU) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (AU) grade will be added to Total Units Attempted.

Withdrawal (W) and SAP

Students may withdraw from courses up to the Monday of the second week of classes without affecting their grade point average. Withdrawal from enrolled classes thereafter, with the proper withdrawal procedure, will result in a "W" grade recorded in the official transcript up to the allowed withdrawal deadline. A grade of "F" will be automatically entered in the grade report if the student does not withdraw by the withdrawal deadline. Withdrawal (W) grades are not included in the GPA.

Transfer Credit (TC) and SAP

Courses with a Transfer Credit (TC) grade are not included in the calculation of the student's cumulative GPA. However, transfer credits are included in the calculations of the Minimum Completion Ratio, and the Maximum Time Frame (MTF).

In Progress (IP) and SAP

A grade of IP on the academic record means that the student is currently registered in the course. An (IP) grade is not included in the calculation of the student's cumulative GPA. However, an (IP) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with an (IP) grade will be added to Total Units Attempted.

Passed (P) and SAP

A grade of Passed (P) on the academic record means that the student successfully passed the course. A Passed (P) grade is not included in the calculation of the student's cumulative GPA. However, a Passed (P) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with a (P) grade will be added to Total Units Attempted.

Not Passed (NP) and SAP

A grade of Not Passed (NP) on the academic record means that the student did not pass the course. An (NP) grade is not included in the calculation of the student's cumulative GPA. However, an (NP) grade is included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF). The unit credits of a course with a (NP) grade will be added to Total Units Attempted.

Incomplete and SAP

An "Incomplete" that is not removed and changed to a letter grade after the deadline for removing incompletes reverts to an "F" (failing) grade, which affect the student's cumulative GPA.

Change of Program and SAP

Students who change programs will not have their cumulative Grade Point Average carry over to the new program. Any courses that get transferred into the new program will be included in the calculations of the Minimum Completion Ratio and Maximum Time Frame (MTF).

Maximum Time Frame

In order to progress satisfactorily through an educational program, students must meet the following standards of Satisfactory Academic Progress (SAP) or they will be dismissed from the University.

1. All students must complete their program within the Maximum Time Frame (MTF), which is 1.5 times the expected time for program completion.
2. Maximum credit hours reflect the maximum allowable quarterly credits before a student is required to graduate or is disqualified from a program.
3. **Graduate** students must maintain a minimum cumulative grade point average (GPA) of 3.0 to meet graduation requirements. (See Grading section under Scholastic Rules, Regulations and Academic Policies for information on how to calculate GPA.)
4. Transfer credit does not affect the Maximum Time Frame.
5. Transfer credit does affect maximum attempted credits.

Program	Credits Required for Graduation	Maximum Time Frame	Maximum Attempted Credits
MBA	65	3 Years	97 Credit Hours

The following measurements are used to determine Satisfactory Academic Progress:

1. A percentage of the Maximum Time Frame (MTF)
2. Minimum cumulative grade point average (GPA)
3. Minimum Successful Completion Rate (MSCR)

Program	Total Required Credits Attempted	Percentage of Total Required Credits Attempted	Minimum Cumulative GPA	Minimum Successful Completion Rate
Bachelor's Degree	45	25%	2.0	55%
	90	50%	2.0	60%
	135	75%	2.0	64%
	180	100%	2.0	67%
MBA	32	50%	3.0	60%
	65	100%	3.0	67%
MSIT	28	50%	3.0	60%
	56	100%	3.0	67%
UCert-Mktg	18	45%	2.0	60%
	40.5	100%	2.0	67%
CGert – BA	14	50%	3.0	60%
	27	100%	3.0	67%
GCert – IT	13	50%	3.0	60%
	26	100%	3.0	67%

Both the Minimum Successful Completion Rate and the Cumulative GPA are evaluated at the end of each academic year (an academic year is three quarters in which courses are attempted in each quarter). Additionally, the Minimum Cumulative GPA is evaluated at the end of every academic quarter.

Students who have reached 100% of their MTF are ineligible for Academic Probation and are subject to immediate dismissal from the University.

Academic Probation

Students who fail to abide by the terms of SAP will be placed on academic probation.

Undergraduate Students: A student in an undergraduate program must maintain an overall grade point average of 2.0 for all undergraduate work attempted. A grade point average of less than 2.0 will result in the student being placed on academic probation.

Graduate Students: A student in a graduate program must maintain an overall grade point average of 3.0 for all graduate work attempted. A grade-point average of less than 3.0 will result in the student being placed on academic probation.

When a student is placed on probation because of a substandard grade-point average, the student is required to meet with an Academic Advisor. A plan is made for improving the grade-point average to minimum standards for their academic level. Students are allowed two quarters to correct their academic deficiencies (if they do not exceed the Maximum Time Frame).

SAP Probation Status

A student may be placed on the following academic SAP statuses and must take the required action associated with each status. A student who is placed on academic SAP status, but meets the

requirements in the subsequent quarter will return to good standing status. A student who does not meet the requirements in the subsequent quarter will be placed on the next status.

Good Standing:

Students are in good standing when the minimum CGPA and completion percentage of the SAP table is met or exceeded. Students in good standing are eligible to register for courses.

