All credits earned in SSU's undergraduate and graduate certificates are internally transferable to SSU's undergraduate and graduate degree programs (respectively) if they comprise the same course requirements, including but not limited to the same number of credits and course learning outcomes.

Note: Courses with F grades do not transfer; also graduate courses with a grade of C- or lower do not transfer. Transfer credit is not automatic. The new program record will reflect a letter grade of "T" for any internal transfer credit earned.