Quarter 1 Probation:

Students are placed on Quarter 1 Probation status following the first quarter the CGPA and/or completion percentage falls below the minimum of the SAP table. This status requires students to have their course schedules reviewed by the academic advisor and meet an academic advisor at least once within the quarter.

Quarter 2 Probation:

Students are placed on Quarter 2 Probation status following the second consecutive quarter the CGPA and/or completion percentage falls below the minimum of the SAP table. This status requires students to have their course schedules reviewed by the academic advisor. Students who are on Quarter 2 Probation status and still did not meet the minimum CGPA and/or completion percentage of the SAP table will be issued a Notice of Dismissal.

Dismissal:

Students who were on Quarter 2 Probation status and failed to meet the stated minimum CGPA and/or completion percentage of the SAP table are subject to dismissal. Dismissed students are not active students. Students may however appeal their dismissal in writing according to the Appeal process below. If the SAP Appeal reviewer finds merit in the student's appeal, the student will be placed on a first quarter reinstatement.

Reinstated SAP Probation:

A student who was reinstated following the approval of their SAP appeal will be reinstated for up to two additional quarters subject to the Dismissal Policy below.

Academic Dismissal

Students who are on Academic Probation will be dismissed from the University if they fail to abide by the terms of their Academic Probation and/or do not rectify their academic deficiencies in the time allotted. Per University policy, such students will be dismissed following the certification of grades by the University Registrar following the conclusion of the academic term.

Students may also be dismissed for failure to make Satisfactory Academic Progress (please see course Repeat policy).

For International Students: Students who have been dismissed for lack of Satisfactory Academic Progress will fall out of status, resulting in termination of their SEVIS I-20. Therefore, if an international student is notified of an SAP Dismissal the student must contact the DSO in conjunction with their status change.

Academic Dismissal Appeals Policy

Satisfactory Academic Progress (SAP) defines the standards that University students must meet to continue their studies; failure to meet these standards will result in dismissal from the University. Prior to being dismissed from the University, when a determination has been made that a student is not meeting SAP, that student will be placed on academic probation (see above section on Academic Probation for probationary terms). If the student fails to meet the terms of their academic probation and correct their academic deficiencies, they will be summarily dismissed from the University (SAP Dismissal).

If a student has been dismissed due to not meeting SAP standards, and wishes to appeal his/her dismissal, the student should first consult with his/her Academic Advisor. If, at the conclusion of any such consultation, the student does not believe there are legitimate grounds for their dismissal, they may file an SAP Dismissal Appeal with the Chief Academic Officer.

An SAP Dismissal Appeal is normally granted when a student can document that a) they have met the terms of their academic probation, and b) legitimate mitigating circumstances, beyond the student's control, were present which affected their academic performance (i.e., personal illness or accident, illness or accident of immediate family or family member, loss of housing, military duty, etc.). An SAP Dismissal Appeal must address the student's compliance with the terms of their probation and explain the mitigating circumstances that led to the substandard academic performance during the probationary period that resulted in their dismissal. Supporting documentation (e.g., doctor's notes, military orders, etc.) must be included with the appeal to substantiate the mitigating circumstances.

The Chief Academic Officer is looking for evidence that a student has met the terms of their academic probation and adequately identified and resolved the issues that led to their substandard academic performance before granting an appeal and permitting them to continue their studies on a reinstatement probationary quarter. Students should provide an explanation of how the circumstances have been resolved, changed or will be different if they are reinstated and permitted to continue their studies. It is strongly recommended that a student meet with their Academic Advisor before submitting their appeal.

To be considered, a student's SAP Dismissal Appeal must be submitted within 15 days after they have been notified of their dismissal and must include any and all evidence and documentation. A student's appeal is considered complete when it is submitted, and students will not be permitted to supply any additional facts and/or documentation on their own volition; however, a student may be asked for additional information if it is deemed necessary by the Chief Academic Officer.

A final decision by the Chief Academic Officer will be rendered within 15 days of the SAP Dismissal Appeal submittal. The decision of the Chief Academic Officer is final and cannot be appealed.

The appeals process does not affect the maximum time frame. An appeal does not stop the clock on graduating within the specific time period.

Qualifying Appeals for Graduate Students

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary quarter. At the end of a student's reinstatement probationary quarter, the

student will either: 1) be dismissed; 2) remain on reinstatement for one additional quarter; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
 - a. They withdrew from all courses during the quarter; or
 - b. The GPA for the reinstatement probationary quarter was below 3.0.
2. The student remains on reinstatement probation for one additional quarter if the student's GPA for the reinstatement probationary quarter was at least 3.0, but the student's cumulative GPA remains below 3.0. At the end of the second reinstatement probationary quarter, the student is dismissed if:
 - i. The student withdrew from all courses during the quarter; or
 - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 3.0.
3. The student returns to good standing if:
 - a. The student has completed the quarter; and
 - b. The student's cumulative GPA has improved to at least 3.0.

Readmitted Students and MTF

Students that are re-admitted into their academic program will continue with their MTF from the last term of enrollment.

General University Policies, Procedures, and Disclosures

Southern States University has a diverse population of faculty, staff, and students. The following section lists policies regarding the Student Code of Conduct, academic integrity, academic freedom, drugs, alcohol, sexual misconduct, security and crime reporting, as well as the University's non-discrimination policy and emergency response and evacuation plan. The list is not exhaustive, and is best viewed as a starting point to begin exploring specific issues that may be of concern.

Student Code of Conduct - Rights and Responsibilities

Students enrolled at Southern States University assume the obligation to conduct themselves in a manner compatible with the University's function as an educational institution, suitable to a member of an academic community. The University, therefore, expects its students to conduct themselves as responsible individuals, considerate and respectful of the rights and interest of others.

The University wants to provide the best possible learning opportunities for all students. Cooperation and respect among students, Faculty and administrative staff builds a positive learning environment. To encourage and maintain this environment, the University will act against any disruptive behavior that occurs in class or anywhere on the school grounds.

“Disruptive behavior” means conduct which prevents other students from learning or from doing the required class work. Words or actions that prevent Faculty from meeting the needs and goals of the class are also disruptive. Any action or word intended to hurt Faculty, staff, another student, or school property is also disruptive behavior.

The following is a list of some behaviors that are disruptive and therefore *unacceptable*:

1. Showing disrespect or lack of courtesy towards Faculty, staff, or other students
2. Refusing to complete assignments
3. Refusing to cooperate with Faculty or other students in class work or outside assignments
4. Refusing to bring the required textbook and materials to class
5. Sleeping in class
6. Denying other students an equal opportunity to participate in class
7. Arriving late to class repeatedly. This includes returning to class late after a break
8. Arriving at school under the influence of alcohol, illegal drugs or narcotics
9. On campus sale or use of alcohol, or on campus sale, use or knowing possession of illegal drugs or narcotics
10. Repeatedly speaking one's native language during class.
11. Disruption of the educational or administrative process of the University, by acts or expression
12. Physical abuse or threat of abuse to students, University employees, or their families
13. Verbal abuse or intimidation of students or University employees including shouting, use of profanity, or other displays of hostility
14. Violent behavior - any kind of physical violence or harassment will result in immediate dismissal from the program
15. Forgery, altering University documents, or knowingly providing false information
16. Theft of University property or the property of a University employee, student, or visitor

17. Vandalism or unauthorized destruction of University property or the property of a University employee, student, or visitor
18. Possession, use, or threats of use of explosives or deadly weapons on University property
19. Sexually explicit, indecent, or obscene behavior on University property or by any means of communication, including the Internet
20. Sexual harassment
21. Sexual assault
22. Trespassing in an area of the University where the student is not authorized to be, or failure to leave immediately an area when directed by an employee of the University
23. Using University equipment or networks to violate copyrights
24. Violation of other lawful policy or directive of the University or its employees or any action that would grossly violate the purpose of the University or the rights of those who comprise the University

When a violation has occurred, an incident report, including the date, time and circumstances of the alleged act must be submitted to the Academic Advisor on campus. The report will include a description of the actions of all the parties involved, the names of witnesses available and documentary evidence that supports the charge. The students suspected of committing any violation of University policy are accorded procedures consistent with fair process before disciplinary action is imposed. The disciplinary action may include an administrative dismissal from the University in which case the student is afforded the opportunity to appeal a dismissal in accordance with the procedures below.

Disciplinary Proceedings

SSU does not tolerate violence or other threatening conduct against any members of SSU community. This includes criminal acts against persons or property, as well as harassment based on sex, gender, race, ethnicity, or disability. SSU will impose strict disciplinary actions and appropriately involve law enforcement officials should any acts of violence or threatening conduct occur on school facilities or at school-sponsored events. This includes acts of violence against women.

SSU will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by SSU against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, SSU will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Dismissal from the University

Should a student be dismissed from the University for a violation of the Student Code of Conduct, such an individual will be issued a Letter of Dismissal in accordance with the policies and procedures published in the University's SSU Clery Report. On the date that the Letter of Dismissal is signed, the student shall immediately forfeit all the rights and privileges of being considered an SSU student, including but not limited to student standing and access to educational benefits provided through federal, state, and local government entities.

Academic Integrity

Academic Misconduct: The University does not condone acts that transgress universally accepted standards of academic integrity, including instances of academic misconduct. Academic misconduct consists of acts of academic dishonesty and academic fraud as defined below. There is no reason or rationale for academic misconduct, nor will the University permit any student to benefit or gain any advantage from any such misconduct.

Examples of Academic misconduct include, but are not limited to:

- Plagiarism - representing another author's ideas, writings or works as one's own or using another's ideas, writings or works without acknowledgment e.g., "cutting and pasting";
- Work that is submitted for one class and is used for another;
- Data fabrication;
- Copying or allowing work to be copied from (this includes examinations, and all written work);
- Unauthorized access to examination questions;
- Modification of examination results;
- Using unauthorized notes or communication devices that provide examination information;
- Individual misrepresentation (i.e. allowing someone else to take one's exam, or taking someone else's exam);
- Collaborating with others in work, contrary to the stated rules of an examination or assignment;
- Submitting work acquired through artificial intelligence (AI) including from platforms like ChatGPT, Grammarly, etc.; or
- Assisting other students in any of these acts.

If a student (or all students within a group e.g., a team working on a group project), has been found to commit academic misconduct, s/he may be subject to one of the following consequences, at the discretion of the faculty member, and/or a lower score on the particular assignment or examination:

- 1) An oral or written reprimand (presented to the student);
- 2) An assignment to repeat the work, to be graded on its merits; or,
- 3) A filing of an Academic Misconduct Warning reporting the incident to the Chief Academic Officer
 - A copy of the Academic Misconduct Warning will be placed in the student's academic file.
 - If another Academic Misconduct Warning is filed during the student's course of study, s/he will be dismissed from the program.

If a student disagrees that an act of Academic Misconduct has occurred, they may appeal an Academic Misconduct Warning in accordance with the procedures below.

Academic Misconduct Appeals Policy

A student may appeal an Academic Misconduct Warning by requesting a *Determination of Academic Misconduct* from the Chief Academic Officer within 10 days of their written notification of such misconduct, which will be received via an Academic Misconduct Warning form. To request such a *Determination*, the student must send a letter to the Chief Academic Officer including an explanation of the conduct upon which the allegation is based, and why this conduct is *not* academic misconduct. An explanation of *why* the misconduct occurred does not constitute sufficient grounds for an appeal of an Academic Misconduct Warning.

A ruling on the appeal will be issued within 30 days following receipt of the written documentation provided by the student to support their request for a *Determination of Academic Misconduct*. The decision of the Chief Academic Officer is final and cannot be appealed.

In making a Determination of Academic Misconduct, the Chief Academic Officer may uphold the action of the Faculty, in which case the Academic Misconduct Warning will remain in the student's permanent academic file, or may decide that the conduct was not Academic Misconduct. If there has been a determination that the conduct was not Academic Misconduct, the Chief Academic Officer shall direct that all written reports of the misconduct be expunged from the student's academic file. In conjunction with directing that the misconduct report be expunged, the Chief Academic Officer may recommend to the Faculty that they reconsider any actions (such as lowering a grade) that have been taken with respect to the misconduct. However, because of the limitations of academic freedom, the Chief Academic Officer is not empowered to change any grade and may only make a recommendation of a grade change. In an instance in which a course grade has been lowered and the Chief Academic Officer has exonerated the student and made a recommendation for a grade change, but the Faculty chooses not to follow the Chief Academic Officer's recommendation, the Chief Academic Officer will prepare a written statement of the findings for inclusion in the student's academic file.

If this is a second incident of Academic Misconduct, the student will be notified of their dismissal. An appeal for a second incident of academic misconduct may also be filed in accordance with this Academic Misconduct Appeals Policy. If there is a determination that Academic Misconduct has not occurred, then the dismissal will be rescinded and all other terms of the policy with respect to exoneration will apply.

Academic Freedom

The governing board of SSU believes and encourages students, faculty, and staff to have the freedom of inquiry regarding courses, programs, and the University itself. This policy has been drafted in accordance with the interpretation of both the 1940 Statement of Principles on Academic Freedom and Tenure (including the 1970 Interpretive Comments) of the American Association of University Professors and in accordance with U.S. appellate court decisions.

Personal Expression on Public Issues

SSU employees (including both faculty and staff) and SSU students are free to exercise their full liberties as citizens or legal residents; including the right to express their personal convictions on issues such as social, economic, religious, and political subjects off University property. When speaking or writing as citizens, they are free from institutional censorship or discipline. However, SSU employees

and students must refrain from giving any impression that their views and positions are those of Southern States University.

Academic Freedom for Faculty

Academic Freedom for faculty means that

- a) the faculty is free to speak within the confines of the University (on campus and in the classroom) and to communicate ideas or facts that are inconvenient to external political groups or authorities and may be considered controversial so long as what is presented to students directly relates to the specific subject matter of the course for which the faculty member is teaching,
 - In the event a faculty member's choice of course materials are challenged, the burden will be on the challenger to establish by material evidence that the challenged material is academically inappropriate for the course.
- b) the faculty may write in public regarding their subject to express their opinions without fear of University censorship or discipline, but they must show restraint and clearly indicate that they are not speaking for SSU, and
- c) faculty members are free to conduct research in their field and publish the results subject to maintaining adequate performance and fulfilling their academic duties. The Chancellor and the Chief Academic Officer must approve any research for pecuniary gain from such research if conducted on behalf of or in partnership with Southern States University.

Academic Freedom for Students

Academic Freedom for students means that

- a) students are free to pursue their own course of study, and
- b) students may take whatever courses they choose, at whatever educational institution they choose.

At Southern States University, students are regulated by the prerogative of the faculty to determine which viewpoints are supported by scholarly standards, peer-review, and established norms within their specific discipline(s). Additionally, students do not have the right to insist that faculty provide “equal time” for competing viewpoints.

Drug, Alcohol and Tobacco Policies

The following information is provided regarding University and campus policies prohibiting the unlawful possession, use or distribution of drugs, alcohol, or tobacco; sanctions relating to drug, alcohol, and tobacco violations by students or employees; federal, state and local laws and penalties for drug and alcohol offenses; health risks associated with the use of drugs, alcohol abuse, and tobacco; and drug, alcohol, and tobacco, counseling, treatment, or rehabilitation or re-entry programs.

Members of the Southern States University Community are encouraged to review the current Annual Campus Security and Fire Safety Report, commonly referred to as the SSU Clery Report, available at [SSU Clery Report](#). Additional information includes SSU’s Drug, Alcohol, and Tobacco Prevention Policy, Annual Information on Distribution, state and federal laws and violations (including the potential loss of financial aid), health risks, and a short list of known available state and national resources for treatment.

Drug-Free Campus Policy

SSU prohibits the possession, use, or distribution of illegal drugs on University property. Possession, sale, use, or distribution of controlled substances, including marijuana, is a violation of federal and/or state laws and University policy. Students and employees who violate state or federal drug laws will be referred by SSU to the appropriate authorities for criminal prosecution, and, if convicted, may be subject to suspension, termination, or expulsion from the University.

Southern States University prohibits the use, possession, and/or sale of marijuana in any form on all University campuses, while attending off-campus University-sponsored or endorsed events, and while conducting business on behalf of the University.

On November 8, 2016, California and Nevada voters passed measures legalizing the use of recreational marijuana among people over the age of 21. It is important to understand that passage of these laws does not change Southern State University's policy; marijuana remains prohibited on all University property and at all University events.

Notwithstanding state legalization, using, distributing and possessing marijuana remains illegal under federal law. The federal Controlled Substances Act criminalizes possession and distribution of controlled substances, including marijuana, with a limited exception for certain federally approved research. The Drug Free Schools and Communities Act and the Drug Free Workplace Act require that Southern States University, as a recipient of federal funding, establish policies that prohibit marijuana use, possession and distribution on campus and in the workplace.

Alcohol Policy

The possession, consumption, or sale of alcohol on campus or at SSU-sponsored activities is prohibited, unless specifically sanctioned by the University and allowed by state and local alcoholic beverage regulations. The use of alcoholic beverages in the following instances must be approved by the chancellor or any designated staff on campus and at functions sponsored by SSU.

Non-alcoholic beverages and food items must be available at the same place as the alcoholic beverages and readily accessible if alcoholic beverages are available. Advertisements for social functions may not describe the availability of alcohol as a promotional tool nor promote consumption of alcohol by minors. All persons must have proof of age at any activity involving the consumption of alcoholic beverages. If alcoholic beverages are served, the sponsoring organization must implement precautionary measures to ensure that alcoholic beverages are not accessible or served to persons under the legal drinking age or to persons who appear to be intoxicated. Individuals involved in the illegal use or distribution of alcohol are subject to arrest and University disciplinary action.

Smoke and Tobacco-Free Policy

The use of tobacco products (including but not limited to, cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco or all other tobacco products) as well as smoking or use of any smoking device (including but not limited to unregulated nicotine products), by students, faculty, staff, and visitors is strictly prohibited at all times on SSU owned or operated campus locations. In doing so all areas of the University are designated as "Tobacco and Smoke-Free Areas" in this Policy.

Reporting Crimes, Emergencies, and Safety Concerns

It is the policy of SSU that students and employees shall report any and all safety hazards, crimes, loss of property, significant illness, or injury to a Campus Director. Proper reporting facilitates the

apprehension of criminals and assists in making the entire campus safe. All campus directors and senior administrators are mandated to report incidents to the University Chancellor and to coordinate with local law enforcement agencies to apprehend those who violate these regulations or commit crimes on campus. When necessary, SSU will press charges against criminal violators. SSU encourages crime victims, witnesses, and anyone who learns about a crime to report the crime or emergency promptly and accurately to the most appropriate authority.

Any person in immediate danger due to a crime or an emergency should call 9-1-1

Any Southern States University community member is encouraged to reference the [SSU Clery Report](#) for more detailed information regarding SSU's policies related to the following topics:

- Additional emergency contact information of local law enforcement
- Safety Awareness and Crime Prevention
- Facilities and Campus Security
- Timely Warnings and Emergencies Notifications
- Emergency Response and Reporting

In addition to local law enforcement, crimes may also be reported to Campus Security Authorities ("CSAs"). CSAs will not investigate the crime, but they submit reports to the University Chancellor, who will coordinate with local law enforcement when deemed appropriate. The University Chancellor assesses the information provided in the Campus Security Authority Crime Report, determines whether an immediate response is warranted, if a Timely Warning or Emergency Notification should be issued and determines appropriate follow-up.

Reporting Campus Health and Safety Concerns

Students, faculty, staff, and visitors to any University campus, facility, or event should immediately report health or safety concerns to the Chancellor or Branch Campus Director. If no one is available to meet you in person, please contact the main phone number for the local campus, email campussafety@ssu.edu, or [report an incident](#) on the SSU website.

Voluntary, Confidential Crime Reporting

All reports of crime or misconduct will be investigated, and all criminal violations of the law will be referred to law enforcement agencies. When a potentially dangerous threat to the campus community arises, timely reports or warnings will be issued through e-mail announcements, mass text messages, in-class announcements, or other appropriate means of communication.

If warranted, pastoral counselors and professional counselors must inform persons they are counseling of the procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. That being said, SSU does not employ any campus-based pastoral or professional counselors.

Sexual Misconduct, Harassment, and Related Crimes

As required by law and policy, Southern States University expressly prohibits domestic violence, dating violence, sexual assault, stalking, and harassment. Retaliation against an individual for the reporting, testifying, and/or otherwise assisting in the investigation of such incidents is also prohibited.

Comprehensive information regarding SSU's policies and procedures relating to Sexual Misconduct Prevention and Awareness can be found by reviewing the [SSU Clery Report](#). Specifically, SSU community members can see information on the following topics:

- Procedures for Victims of Sexual Misconduct
- Discrimination, Equal Opportunity, Harassment, and Retaliation Policies
- University Ingestion, Disciplinary Procedures, and Sanctions

SSU Community members needing to report an instance of Sexual Misconduct are encouraged to file a report with the Campus Director or by emailing campussafety@ssu.edu, or by completing an referral form available at www.ssu.edu/reporting-an-incident.

Sexual Misconduct Policy

Federal and state laws define various violent and/or non-consensual sexual acts as crimes. Though some of these acts intersect with criminal law, Southern States University has defined categories of sex and gender harassment and/or discrimination as sexual misconduct, bias-based harassment of one's sex, gender, or related identity; intimate partner (dating and/or domestic) violence; non-consensual sexual contact; and/or stalking. Sanctions will be based on the facts and circumstances of the particular allegation and that acts of sexual misconduct may be committed by any person upon any other person, regardless of the sex, sexual orientation, and/or gender identity of those involved. Generally speaking, Southern States University considers Non-Consensual Sexual Intercourse violations to be of the most serious sexual misconduct offenses and therefore typically imposes the most severe sanctions, including but not limited to expulsion for students and termination for employees. However, the University

reserves the right to impose any level of sanction, ranging from a reprimand up to and including expulsion or termination, for any act of sexual misconduct or other sex or gender-based offenses.

A full list of definitions used by Southern States University regarding Sexual Misconduct, including harassment and discrimination, are available at [SSU Clery Report](#).

University Grievance Policy

The University is committed to providing a learning and working environment in which complaints and grievances are addressed fairly and resolved promptly. As such SSU continuously strives to provide a fair and reasonable University governing system and is committed to ensuring that all University parties have access to the information they need regarding the University's policies and procedures. It is the intent of this policy to aid the University in providing a fair internal process for the resolution of academic, administrative, and operational disputes between and among students, staff, faculty, and administrators within the Southern States University community.

The formal policies herein are intended to be used only when matters cannot be resolved informally. SSU community members who feel aggrieved should first seek to resolve the issue through informal resolution at the unit, department, or campus level before filing a formal grievance under this policy. The procedures contained herein are not intended to be used to challenge the desirability of University Policies.

Two general types of complaints are addressed by this policy:

- Student Complaints
- Employee Complaints

Note that grades are not subject to grievance under this policy (see Grade Appeals in this Catalog).

For complaints related to the Sexual Misconduct, Harassment, and Retaliation policies, including ADA and EEOC complaints, SSU community members are encouraged to review the information presented in the SSU Clery Report and to use the appropriate SSU Misconduct and Grievance Referral Form available at www.ssu.edu/reporting-an-incident.

All Southern States University community members are encouraged to voice their comments and concerns so that the University can best serve all members of the University community.

University Grievance Procedure for Students

Students should use the following procedure for complaints about service, support, or assistance provided by academic, administrative, and operative departments of Southern States University as well as complaints regarding academic and non-academic appeals policies and procedures (except for grade appeals).

Level 1: Informal Complaint

Students should discuss their concerns with the person(s) who is directly responsible (e.g. course instructor, staff member, etc.) in order to resolve the issue. Depending on the severity of the issue, a written record may or may not be drafted and placed in the student's permanent record.

Level 2: Formal Complaint

If the complaint cannot be resolved to the satisfaction of the student at Level 1, the student should discuss the issue with their Campus Director. The Campus Director will consider the complaint and attempt to bring the issue to a satisfactory resolution.

In certain situations, the Campus Director may refer the complaint to an appropriate University administrator or University committee. The respective Administrator or Committee will consider the complaint and provide a written recommendation to the Campus Director.

The Campus Director will consider the proposed recommendation and notify the student in writing of the decision. Written documentation regarding the resolution will be placed in the student's file and maintained for a minimum of seven (7) years past the student's last date of attendance.

Level 3: Escalated Complaint

After following the steps above for Level 1 and Level 2 complaints, the student may submit a formal written complaint to the Grievance Committee by filing an SSU Misconduct and Grievance Referral Form, available at www.ssu.edu/reporting-an-incident. The complaint will be referred to the appropriate department head or administrator who will work with the Grievance Committee to investigate and proffer a resolution. The appropriate department head or Grievance Committee may reach out to the student to further discuss the grievance and draft resolution prior to finalization. This draft resolution must then be reviewed and approved by the University Chancellor in order to become binding and final. A written resolution response will be provided to the student once the resolution has been approved by the University Chancellor.

The original written complaint, any related documentation, a copy of the resolution response, and a description of any actions taken as a result of the complaint will be maintained on file for seven (7) years past the student's last date of attendance.

Level 4: Unresolved Complaints

If the student is dissatisfied with the final resolution as approved by the University Chancellor, they have the right to file a complaint with the Nevada Commission on Postsecondary Education at the addresses below.

The University encourages all employees to use the complaint procedure without fear of prejudice or retaliation and with the assurance that their confidences will be respected.

Human Resources will keep all expressions of concern, investigative findings, and terms of any resolution in confidence, unless otherwise required by law. It should be noted that in the course of investigation and issue resolution, some dissemination to others may be necessary and/or appropriate.

Level 1: Informal Complaint

Southern States University expects that each employee will attempt to resolve the conflict directly and informally. However, unresolved conflicts may be escalated to either Human Resources or to the employee's supervisor.

Level 2: Formal Complaint - Supervisor

In certain situations, the supervisor may refer the complaint to either Human Resources, an appropriate University administrator, or University committee. Human Resources, the respective Administrator, or Committee will consider the complaint and provide a written recommendation to the supervisor.

The supervisor will consider the proposed recommendation and notify the employee in writing of the decision. Written documentation regarding the resolution will be placed in the employee's file and maintained for a minimum of seven (7) years past the employee's last date of employment.

Level 3: Formal Complaint – Human Resources

After following the steps above for Level 1 and Level 2 complaints, the employee may submit a formal written complaint to Human Resources and the Grievance Committee by filing an SSU Misconduct and Grievance Referral Form, available at www.ssu.edu/reporting-an-incident. The complaint will be referred to Human Resources, which will enlist the assistance and review of the appropriate department head or administrator who will work with the Grievance Committee to investigate and proffer a resolution. The appropriate department head or Grievance Committee may reach out to the employee through Human Resources to further discuss the grievance and draft resolution prior to finalization. This draft resolution must then be reviewed and approved by the University Chancellor in order to become binding and final. A written resolution response will be provided to the employee once the resolution has been approved by the University Chancellor.

The original written complaint, any related documentation, a copy of the resolution response, and a description of any actions taken as a result of the complaint will be maintained on file for seven (7) years past the employee's last date of employment.

Student Support Services

Academic Advising

The Academic Advising Office works with students to help match the university's resources to the needs and goals of students so that they get the maximum benefit from their university experience. Our office encourages and promotes student learning in a welcoming and supportive environment. We clarify university policies, procedures, and requirements to ensure student retention and timely graduation.

Academic advisors facilitate academic responsibility and competence by educating students to use resources effectively, seek and receive guidance on academic program planning, encouraging students to think critically and develop and complete action steps.

Why Academic Advising is Important

Advising is a process of helping students diminish the confusion that comes with a new environment to clarify their goals and get the most out of their educational experience. Academic Advising is a planning process that helps students to approach their education in an organized and meaningful way. It is a student-centered process that should result in the student gaining a clearer understanding of his/her goals and the experience of higher education. It is an information exchange that empowers students to realize their maximum educational potential.

Advising is available to help students

- Diminish confusion: prospective, new, continuing and transfer students
- Understand graduation requirements
- Develop an academic plan
- Discuss transfer credit
- Understand course prerequisites
- Inform academic probation status to avoid SAP dismissal
- Discuss leave of absence
- File grievances and complaints
- Process evaluation of prerequisite and prerequisite exceptions
- Plan your next quarter's schedule

What Are the Students' Responsibilities Regarding Advising?

General Catalog. Know your catalog year and be sure you know where the University catalog can be found (<http://www.ssu.edu/academic/general-catalogs/>). The General catalog establishes the requirements you must complete for graduation, as well as lists all university academic and administrative policies and procedures.

See your adviser regularly. Don't wait until you encounter a problem before seeing an adviser. Check your degree/academic progress regularly.

Keep an advising file. Keep a personal copy of your academic records transcripts (official or unofficial) from each college or university you have attended.

Plan your advising sessions during non-peak times. Avoid the busy advising times during the registration period and at the first week of classes for continuing students

Petition to Graduate. Graduation is not automatic; you must petition to graduate. Ask your adviser to check on whether you are meeting your graduation requirements and when applicable file your Petition to Graduate.

Libraries and Resource Material Center

The SSU library is an academic division within the SSU University that serves the information and research needs of its students, faculty, and administration. The University maintains libraries for the degree programs at all its campuses.

In addition to the hard and soft cover books and periodicals, and the audio and video materials in the physical library facilities, the University provides 24/7 access to pre-paid subscriptions of several respected online libraries (electronic databases), including the Library Information Resources Network consortium (LIRN: ProQuest, Gale Infotrac, and EBSCO Host). Additionally, the library maintains a list of relevant and reliable open online resources in each discipline of study and can recommend public library facilities/local university libraries that can be accessed to obtain research materials.

Students doing research on-campus and off-campus can access SSU online library catalog, subscription databases, and research guides from any Internet connected computer via the online learning portal Moodle or via the SSU Website, Library page (password protected access). Database training sessions are offered each quarter for students and Faculty members on two university campuses: San Diego and Irvine. Librarians are available for face-to-face, phone, or email research consultations on Mondays–Thursdays, and on Saturdays, when classes are in session. Information about SSU library service hours is posted on the SSU Website/Library page. After-hour consultations are available per student or faculty request.

The library's circulating items include books, periodicals, audio, and video materials. Non-circulating items include Course Reserves and Reference Materials for use in the library. SSU Library Circulation Policy is posted on Moodle and on the Website. Library privileges start with the first day of the first enrollment quarter for students, and with the first day of employment for faculty and staff. Each borrower that uses his/her circulation privileges assumes full responsibility for all materials charged to his or her account and for knowledge and acceptance of library policies regarding borrowing materials from the library, including loan periods, renewals, returns, and fine rates.

For more information, contact the SSU's Librarian by emailing library@ssu.edu.

Students with Disabilities: Reasonable Accommodation

If current or prospective students are in need reasonable accommodations, they should schedule an appointment with the Chief Academic Officer. At this meeting, the nature of the reported disability and its impact on learning will be discussed, as will the process of receiving reasonable accommodation and the types of accommodations available.

In order to move forward with a reasonable accommodation request, students are to bring copies of current documentation of a disability to this meeting. Documentation must be provided by a medical expert within the last three years and include:

- a diagnosis of the disability;
- how the diagnosis was determined (what tests were given and the results); and
- A clinical summary, which includes an assessment of how the disability will impact the individual in a college environment and what accommodations are recommended.

The Chief Academic Officer will review the documentation and will offer the student what is deemed to be any necessary accommodation. A formal Statement of Reasonable Accommodation will be drafted, signed by both the student and the Chief Academic Officer and placed in the student's official file.

University Housing

Southern States University is a commuter institution; students are expected to make their own living arrangements. The institution does not have dormitory or housing facilities and has no responsibility to find or assist students in finding housing. However, the University administration is available to provide assistance to students wishing to secure housing, including home-stay, nearby student apartments and other local housing options. Here is a website with information on housing in the Las Vegas area:

Las Vegas:

As of July 2023, the average price of a 1 bedroom/1 bath in the Las Vegas Area is around \$1,300

Campus Security

SSU does not employ campus peace officers or contractual security officers. As such, school employees do not have powers of arrest and will call 911 in the event of a crime or other situation that warrants police intervention. Because SSU does not have a campus police department or security office, it does not keep a daily crime log.

Social Media

Today, social media is crucial to all kinds of businesses, but this is especially true in the education field. Social media allows SSU to be connected with prospective students, current students, and alumni all around the world. Thus, various social media sites are used to facilitate the University's students' lives. The University posts events, job opportunities, and promotes relations between students on social media sites, including Facebook, LinkedIn, and Instagram:

Academic Programs of Study

SSU's undergraduate and graduate degree and certificate programs are designed and offered in a way that appropriately balances distinct types and levels of education and training and includes a comprehensive curriculum with appropriate coursework to achieve the program outcomes that are valuable to students' business, marketing, and information technology industries.

The SSU programs of study are designed for both individuals who are just beginning their education to establish a solid foundation of knowledge in the practices of business and information technology as well as to provide students who are already practicing in the field to deepen their knowledge, skills, abilities, and attitudes for the benefit of those they serve.

Courses within each academic program may be any combination of in-person, online, or a hybrid of the two modalities. SSU courses incorporate any combination of tools available (video lectures, short videos on specific concepts, external links, discussion threads, etc.) as well as study guides, textbooks, and other materials as dictated in each course syllabus.

Note: Graduation from an SSU certificate or degree program does not confer a state or other external certification. Students are encouraged to consult with state boards as well as specialty associations should they wish to receive official certification, credentialing, and/or licensure.

Course Descriptions

Course Numbering

Southern States University's course numbering system differentiates courses that are appropriate for particular populations of students and helps advisers and students find appropriate courses by providing an indication of the expectations for the level at which the course is taught.

Undergraduate Lower-division Courses (100-299)

Courses numbered at the 100 level are generally designed for newly admitted students and normally do not have prerequisites. Courses numbered at the 200 level are generally designed for second-quarter students. Courses at the 200 level may be taken by any student; however, where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Undergraduate Upper-division Courses (300-499)

Courses numbered at the 300 and 400 levels are upper-division courses designed for continuing students. Even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline and therefore, there is the expectation of previous experience in the discipline. Where course prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Graduate Level Courses (500-599)

Courses numbered at the 500 level are for graduate level students. Within this level, even though prerequisites may not be stated, such courses may expect special proficiency or maturity in the discipline. Therefore, there is the expectation that students will complete courses numbered 500 through 519 before courses numbered 520 through 529; courses numbered 530 through 539 are generally designed for students who have completed courses numbered 500 through 529. Where prerequisites are indicated students are required to fulfill the necessary requirements before being permitted to enroll in that course.

Prerequisites

The prerequisite system is designed to ensure that students have sufficient knowledge and ability to succeed in progressively more challenging courses. A student may petition for an exception to a prerequisite if the student can demonstrate sufficient knowledge or ability through another means (e.g., relevant prior course work, assessment levels, certification, license or work experience). A petition form may be obtained from the University Registrar. The prerequisite requirement is met when a student concurrently registers in courses in the same term when the prerequisite courses are taken.
